OUT OF SIGHT rejuvenates carpet and upholstery to like-new condition. Restores texture of nap and pile and leaves a pleasant fragrance. Heavy-duty foam penetrates deep into surface and lifts out grease, dirt and debris. Actually breaks down protein and organic soils and stains such as blood, cosmetics, urine, fecal matter, coffee, Kool-Aid®, ink, wine, iodine, spoiled foods, vomit, pet stains, mildew, etc. Will not harm fragile automobile finishes.

Recommended For Spot Cleaning: Carpet, Upholstery, Textiles, Vinyl and Synthetics.

DIRECTIONS FOR USE: Shake well before using. Always test carpet in a small, inconspicuous area for colorfastness and damage to fiber or backing as carpeting quality varies widely. Spray soiled surface until moist. Allow at least 5 minutes chemical action time, then blot up with damp turkish towel or clean cloth. If spot remains, brush pile in opposite direction and retreat. For pre-spotting before shampooing carpet or laundering textiles, saturate spots and stains and agitate. For extreme conditions, repeat process. For Kool-Aid® and other hard to remove stains, wet surface thoroughly with product and allow to remain for at least 30 minutes. Remove using a neutral soap and water solution. Repeat if necessary.

DANGER: Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes eye irritation. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses,

if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.

PELIGRO: Aerosol Extremadamente Inflamable. Contiene gas a presión; Puede explotar si se calienta. Causa irritación ocular. Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. -No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perforo ni queme, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada. Lave las manos en fondo después de utilizar. Si en los ojos: Enjuague cuidadosamente con agua por varios minutos. Remueva lentes de contacto, si están presentes y fáciles de hacer. Continúe enjuagando. Si persiste la irritación ocular: Obtenga atención médica.

CONTAINS (CAS#): Water (7732-18-5), Diethylene Glycol Monobutyl Ether (111-34-5), Propane/n-Butane (68476-86-8), Isopropyl Alcohol (67-63-0), VM & P Naphtha (64742-89-8).
