

An Appetite for Clean

Quest Specialty
Corporation

Foodservice Is Our Specialty

**QUESTSPECIALTY CORPORATION IS A PRIMARY MANUFACTURER OF
AEROSOLS, LIQUIDS AND CUSTOM CHEMISTRIES.**

We sell through distribution into multiple vertical markets such as:

- *Sanitary Supply*
- *Food Service*
- *Industrial Specialities*
- *Property Management*
- *Safety*

We offer both QuestSpecialty brand and short run private equity branding programs for those distributors seeking to differentiate their companies within their market channels. We support those programs with seven chemists on staff, regulatory and graphic arts departments along with world-wide shipping capabilities.

To learn more about QuestSpecialty please visit us

Carbon-Off!® Heavy Duty Carbon Remover*

CARBON-OFF!® is a powerful gel that dissolves carbon buildup from metal surfaces. Spray or brush on, let set 15 minutes to overnight, depending on the amount of buildup to be removed, then rinse under cold water with a brush or scrubbing pad. CARBON-OFF!® works quickly and easily saving time and labor. Do not use on (or place appliance to be cleaned on) painted surfaces, plastics, acrylics, corian sinks and counter tops, anolon surfaces, calphalon or teflon non-stick pans. SAFE ON ALUMINUM.

Carbon-Off®

REMOVES BAKED ON CARBON FROM:

Metal Surfaces • Brass • Stainless Steel • Broilers
Waffle Bakers • Chinese Woks • Popcorn Kettles
Nickel Steel • Deep Fryers • Stove Parts
Rotisseries • Barbecue Grills • Roasting & Sheet Pans • Pots & Pans

HMIS Ratings, Aerosol: H-2, F-3, R-0, P-B.

HMIS Ratings, Liquid: H-3, F-1, R-0, P-B.

Available in: Pint, quart, and gallon cans and 20 oz. aerosol cans, 19 oz. net wt.

GREASE TRAP/DRAIN MAINTENANCE

Open Up Alkaline Drain Opener

OPEN UP is a powerful ready to use caustic drain opener and maintainer. This product will clear clogged drains of hair, paper, grease, oil and other organic matter. Keeps drain lines open and thus reduces malodors generated by rancid material. The caustic chemicals convert grease-like matter from hard insoluble material to soapy water soluble material. May be used on vitreous china or porcelain. Works in minutes

- No fumes or offensive odor
- Non-acid formula will not harm pipes & drain lines
- Versatile—for both corrective & maintenance applications

HMIS Ratings: H-3, F-0, R-1, P-C.

Available in: Quarts, 5 gallon pails and 55 gallon drums.

300000001-32QT	Open Up	12 x 1 Quarts
300000001-05PL	Open Up	5 Gallons
300000001-55DR	Open Up	55 Gallons

Digest Plus Synergized 7-Strain Bacterial with Odor Control Live Active Bacteria

DIGEST PLUS is a concentrated blend of living aerobic and anaerobic bacteria specially selected and adapted for their ability to produce large amounts of amylase, protease, cellulase and lipase enzymes which are important in degrading common sanitary wastes. The bacteria are considered "new generation" and are impervious to bleach, disinfectants and acids. Use in drains, grease traps and septic tanks to quickly degrade wastes and reduce odors. Non-acid, non-alkaline, non-corrosive. Will not harm plumbing fixtures or garbage disposals.

NOTE: Product performs best within a pH range of 5.5–8.5 and a temperature range of 50–100°F.

Extremes of pH and temperature, as well as wide shifts in either parameter over a short period of time should be avoided.

Cold reduces the effectiveness of the product and no bacteria activity can be expected below 40°F.

HMIS Ratings: H-0, F-0, R-0, P-A.

Available in: Quarts, gallons, 5 gallon pails and 55 gallon drums.

296000001-32QT	Digest Plus	12 x 1 Quarts
296000001-41GL	Digest Plus	4 x 1 Gallons

Drain Demon Thickened Enzyme Treatment

DRAIN DEMON's unique thickened formula clings to sides of pipes and drain lines, increasing contact for more effective treatment. Digests and liquefies organic waste, grease and food by-products in hospi-

Open Up

Digest Plus

Drain Demon

tals, nursing homes, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets, marinas, recreational vehicles, and septic tanks. Also great for deodorizing carpet. Pleasant fragrance. Non-toxic, non-acid, non-alkaline, non-polluting, non-pathogenic, biodegradable. Contains one billion cfu per microliter of the following: bacillus subtilis, bacillus amuloliquifaciens, bacillus licheniformis, bacillus megatherium, pseudomonas fluorescens, commomonas terrigena, and bacillus firmus. Note: Optimal temperature range for maximum effectiveness is 54°–113°F; effective up to 212°F. Cold temperatures reduce the effectiveness and no bacteria activity can be expected below 40°F.

HMIS Ratings: H-0, F-0, R-0, P-A.

Available in: 12 x 1 quarts

290000001-32QT Drain Demon

Digest Plus Aerosol Foaming Drain and Odor Eliminator

DIGEST PLUS contains non-pathogenic bacteria that produce enzymes necessary for degradation of fats, oils, greases (FOG) and food by-products. Thick, rich foam expands into areas otherwise impossible to reach. 24" tube allows user to apply deep into drains and pipes where build-up occurs. Reduces odors and organic material. Contains no acid or caustics and is non-polluting. This product can also be used after treatment with drain openers to prevent future clogging and residual odors.

HMIS Ratings: H-0, F-0, R-0, P-A.

Available in: 12–20 oz. cans/case. 18 oz. net wt.

204000001-20AR Digest Plus

Charge Condensate Drain Cleaner

CHARGE is a natural solvent-based product designed to clear clogged drains and condensate drain lines. The high pressure spray through the 18" tube permits quick penetration directly to the source of the problem. Begins working immediately to flush algae, slime, hair and organic matter. Non-acid, non-caustic and contains no chlorinated solvents. Lessens need for expensive service calls to unclog drains. Harmless to plumbing and disposals. Leaves a pleasant citrus fragrance. Works great in showers, bathtubs, drain lines, grease traps and drains. Excellent for use in industrial plants, schools, hotels/motels, restaurants and janitorial services.

HMIS Ratings: H-1, F-3, R-0, P-B.

Available in: 12–20 oz. cans/case. 16 oz. net wt.

Pen Ease

Food Grade Penetrating Oil

- Light, clean, quick penetrant
- Food-processing friendly
- Speeds up disassembly & retooling
- Loosens corroded parts
- Excellent rust preventative & long-lasting lubrication

PEN EASE Food Grade Penetrating Oil is designed for use as a pen-

Pen Ease

etrating oil for applications requiring a product which meets NSF H1 requirements. It is used to loosen and free hard to remove nuts, bolts, screws, etc. This formulation is also an excellent rust inhibitor. It meets the requirements for incidental food contact and is safe for all metal surfaces and most plastics. Comes with a pinpoint spray extension applicator to reach the most difficult areas and to extend the distance it can be sprayed. Provides high-performance penetrating lubrication while maintaining food-grade integrity. A high percentage of rust inhibitors also makes this an excellent H1 spray-down oil to help eliminate rust after pressure washing or steam cleaning of equipment.

HMIS Ratings: H-1, F-0, R-0, P-A.

Available in: 12–20 oz. aerosol cans, 15 oz. net wt.

Slide Out Dry Silicone Spray—Food Grade

SLIDE OUT is designed to lubricate equipment used in the packaging and processing industry. SLIDE OUT leaves a non-staining, dry, pure silicone film to lubricate moving parts, reducing friction and wear. SLIDE OUT is heat stable from -35°F to 350°F. Also formulated as a release agent on seals and gaskets of tank closures. Lubricates all sliding surfaces except those you wish to paint. Excellent on RV slide outs. Use on sticking metal, wood, rubber and plastic. Apply to cutting tables, conveyors, heat sealing equipment and slicing equipment. Waterproofs leather, canvas, rubber and chrome surfaces. Safe on all plastics. Contains no methylene chloride. Won't melt, freeze, gum or become rancid. Concentrated—a little goes a long way.

HMIS Ratings: H-1, F-3, R-0, P-B.

Available in: 12–20 oz. cans, 11.5 oz. net wt.

Adios Drain Fly Repellent

ADIOS drain fly repellent is a thick gel that clings to pipes and drains to rid them of drain fly infestations. Repels annoying and unsanitary drain flies with Citronella, a natural fly repellent. ADIOS is biodegradable, non-toxic and non-caustic, made only with ingredients which qualify for the 25(b) exemption in EPA pesticide regulations. This product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) and is in accord with USDA 21 CFR 178.3400 and/or found on GRAS list. Use in grease traps, garbage disposals, dumpsters, sewer lines, drain lines, down pipes, and septic tanks. Great for nursing homes, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets and marinas. Not available for sale in IN.

Adios

HMIS Ratings: H-1, F-0, R-0, P-A.

Available in: Quarts, gallons, 5 or 6 gallon pails and 55 gallon drums.

Lights Out Bed Bug Killer

LIGHTS OUT is a water-based pesticide developed especially to control bed bugs. When applied as directed on the labeling, Lights Out will kill bed bugs on contact. 100% mortality occurs within 5-10 minutes of application, depending on life stage. Lights Out is also effective on other insects, cockroaches, ants, millipedes, carpet beetles, and fleas. Any of the listed insects coming into contact with a surface treated with Lights Out will be killed for up to 30 days after application. Lights Out Bed Bug Killer is made only with ingredients which qualify for the 25(b) exemption in the EPA Pesticide Regulations. The US EPA has identified a group of naturally derived chemicals as having pesticidal qualities which exhibit very low if any toxicity. These chemicals are identified in a special section of the EPA pesticide regulations known as section 25(b). In addition, the US EPA has identified a list of inert ingredients, again those which are generally considered to have very low to no toxicity, which can be used to formulate a pesticide with the 25(b) active ingredients. These products are not required to be registered as a pesticide by the EPA. Not available for sale in IN.

ODOR CONTROL

Prodigious Malodor Neutralizer

PRODIGIOUS neutralizes all types of malodors, particularly those left by marijuana, leaving a pleasant citrus fragrance. Effectively eliminates other odors, such as those caused by urine, feces, decay, rancidity, animals, fire, tobacco smoke and cooking. Each can neutralizes odors in up to 6,000 cu. ft. of space. This product is not a cover up but chemically destroys the odor molecule, thus eliminating offensive odors. Freshens stale air and fabrics without the worry of wetness, staining and residue. Deodorizes the area leaving it smelling fresh and clean. Areas of use include homes, meeting rooms, offices, hospitals, nursing homes, auto detail shops, veterinary clinics, sports clubs, shopping malls, bathrooms, and eating establishments.

HMIS Ratings: H-1, F-3, R-0, B.

Available in: 12-8 oz. cans/case, 6 oz. net wt.

304000001-08AR Prodigious

Out Cold Neutral Fragrance

OUT COLD quickly eliminates tough smoke odors from cigarettes, marijuana, cigars, tobacco and fire. Also works great on vomit, urine, trash, pets, bathroom and kitchen odors. Use to neutralize smoke odor in used cars, hotel rooms, bars, restaurants, homes and at the office. Excellent for public buildings to keep a fresh air environment! Freshens stale air and fabrics without the worry of wetness, staining and residue. Deodorizes the area leaving it smelling fresh and clean.

HMIS Ratings: H-1, F-3, R-0, A.

Available in: 12-6 oz. cans/case, 5 oz. net wt.

364000001-06AR Out Cold

METERED AIR FRESHENERS

The FIESTA line of metered air fresheners chemically works to neutralize unpleasant odors. Products can be used in conjunction with many automatic actuating aerosol dispensers that deliver fresh fragrance every 15 minutes.

One can will keep an area constantly deodorized for up to 30 days. All of the active ingredients are released, making this the most effective technology for odor counteracting on the market today. The fine, dry mist is non-staining. The fragrance stays
