EXPRESS WIPES VINYL & RUBBER PROTECTANT towels are the fast and easy way to clean and protect all surfaces of your vehicle. Premoistened with an advanced water-based silicone formula, EXPRESS WIPES VINYL & RUBBER PROTECTANT towels condition and protect leather, vinyl, plastic and rubber surfaces, both inside and outside the vehicle, while they clean and restore the surface's original shine.

EXPRESS WIPES VINYL & RUBBER PROTECTANT keeps dashboards from drying, cracking and fading under the intense rays of the sun. They also clean and restore the "showroom shine" to parts: side moldings, rubber bumpers, cup holders, door and window seals and even plastic hub caps. Best of all, EXPRESS WIPES VINYL & RUBBER PROTECTANT towels have a special added anti-static ingredient that repels dust and keeps surfaces looking new long after they've been cleaned.
