SAFE BET is a multi-purpose lithium complex lubricant, penetrant and rust preventative that changes from a fluid to become a tough, protective grease in minutes. Ideal for hard to reach areas on all door hardware and operator drive mechanisms. Once grease has set up it will outlast any regular oil or silicone. Areas of use include machinery, conveyors, chains, cables, gears, winches, tools, rollers, springs, hinges, operators and rollers. Areas of use include farms, oil rigs and refineries, bottling plants, dairies, paper mills, cotton gins, air conditioning, industrial plants, textile plants, lumber mills, cement plants and automotive, motorcycle, marine repair. 50 state VOC compliant.

DIRECTIONS: Spray a thin film on surfaces to be lubricated. For best results, spray in short bursts. Material will start forming grease in minutes. Allow 15 minutes for product to fully cure.

MODO DE EMPLEO: Rocíe una capa delgada sobre las superficies que deben ser lubricados. Para obtener los mejores resultados, rocíe en ráfagas cortas. El material iniciara formando grasa en minutos. Permite 15 minutos para que el producto se cure completamente.

DANGER: Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes skin and eye irritation. May cause drowsiness or dizziness. May be fatal if swallowed and enters airways. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Avoid breathing fumes, mist, vapors, and spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove

person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations.

PELIGRO: Aerosol Extremadamente Inflamable. Contiene gas a presión; Puede explotar si se calienta. Causa irritación en la piel y en los ojos. Puede causar somnolencia o mareos. Puede ser fatal en caso de ingestión y entra por las vías respiratorias. Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. -No fumar. No pulverice en llamas abiertas u otra fuente de ignición. Envase presurizado: No perforo ni queme, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada. Lávese bien las manos después de manipular. Use guantes protectores. Si en la piel: Lave con bastante agua. Si irritación en la piel ocurre: Obtenga atención médica. Remueva la ropa contaminada lávela antes de utilizar. Si cae en los ojos; Enjuague cuidadosamente con agua durante varios minutos. Remueva lentes de contacto, si están presentes y fáciles de remover. Continúe enjuagando. Si persiste la irritación ocular: Consulte con un medico. Evite respire los humos, la niebla, vapores, o el rocío. Utilice únicamente en el exterior o en un lugar bien ventilado. Guarde bajo llaves. Elimine el contenido y envase de acuerdo con las ordenanzas locales, estatales, y reglamentos nacionales.

INGREDIENTS (CAS#): Severely Refined Mineral Oil (64742-52-5), Acetone (67-64-1), Petroleum Distillates, hydrotreated light (64742-47-8), Propane/n-Butane (68476-86-8), Heptane (142-82-5).
