PROTEK

Vinyl and Rubber Protectant

PROTEK cleans, polishes, preserves, shines and provides a protective transparent coating to most surfaces. Penetrates deep to prevent drying, cracking, fading, and hardening.

USE ON: Tires, dashboards, vinyl seats, trim, boat seats, and furniture. This versatile protectant can also be used on acrylic, metal, veneer, chrome, leather, stainless, and brass.

Note: Before using on leather, test in a small, inconspicuous area before applying to entire surface to be cleaned.

DIRECTIONS FOR USE:

Apply PROTEK to pre-cleaned, dry surface. Wet soft, dry cloth evenly with Protek, then apply to surface. Repeat as often as necessary to maintain surface. AVOID SPILLING ON FLOORS. MAY CAUSE SLIPPING.

MODO DE EMPLEO:

Aplique PROTEK en una superficie limpia y seca. Humedezca un trapo suave con Protek, después aplique sobre la superficie. Repita tanto como sea necesario para darle mantenimiento a la superficie. EVITE DERRAMES EN EL PISO. PUEDE CAUSAR RESBALONES.

Contains (CAS#): Water (7732-18-5), Polydimethylsiloxane (63148-62-9), Nonoxynol (127087-87-0). For more ingredient information visit www.questspecialty.com.
