NEW PRODUCTS: Dazzle and Fifty Nifty!

2100 DAZZLE

All-Surface Cleaner, Degreaser & Deodorizer

Unique **PLUMERIA Fragrance** makes it an employee favorite. Great performance capabilities that make it a perfect fit for **hospitality, health care, offices and education.**

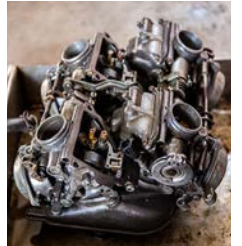

It is **safe to use on multiple surfaces** enabling some users to reduce their inventory of cleaners.

8095 FIFTY NIFTY

Parts Cleaner and Degreaser

As states start to develop their own VOC regulations it makes it increasingly difficult for distributors selling across state lines to offer a high performance parts cleaner and degreaser that is VOC compliant in all states.

FIFTY NIFTY was developed to address the multi VOC regulations and help distributors control their inventories as well **maintain product compliance in the states** they sell.

We've
expanded our production capabilities
including adding a
3RD AEROSOL LINE!

It's a **ROTARY FILL LINE** that provides us the ability to fill CO2 products **more efficiently and effectively.**

See our full capabilities on our newest flier

2130 SHEEN
is now in a sleek
DS Can!

DS cans are now an option so please visit us to explore new ideas to enhance your packaging program.

If you can't make it to ISSA...
