

GYMS / FITNESS CLUBS

Gyms and fitness clubs have unique maintenance needs as visitors are there for one purpose ... to sweat! This adds an additional challenge to the diverse areas of the building with different needs for cleaning, disinfecting and maintenance. QuestSpecialty has a product for every area of gyms and fitness clubs.

EQUIPMENT - CLEANING/DISINFECTING

The average exercise bike has 39 times more bacteria than a cafeteria tray, Free weights have 362 times more germs than a toilet seat and treadmills average 74 times more bacteria than a public restroom faucet.¹

FOR USER WIPE-DOWN OF EQUIPMENT
6560 EXPRESS WIPES SANI-CLEAN All Surface Cleaner

- One-step cleaning and deodorizing
- Pleasant tropical fragrance
- Wall dispenser for convenience
- 1600 pre-moistened wipes per container

FOR END-OF-DAY DISINFECTING
2930 GERM AWAY Foaming Germicidal Cleaner II (RTU)

- EPA registered, Ready-to-Use
- One-step, cleaner-disinfectant
- Broad spectrum germicide
- Formulated to disinfect inanimate hard surfaces
- Pleasant floral fragrance
- Also available in aerosol - 2170 GERM AWAY Foaming Germicidal Cleaner

EQUIPMENT - MAINTENANCE/LUBRICATION

Many elliptical machine manufacturers recommend using a lithium grease for lubrication. For lubricating the belt on a treadmill, the most popular recommended product is 100% silicone. If the weight stack is sticking, use a silicone spray with PTFE. We recommend always checking with your manufacturer to assure the proper product is being used.

- FOR ELLIPTICAL MACHINES**
5830 SAFE BET Penetrating Grease
- Lithium complex lubricant, penetrant
 - Changes from a fluid to a tough, protective grease in minutes
