PRODUCT INFO

SHAKE WELL BEFORE USING

A powerful carpet stain and spot remover. Contains strong cleaners and degreasers to remove stains due to dirt, ink, grease, oil, mud, ketchup, urine, vomit, coffee, tea, alcoholic beverages, soft drinks and blood. Upside down spray valve allows easy application. Stream spray concentrates product on spots and stains without heavy overspray. This product quickly saturates materials for instant cleaning. Leaves no residue. Contains no solvents which might soften carpet backings. This product also contains an odor neutralizer which destroys odors due to urine, vomit and blood through oxidation catalysis. A pleasant fragrance remains.

USE PRECAUTIONS: Although this product will not harm most carpet fabrics, the carpet needs to be tested for color fastness prior to using. To test for color fastness, spray small area of carpet in a hidden or out of the way spot and let dry. If product discolors carpet, contact supplier before using. Do not use on white or light colored carpet. Do not oversaturate. Product could penetrate to backing and leave spotting. Blot up cleaner thoroughly after application leaving carpet dry. If can is cold, product will foam but this will not impede the effectiveness of the product. Do not use in combination with any other stain or odor removing chemical(s).

NOTE: This product was specifically designed to remove stains and spots from carpet. Use on any other type of material such as upholstery fabric, curtains or clothing will NOT be warranted by the manufacturer.

DIRECTIONS FOR USE: Can sprays upside down only. Remove protective cap. Shake well. Hold can upside down. Point opening in spray tip towards spot or stain. Depress the tab on the top of the spray tip to spray. Hold can at arm's length. It is not necessary to bend down to apply this product. Apply in short bursts until spot or stain is covered. Allow a short period of time for spotter to penetrate stain. Blot spot with a clean cloth working from center of stain out. Stain or spot will be gone in seconds. Excessive deposits of grease, oil or ink may require additional applications. Wait until material is dry before reapplying.

MODO DE EMPLEO: El bote se usa hacia abajo únicamente. Remueva la tapa protectora, agítese bien. Póngalo hacia abajo. Apunte el aplicador hacia la mancha. Presione el aplicador. Mantenga el bote a la altura de la mano. No es necesario agacharse. Aplique poco a poco hasta que la mancha este

cubierta. Permita un corto tiempo para que el producto actúe. Limpie con un trapo del centro hacia afuera. La mancha se removerá en segundos. Depósitos de grasa, aceite o tinta pueden necesitar más de una aplicación. Permita que la alfombra se seque antes de volver a aplicar. No se use en alfombras blancas o de colores ligeros.

WARNING: Contains gas under pressure; may explode if heated. Causes serious eye irritation. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Pressurized container - Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear eye protection. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: get medical attention.

ADVERTENCIA: Contiene gas bajo presión; puede explotar si se calienta. Provoca irritación ocular grave. Mantener alejado del calor, chispas, llamas abiertas y superficies calientes. -No Fumar. Recipiente a presión - No perforar ni quemar, incluso después de su uso. Proteger de la luz solar. No exponer a temperaturas superiores a 50°C/122°F. Almacenar en un lugar bien ventilado. Lávese bien las manos después de manipular. Use protección para los ojos. En caso de contacto con los ojos: enjuagar cuidadosamente con agua durante varios minutos. Quite los lentes de contacto, si están presentes y son fáciles de hacer. Continúe enjuagando. Si la irritación ocular persiste: busque atención médica.

CONTAINS (CAS#): Water (7732-18-5), Butoxyethanol (111-76-2), Butane (106-97-8), Isopropanol (67-63-0), Propane (74-98-6), Cinnamal. For more ingredient information visit www.QUESTSPECIALTY.COM
