These wipes are premoistened with a powerful formula designed to clean and polish stainless steel surfaces while protecting them against the damaging effects of oxidation and corrosion. They will remove hard-water stains, smudges, fingerprints, food spills and residue from virtually any stainless steel surface or appliance. As they clean, they also brighten, polish and protect the surface with a clear coating that acts as a protective shield. These wipes also work on other types of metals including brass, silver, chrome, and copper.

DANGER: May be fatal if swallowed and enters airways. May cause an allergic skin reaction.

Keep away from flames and hot surfaces. -No smoking. Wear protective gloves and eye protection. In case of fire: use dry chemical, foam, or carbon dioxide to extinguish. Store in a well-ventilated place. Keep cool. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Avoid breathing fumes. Contaminated work clothing must not be allowed out of the workplace. If on skin: Wash with plenty of water. If skin irritation or rash occurs: Get medical advice or attention. Wash contaminated clothing before reuse. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations.

PELIGRO: Pueden ser mortales si se ingieren y entra en las vías respiratorias. Puede provocar una reacción alérgica en la piel.

Mantenga lejos de llamas y superficies calientes. -No Fumar. Use guantes protectores y protección para los ojos. En caso de incendio: Utilice químico seco, espuma o dióxido de carbono. Almacene en un lugar bien ventilado. Mantenga en un lugar fresco. Si se ingiere: Llame inmediatamente a un centro de control de venenos o un médico. NO induzca vómito. Evite respirar los humos. Ropa de trabajo contaminada no se debe permitir sacar del lugar de trabajo. Si en la piel: Lave con bastante agua. Si ocurre irritación en la piel: Obtenga atención médica. Lave la ropa contaminada antes de usar. Guarde bajo llave. Elimine el contenido y el recipiente de acuerdo con las ordenanzas locales, estatales, y reglamentos nacionales.

DIRECTIONS: Scrub surface with abrasive side of towel until stains and deposits disappear. Use the smooth side to wipe the surface clean. Discard used towel. For a super shine, buff lightly with a soft, dry towel after application.

INSTRUCCIONES: Estregue la superficie con el lado abrasivo de la toalla hasta que la mancha y depósitos se desaparezcan. Use el lado suave de la toalla para limpiar la superficie. Bote la toalla usado. Para un gran brillo, pule levemente con una toalla seca, suave después de la aplicación.

DIRECTIONS FOR DISPENSING:

1. Remove lid by lifting upward. Remove foil seal.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

COMO USAR EL DISPENSARIO:

1. Levante la tapa para removerla.
2. Estire una toalla del centro del rollo y hágalo pasar por ranura en forma de "X" en la tapa.
3. Cierre la tapa. Estire la toalla a un ángulo de 90°.
4. Asegúrese de cerrar la cejilla de la tapa para mantener las toallas húmeda.

INGREDIENTS (CAS#): Isoparaffinic Hydrocarbon (64742-47-8), Mineral Oil (8042-47-5), Blend of Nonionic Esters (Proprietary), d-Limonene (5989-27-5), Perfumery Compound (Mixture), Benzyl Alcohol (100-51-6), Vitamin E (59-02-9), Linalool (78-70-6), Citral (5392-40-5).
