DIGEST PLUS contains non-pathogenic bacteria that produce enzymes necessary for degradation of fats, oils, greases and food by-products. Thick, rich foam expands into areas otherwise impossible to reach. 24" tube allows user to apply deep into drains and pipes where build-up occurs. Reduces odors and organic material. Contains no acid or caustics and is non-polluting. This product can also be used after treatment with drain openers to prevent future clogging and residual odors. Eliminates fats, oils, grease and odors in disposals, grease traps, septic tanks, downpipes and drain lines. For use in restaurants, kitchens, bathrooms and recreational vehicles.

DIRECTIONS FOR USE: Attach the tube to the spray nozzle. Direct tube down drain or disposal and spray until foam is visible. Allow ample time for product to penetrate and break down build-up. Re-apply product periodically to maintain and keep the drain pipe and disposal clean and odor free.

MODO DE EMPLEO: Conecte el tubo a la boquilla de pulverización. Dirija el tubo por el desagüe o desecho y rocíe hasta que la espuma sea visible. Deje suficiente tiempo para que el producto penetre y descomponga la acumulación. Vuelva a aplicar el producto periódicamente para mantener y mantener la tubería de desagüe y el desecho limpios y sin olores.

DANGER: Contains gas under pressure; may explode if heated. Causes serious eye damage. Keep away from heat, sparks, open flames and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wear eye protection. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor. Dispose of contents and container in accordance with local, state, and federal regulations.

PELIGRO: Contiene gas a presión; puede explotar si se calienta. Provoca lesiones oculares graves. Mantener alejado del calor, chispas, llamas abiertas y superficies calientes. No fumar. No rocíe sobre un llama abierta u otra fuente de ignición. Envase presurizado: No perforar ni quemar, incluso después de su uso. Proteger de la luz solar. No exponer a temperaturas superiores a 50°C/122°F. Almacenar en un lugar bien ventilado. Use protección para los ojos. Si en los ojos: Enjuague cuidadosamente con agua durante varios minutos. Quitese los lentes de contacto, si tiene y es fácil hacerlo. Continúe enjuagando. Inmediatamente llame a un centro de envenenamiento o médico.

CONTAINS (CAS#): Water (7732-18-5), Petroleum gases, liquefied, sweetened (68476-86-8), Non-pathogenic bacteria (N/A), Alcohols, C9-11, ethoxylated (68439-46-3), Fragrance (N/A).
