

GLACIER CLEAN

HEAVY DUTY FREEZER CLEANER

DESCRIPTION

GLACIER CLEAN is a strong solvent and detergent blend formulated to effectively clean and de-ice all cold storage and freezer areas. Quickly penetrates ice for easy removal of dirt, grease and grime. Eliminates the need for defrosting. No mixing or dilution required. Bio-degradable formula is VOC compliant, has no unpleasant odors. May be used with auto scrubbers, rider scrubbers or manual cleaning. Contains no methanol. Leaves no slippery residue, so rinsing is not required.

APPLICATIONS

Safe for use on plastic, concrete and most metal freezers, floors, walls, equipment and racks. For use in restaurants, food processing, grocery stores and in food transport.

FEATURES & BENEFITS

- Effective to -20°F
- Odorless
- Safe on concrete, plastic & most metals
- Removes ice
- Ready to use

SPECIFICATIONS

FORM: Water-Based Liquid
ODOR: Alcohol Solvent
COLOR: Clear
DETERGENCY: N/D
TOXICITY: N/D
WETTING ABILITY: Saturates
STORAGE STABILITY: 1 Year +
COLD STABILITY: -20°F
PHOSPHATES: None

FLASH POINT: > 200°F (93.3°C)
FLAME EXTENSION: N/A
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.06
% VOC: 6%
pH: 10.5-11.5
PROPELLANT: N/A
EVAPORATION RATE: N/D
BIODEGRADABILITY: N/D

LABEL INFORMATION

GLACIER CLEAN HEAVY DUTY FREEZER CLEANER

GLACIER CLEAN is a strong solvent and detergent blend formulated to effectively clean and de-ice all cold storage and freezer areas. Quickly penetrates ice for easy removal of dirt, grease and grime. Eliminates the need for defrosting. No mixing or dilution required. Bio-degradable formula is VOC compliant, has no unpleasant odors. May be used with auto scrubbers, rider scrubbers or manual cleaning. Contains no methanol. Leaves no slippery residue, so rinsing is not required. Safe for use on metal, plastic or concrete surfaces.

DIRECTIONS FOR USE: Food products, if not removed, should be protected during use of GLACIER CLEAN. Do not dilute.
AUTO SCRUBBERS: Use a heavy-duty pad such as steel wire. Fill supply tank with GLACIER CLEAN. Apply solution with scrubbing action and allow to set for 5 minutes, or until ice and frost begin to melt. Lower the squeegee blade, scrubbing again, and remove. A double scrubbing process will work best.
TRADITIONAL ROTARY FLOOR CLEANER: Use a heavy-duty or steel wire brush. Apply GLACIER CLEAN by spray, mop or other means on surface to be treated, scrub and allow to set for 5 minutes, or until ice and frost begin to melt. Scrub again and remove used solution by mopping or wet vacuum.
STANDARD PHYSICAL CLEANING: Spray, mop or sponge on cleaner. Scrub or brush aggressively, then wipe or mop up soiled product.

WARNING: Causes skin and serious eye irritation. Wash hands thoroughly after handling. Wear protective gloves and eye protection. If on skin, wash with plenty of water. If skin irritation occurs, get medical advice or attention. Take off contaminated clothing and wash it before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention. Dispose of contents and container in accordance with local, state and national regulations.

CONTAINS (CAS#): Water (7732-18-5), Ethylene Glycol (107-21-1), 2-Butoxyethanol (111-76-2), Ethoxylated Alcohol (68937-66-6), Isopropyl Alcohol (67-63-0).
