

# NSF PRODUCT LINE: A1, A3, A5, C1, H1

## NSF A1

### GENERAL CLEANERS

**2031 NU-VIEW**  
Concession & Food Equipment Cleaner  
*Powerful, non-toxic degreasing foam for cleaning food equipment (use on cold surfaces)*

- Safe on most surfaces including plexiglass, formica, acrylics, chrome and aluminum
- Removes oils, sugar, starch, protein residues
- Eliminates oxidation odors
- Ideal for equipment such as hot dog boilers, coffee bean grinders, food display cases, etc.

Compare to: Claire Concession Cleaner

**5260 MAIN EVENT**  
Food Surface Cleaner / Degreaser  
*Water-based foaming degreaser*

- Safe for food contact surfaces and in food handling and processing areas
- Removes heavy grease accumulations from chains, cables, parts, equipment
- Phosphate-free, non-flammable, biodegradable

Compare to: Kent Foam Cleaner

## NSF A3

### ACID CLEANERS FOR SCALE REMOVAL

**6662 SHINY NICKEL**  
Ice Machine Cleaner  
*Quickly removes lime scale from stainless steel and nickel-plated steel*

- Contains special inhibitors to minimize corrosion
- Effectively cleans scale from all metal surfaces
- USDA approved
- Removes built-up lime scale eliminating the cause of equipment jamming
- Improves ice quality and capacity.

Compare to: Manitowoc Metal-Safe Ice Machine Cleaner

**3015 GROUNDS KEEPER**  
Coffee Urn and Pot Cleaner  
*Eliminates unsightly mineral buildup & oil deposits*

- Quick and easy way to keep coffee pots fresh and odor free.
- Cleans and maintains all major brands
- Phosphate-free and biodegradable
- Descales to Maintain Optimum Brewing Time

Compare to: Keurig Descaling Solution

## SURFACE CLEANERS IN INEDIBLE PRODUCT AREAS

### 2160 SLEEK Beeswax Furniture Polish

*Preserves, Protects, Beautifies Fine Woods*

- Restores color & luster
- Cleans away dust, fingerprints, stains and smudges
- Helps resist water rings and protects fine woods

Unique, one of a kind product!

### 2490 BRILLIANCE Stainless Steel Cleaner

*Cleans, Polishes & Protects Without Hard Rubbing!*

- Excellent for stainless steel, chrome, aluminum and brass.
- Remove smudges, soil and stains
- Forms shield that resists water marks & rusting

Compare to: Claire Stainless Steel Cleaner

# NSF H1

## GENERAL LUBRICANT: INCIDENTAL CONTACT

### 5270 LINK WISE Food Grade Semi-Synthetic Chain Lube

*Combination of synthetic lubricants & mineral oil*

- Temperature range: 0°F - 325°F
- Use on conveyor chains, packaging equipment, food service carts, sliding tracks, filling equipment, open drives, and more
- High flash point

Compare to: CRC Chain Lube

### 5280 PEN EASE Food Grade Penetrating Oil

*Light, clean, quick penetrant*

- Loosens corroded parts
- Gives long-lasting lubrication
- Speeds up disassembly, retooling
- Excellent rust preventative

Compare to: CRC Food Grade Penetrating Oil

### 5380 SLIDE OUT Dry Silicone Spray Food Grade

*Concentrated, dry, pure silicone film*

- Heat stable from -30°F to 300°F
- No sticky residue, safe for plastics
- Won't melt, freeze, gum or become rancid
- Complies with FDA regulations, CFR title 21, paragraph 178.3570 when fully cured

Compare to: JAX DryGlide Food Grade Silicone

### 5400 PURITY Food Grade Lubricant & Protectant

*Sanitary lubrication of food processing equipment*

- Non-toxic, odorless, tasteless
- Silicone-free
- Operating range: 0°F to 300°F
- Complies with FDA regulations, CFR Title 21, paragraph 172.878 & 173.3620

Compare to: Arvoe Crown Food Grade Machinery Oil

### 5770 EZ LUBE (aerosol) L108 EZ LUBE (tube) Food Grade White Grease

*Superior metal-to-metal characteristics*

- Lubricates, reduces friction & wear
- High viscosity, clings to vertical surfaces
- Temperature range: -40°F to 550°F
- Excellent adhesion; resists throw-off & wash-out

Compare to: Sprayon White Food Grade Grease

### 6220 PURITY Food Grade Lubricant & Protectant

*Lubricates food preparation appliances, machinery*

- 100% biodegradable & odorless
- Excellent metal surface cleaner & polish
- Petroleum white mineral oil
- Meets 21 CFR 172.878, 178.3620, 573.680

Compare to: Arvoe Crown Food Grade Machinery Oil

# NSF A5

## FREEZER FLOOR & WALL CLEANERS

### 6664 GLACIER CLEAN Heavy Duty Freezer Cleaner

*Cleans & de-ices all cold storage and freezer areas.*

- Effective to -20° F
- Safe for plastic, concrete, most metal freezers, floors, walls
- Quickly penetrates ice for easy removal of dirt, grease, grime

Compare to: Diversey Freezer Floor Cleaner
