SDS AND
PRODUCT INFO

TWO-FER cleans, maintains and renews the look and feel of leather and vinyl! Restores color, beauty, glow and suppleness, whether old or new. It's a tight, dry foam that does not soak into surfaces. The light spray provides protection against moisture and other environmental hazards. Won't rub off on clothing or other surfaces. Won't leave a sticky, slick or waxy residue. Prevents drying & cracking due to sunlight & extreme weather.

PERFECT FOR USE ON

Vehicle Interiors, Leather Furniture, Luggage, Handbags, Saddles, Tack, Shoes, Boots, Sports Equipment & Many Other Leather & Vinyl Surfaces.

DIRECTIONS FOR USE: Remove any solid soils prior to spraying. Spray foam on the area to be cleaned and allow to sit 30 seconds. Then wipe with a soft clean rag to remove surface soil. Allow to dry and buff to finish. Repeat if necessary. When applied as directed, the cleaner will not sink into the vinyl/leather surface allowing for faster dry time. *Note: Not for use on suede.*

MODO DE EMPLEO: Elimine cualquier suciedad sólida antes de rociar. Rocíe espuma en el área a limpiar y deje reposar 30 segundos. Luego limpie con un trapo suave y limpio para eliminar la suciedad de la superficie. Deje secar y pule para terminar. Repita si es necesario. Cuando se aplica según las instrucciones, el limpiador no se hundirá en la superficie de vinilo/cuero, lo que permite un tiempo de secado más rápido. *Nota: No para uso en gamuza.*

WARNING: Contains gas under pressure; may explode if heated. Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place.

ADVERTENCIA: Contiene gas a presión; Puede explotar si se calienta. Mantenga lejos de calor, chispas, llamas abiertas, y superficies calientes. -No fumar. No pulverizar sobre una llama abierta u otras fuentes de ignición. Envase presurizado: No perforo ni queme, incluso después de usar. Proteja de la luz solar. No exponga a temperaturas que excedan 50°C/122°F. Almacene en un lugar bien-ventilada.

CONTAINS (CAS#): Water (7732-18-5), Propane (74-98-6), Butane (106-97-8), Propylene Glycol (57-55-6), Glycerine (56-81-5), Isopropanol. For more ingredient information visit www.questspecialty.com.
