

MAINTAINING MANUFACTURING PLANTS

Manufacturing plant maintenance can present some challenging issues ... from greasy floors to sweating pipes to keeping equipment in good operating condition. QuestSpecialty has products to keep manufacturing plants running smoothly.

EQUIPMENT: GENERAL MANUFACTURING

- 5340 MR MECHANIC**
Light-Duty Penetrating Lubricant
- FOR LIGHT DUTY**
- 4-in-1 performance:
 - Displaces moisture
 - Lubricates
 - Penetrates
 - Prevents corrosion
 - USDA authorized
 - Greaseless lubricant

- 5830 SAFE BET**
Penetrating Grease
- FOR GENERAL PURPOSE**
- Multi-purpose lithium complex lubricant
 - 50 state VOC compliant
 - Methylene chloride-free formula
 - Sprays like an oil; sets-up to tough grease in minutes
 - Temperature range: 0°F to 350°F

- 3780 ORANGE SOLV PLUS**
Organic d-Limonene Degreaser
- 99% ORGANIC INGREDIENTS**
- Degreaser & deodorizer
 - Replaces petroleum-based products, chlorinated solvents, butyl cellosolve
 - Biodegradable
 - No caustics, acids, phosphates
 - Extremely versatile - cleans industrial equipment, grease traps, unpainted concrete
 - Removes graffiti, adhesives, tar.

EQUIPMENT: FOOD PROCESSING

- 5280 PEN EASE**
Food Grade Penetrating Oil
- PENETRANT / LUBRICANT**
- NSF H1 rated
 - Light, clean, quick penetrant
 - Loosens corroded parts
 - Pin-point spray extension reaches difficult areas
 - Provides long-lasting lubrication
 - Speeds up disassembly and retooling

- 5270 LINK WISE**
Food Grade Semi-Synthetic Chain Lube
- CHAIN / CABLE LUBE**
- NSF H1 rated
 - High flash point
 - Tacky formula resists sling-off & water washout
 - Deep penetrating foam
 - Temperature range: 0°F to 325°F

- 5380 SLIDE OUT**
Dry Silicone Spray Food Grade
- SILICONE FILM / RELEASE AGENT**
- NSF H1 rated
 - Tank closure seal/gasket release agent
 - Waterproofs leather, canvas, rubber, chrome surfaces
 - No methylene chloride
 - Won't melt, freeze, gum or become rancid
 - Temperature range: -35°F to 350°F

SPECIALTY MAINTENANCE

5880 SURROUND

Cold Pipe Insulation Spray

PREVENTS SWEATING PIPES

- Ready-to-use
- Dries to hard coating which can be painted
- Expanding spray conforms to irregularly shaped surfaces
- Repairs wrap around pipe insulation, prolonging life

5910 WONDER

Acoustical Ceiling Tile Restorer

RESTORES TILE APPEARANCE

- Covers variety of stains and damage
- Will not compromise fire retardant value or sound absorption properties
- Permanently bonds to surface
- One can covers 12 to 15 tiles

5960 REVIVE

Rust Converter

CONVERTS RUST TO COATING

- Chemically converts rust to inert black polymer-based coating
- Prevents future rust from forming
- Eliminates brushing, sandblasting, scraping before painting rusted surfaces
- Allows painting of treated surface

FLOOR MAINTENANCE

2670 POWER SOLV

Butyl Cleaner

HEAVY DUTY CLEANER

- USDA authorized
- Concentrate: 1:20 dilution
- Contains corrosion inhibitors
- Removes grease, oil, tar, heavy grime, soot
- No acids or abrasives

2660 DYNAMITE

General Purpose Cleaner

HEAVY DUTY CLEANER

- USDA authorized
- Concentrate: 1:40 dilution
- Removes grease, oil, tar, heavy grime, soot
- No acids or abrasives
- Can also use on walls, tile, metal, porcelain, concrete

2640 ZIP

Citrus Cleaner and Degreaser

HEAVY DUTY DEGREASER

- USDA authorized
- Concentrate: 1:20 dilution
- Non-flammable
- Great for floors and removing black tire marks
- d-Limonene based

LOADING DOCKS / EXTERIORS

4520 DOOM

2,4-D Weed Killer

SOLVENT-BASED SPRAY

- EPA registered
- Combination: 2, 4-D & Bromacil
- Rapid top kill
- Prevents future growth of all weeds up to 1 year
- Sprays upside down for convenient application

4320 ON TIME

Metered Insecticide

AUTOMATICALLY DISPENSED

- Effective on flies, gnats, mosquitoes
- Fits most universal dispensers
- Treats up to 6,000 cubic ft. for approximately 30 days
- USDA authorized

5500 PIERCE

Penetrating Lubricant

4-IN-1 PENETRANT/LUBRICANT

- Penetrates, lubricates, prevents corrosion, displaces moisture
- Wicking action crawls up threads for immediate penetration
- USDA authorized
- Loosens frozen metal parts
- Non-flammable, non-conductive to 30,000 volts.
