SDS AND
PRODUCT INFO

Industrial Grade Hand Cleaner

Convenient hand cleaner/towel combination eliminates the need for water and towels. The hand cleaner formula removes grease, tar, ink, paint and many other hard to remove soils. It conditions hands with glycerin. It is solvent free and VOC free.

In addition to hands, clean up spills, drips and splatters from most all nonporous surfaces like tools, equipment and more. The heavy-duty towel absorbs soils from your hands and other surfaces and keeps them suspended for easy removal. (U.S. patent no. 4,775,582)

DIRECTIONS:

FOR DISPENSING, remove container cover and thread one towel from center of roll through the pre-cut slot. Replace cover. Pull towels out at an angle to dispense. Always close lid tightly after use and store at room temperature.

FOR USE, wipe hands or other surface to be cleaned completely and dispose of the wipe in proper manner.

CAUTION: Always check surface for compatibility prior to use. Not recommended for use as a window cleaner.

CONTAINS (CAS#): Water (7732-18-5), Propylene Carbonate (108-32-7), Undeceth-5 (34398-01-1), Glycerin (56-81-5), Laureth-7 (9002-92-0), d-Limonene (5989-27-5), Sodium Hydroxide (1310-73-2). For more information visit www.questspecialty.com.

CAUTION:

KEEP OUT OF REACH OF CHILDREN. For external use only. In case of eye contact, flush with water for 15 minutes. Call physician if irritation persists.

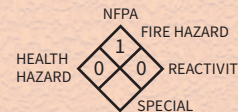

PRECAUCIÓN: NO SE DEJE AL ALCANCE DE LOS NIÑOS. Para uso externo únicamente. En caso de contacto con los ojos, enjuague con agua por al menos 15 minutos. Llame al médico.

HMIS Rating: Health - 0, Flammability - 1, Reactivity - 0, Personal - A.
