**GRAFFITI GONE** contains blended solvents for removing most graffiti markings found in public places. Markings found on restroom walls, road signs, billboards, sidewalks, pavements, bridges, buses, trucks and buildings are easily removed. This product will not harm aluminum, steel glass, concrete, porcelain, brass, chrome, marble, brick or most terracotta surfaces. Be sure to pre-test in hidden areas for surfaces susceptible to solvent damage such as plastic, painted surfaces, rubber asphalt tile and other synthetic surfaces. This formula is authorized by the USDA for use in federally inspected meat and poultry plants.

**DIRECTIONS FOR USE:** Shake can well. Pre-test on hidden areas as indicated above. On smooth surfaces, spray directly on surface, allow solvent to react with markings and wipe away. On rough surfaces, spray directly on surface, use brush to remove markings and dry with cloth.

**MODO DE EMPLEO:** Agítese bien. Pruebelo en un área pequeña y escondida. En superficies lisas, rocíe directamente, permita que el solvente reaccione con las marcas antes de limpiar. En superficies ásperas, rocíe directamente a la superficie, use un cepillo para remover las marcas y seque con un trapo.

**DANGER:** Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes skin and serious eye irritation. Harmful if inhaled. May cause drowsiness or dizziness. Inhaled: May be fatal if swallowed and enters airways. May cause damage to auditory system through prolonged or repeated exposure. Keep away from heat, sparks, open flames and hot surfaces. - No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves and protective glasses. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Dispose of contents and container in accordance with local, state, and national regulations. Avoid breathing fumes, mist, vapors, and spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.

**PELIGRO:** Aerosol. Extremadamente inflamable. Contiene gas a presión. Puede explotar si se calienta. Causa irritación de la piel y ocula grave. Muerte en caso de inhalación.
