Chain & Cable Lubricant with Moly

This high speed chain and cable lubricant with moly is specially designed to provide maximum protection to wire ropes and chains of all types. This product will completely penetrate into the strands of wire ropes providing the ultimate in lubrication. This product will not build up on chains to attract dust or dirt, but will provide complete lubrication on rollers, pins and bushings. Continued use of this product reduces chain whip, vibration and noise, also protects against galling, seizing and wear, thus adds life to chain cable and sprockets.
