Moli-Guard

DRY FILM LUBRICANT
LUBRICANTE DE CAPA SECA

Reduces Friction – Retards Wear
Temperature Range -40°F to +662°F
Molybdenum Disulfide & Graphite
Resists Pressures Up To 250,000 psi

WARNING/ADVERTENCIA
CAUSES SKIN AND SERIOUS EYE IRRITATION.
CAUSA IRRITACIÓN DE LA PIEL
Y LOS OJOS GRAVE.

NET CONTENTS: 5 GALLONS (18.9 L)

MOLI-GUARD

- Cleaner application
- Resists dust and abrasive particles
- Will not wipe off easily—chemically attracted to metal
- Permits immediate use of chain or gear after application
- Will not run off part to which applied, requires less frequent lubrication
- Can be used at higher temperatures and will not carbonize
- Replaces graphite
- Withstands water, oils, alkalies and most acids

RECOMMENDED FOR: Foundries; machine shops; automotive plants; vehicle maintenance; sewing trades; paper and corrugated converting; chemical plants; marine, oilfield, and mining operations; etc.

FOR USE ON: Oil drilling equipment, pipe threads, lathe bed and rails, chains and sprockets, road equipment, oil drilling equipment, door locks and hinges, etc. Also may be used as a release agent.

DIRECTIONS: Shake or mix container well before using. Clean surface thoroughly. Apply a thin, even film by spraying or brushing. Thick coats decrease efficiency. Dries in 1 to 3 minutes. Allow to cure 30 minutes before exposing to water.

MODO DE EMPLEO: Agite o mezcla antes de usar. Limpie bien la superficie. Aplique una delgada, aún película rociando o cepillar. Se recomienda que sean capas pequeñas. Se seca en 1 a 3 minutos. Permita que se seque 30 minutos antes de exponer a agua.

WARNING: Causes skin and serious eye irritation. Suspected of causing cancer. May cause respiratory irritation, drowsiness or dizziness. May cause damage to organs through prolonged or repeated exposure.

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not eat, drink, or smoke when using this product. Wear protective gloves and eye protection. If exposed or concerned: Get medical advice or attention. Store in a well-ventilated place locked up. Dispose of contents and container in accordance with local, state, and national regulations. Wash hands thoroughly after handling. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Do not breathe fumes, mist or spray. Use only outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Get medical advice if you feel unwell.

ADVERTENCIA: Causa irritación de la piel y los ojos grave. Se sospecha que causa cáncer. Puede causar irritación respiratoria, somnolencia o mareos. Puede causar daño a los órganos por exposición prolongada o repetida.

Obtenga instrucciones especiales antes de utilizar. No manipule antes de haber leído y comprendido todas las precauciones de seguridad. No coma, beba, ni fume cuando esté utilizando este producto. Use guantes y protección ocular. Si ha sido expuesto o preocupado: Obtenga atención médica. Almacenar en un lugar bien ventilado, bloqueado. Elimine el contenido y envase de acuerdo con las ordenanzas locales, estatales, y reglamentos nacionales. Lávese bien las manos después de manipular. Si en la piel: Lave con bastante agua. Si irritación en la piel ocurre: Obtenga atención médica. Remueva la ropa contaminada lávela antes de utilizar. Si cae en los ojos: Enjuague cuidadosamente con agua durante varios minutos. Remueva lentes de contacto, si están presentes y fáciles de remover. Continúe enjuagando. Si persiste la irritación ocular: Consulte con un médico. No respire los vapores, la niebla o el rocío. Úselo solo al aire libre o en un área bien ventilada. En caso de inhalación: Trasladar a la persona al aire libre y mantenerla cómoda para respirar. Obtenga consejo médico si se siente mal.

WARNING: This product contains chemical(s) known to the State of California to cause cancer.

ADVERTENCIA: Este producto contiene químicos sabidos por el estado de California por causar cáncer.

CONTAINS (CAS#): Methylene Chloride (75-09-2), Molybdenum Disulfide (1317-33-5), Acetone (67-64-1), Methanol (67-56-1).

HMS Ratings: Health - 2, Flammability - 1, Reactivity - 0, Personal - B.
