QuestSpecialty is a trusted manufacturer of specialty chemicals including aerosols, liquids, powders, and wipes for use in sanitary supply, property management, industrial specialties, foodservice and fleet/transportation applications.

We provide an unsurpassed commitment to our customers in providing quality, specialty chemistry and programs to service distributor, secondary end-user, private label and master R&D strategies.

QuestSpecialty is headquartered in Brenham, Texas in a 158,000 square foot facility that houses 7 filling lines:

OUR MISSION:

QuestSpecialty Corporation is committed to providing quality products and services along with technical expertise to our customers in markets we serve.

LIQUIDS

CLEANERS & DEGREASERS

2580 - SIMPLY LAVULOUS

Lavender All-Purpose Cleaner

SIMPLY LAVULOUS is a powerful, concentrated formula that cuts through dirt yet it is gentle enough for most surfaces. This product cleans virtually any surface that requires a hard-working, fast-acting, all-purpose cleaner that complies with today's tough environmental standards. No rinsing required! Use with a mop, trigger sprayer, pressure washer or automatic scrubber.

USE ON: Floors, walls, countertops, painted surfaces, vinyl, kitchens, bathrooms, etc.

Available in 4 x 1 gals., 5 gal. pails and 55 gal. drums.

2640 - ZIP

Citrus Cleaner and Degreaser

ZIP is a multi-purpose cleaner and degreaser. Use diluted up to 1:20 for most cleaning jobs. Quickly cleans walls, floors, machinery, vinyl and carpets. Apply with a sponge, mop or sprayer. Contains strong cleaners, emulsifiers, penetrants, wetting agents and soil suspension agents. Non-flammable. Can be used to clean grease, grime, oil, soot, food, dirt, mud, ink, carbon and lipstick from floors, walls, ceilings, sinks, painted woodwork and many other surfaces. Perfect for use in restaurants, hotels/motels, apartments, industrial plants, offices, schools, drilling rigs and stores.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

2660 - DYNAMITE

Butyl Cleaner

DYNAMITE is a heavy-duty cleaner and degreaser. Can be diluted up to 40:1 with water. Use for general purpose cleaning. Powerful formula removes even the toughest soils. Dissolves dirt, grease, oil and most other soils quickly and easily. Safe to use on painted surfaces, metals and other inanimate objects. Contains no caustics, acids or abrasives. Can be used in steam cleaners, warm or cold water and rotary machines. Also used for cleaning carpets, walls and industrial machinery. Contains solvents, detergents, emulsifiers, wetting agents, sequestering agents, penetrants and corrosion inhibitors. Areas of use include restaurants, hotels/motels, apartments, industrial plants, offices, schools, drilling rigs and stores.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

2670 - POWER SOLV

Butyl Cleaner

POWER SOLV is a multi-purpose butyl cleaner. Can be diluted up to 20:1 with water. Quickly cleans walls, floors, machinery, vinyl and carpets. Removes grease, oil, dirt, grime, carbon, soot, ink, food and most other soils from concrete, carpeting, linoleum, ceilings, walls, painted surfaces and metal surfaces. Areas of use include restaurants, hotels/motels, apartments, industrial plants, offices, schools, drilling rigs and stores. Rinses completely and quickly from all surfaces. Contains strong cleaners, emulsifiers, corrosion inhibitors, penetrants, wetting agents and soil suspension agents. Contains no caustics, acids or abrasives. Non-flammable.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums. Private Label Only.

2740 - GETAWAY

Degreaser and Oil Dispersant

GETAWAY is a concentrated non-butyl cleaner. Use full strength for extra tough cleaning jobs or dilute up to 128:1 for general purpose cleaning. Equally effective in hard or soft, cold or warm water. Use to

clean grease, grime, oil, dirt, lipstick, road film, soap scum, oil spills, ink. Areas of use include schools, industrial plants, restaurants, hotels/motels, refineries, offices and oil rigs. Also use to clean up oil spills on waterways, lakes, oceans and around drilling rigs. Effective for steam cleaning and power washing. Excellent bilge cleaner.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums. Private Label Only.

2750 - MAXI GLO

Light-Duty Neutral Cleaner

MAXI GLO is an all-purpose, light-duty, non-butyl, neutral cleaner. Dilutes up to 128:1 with water. Cleans all surfaces including tile, terrazzo, porcelain, marble, concrete, wood, enamel and metal. Also for cleaning glass windows. Contains surfactants, emulsifiers and wetting agents to clean oil, grease, grime, dirt, inks and most other soils. Will not harm any surface not harmed by water. Excellent for mopping floors coated with wax or floor finish; will not remove or harm floor coatings. Effective in hard water. Pleasant cherry fragrance.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums. Private Label Only.

2780 - CLEANER DEGREASER

CLEANER DEGREASER is an economical, environmentally preferred cleaner and degreaser. Quickly flushes away grease, oil and other soils. Safe for use on all metals. Contains no ozone depleting compounds or chlorinated solvents. Leaves no residue. For use on engines, filters, walls, floors, machinery, barges, bilge pumps and equipment. Useful for steam-cleaning, pressure washing, engine cleaning and thousands of other uses including industrial plants, schools, motels/hotels, restaurants, oil fields, aviation and automotive. Economical. Biodegradable and non-flammable. Versatile. Can be used for brush, mop, manual, power spray and steam cleaning. Mild fragrance.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums. Private Label Only.

3780 - ORANGE SOLV PLUS

Organic Citrus Degreaser and Deodorizer

ORANGE SOLV PLUS contains 100% organic ingredients from natural sources, combining a naturally occurring citrus solvent, surfactants and emulsifiers to mix readily with water. Replaces petroleum based products, chlorinated solvents and butyl cellosolve to clean and degrease engines, printing presses, lift stations, sewage plants, farm equipment and industrial machinery. Removes adhesives, soap scum, tar and chewing gum. Unclogs and keeps drains running freely. Excellent graffiti remover. No caustics, acids, or phosphates. Biodegradable. Use to clean molds, dies, industrial equipment, drilling rigs, pipes, grease traps, unpainted concrete and brick. Removes scuff marks and rubber tire marks. Spot cleaner and gum remover for carpets. Removes industrial glues, tar and asphalt from many surfaces. May damage some plastics and painted surfaces. Test in an inconspicuous area prior to use. Citrus fragrance.

Available in 12 x 20 oz. cans, 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums. Quarts are private label only.

6006 - UNPLUG

Fast Evaporating Industrial Degreaser

UNPLUG removes oil, grease, tar and lubricants. Solvents evaporate completely leaving no residues on cleaned surfaces. For use on: circuit boards, electrical contacts, electric motors, machinery parts, electronic equipment, molds, textiles and more. For use in: automotive repair shops, electric services, electrical contracting, electronic computing equipment, fabricated metal products, heating and air conditioning services and more. Non-chlorinated. Due to VOC regulations, not available for sale in CA, CO, CT, DC, DE, IL, IN, MA, MD, ME, MI, NH, NJ, NY, OH, PA, RI, UT, VA.

Available in 5 or 6 gal. pails and 55 gal. drums.

6008 - HI POINT Industrial Degreaser

- Long Dwell Time
- High Flash Point
- Non-Flammable
- Biodegradable
- No VOC's

HI POINT is an industrial degreaser for use where high flash point is required or when extended contact time is necessary. Use to clean electrical contacts, circuit boards, machines, electric motors, electronic equipment, machine parts, and heavy oil from equipment.

Available in 5 or 6 gal. pails and 55 gal. drums.

6060 - QUIK SOLV Solvent Degreaser

QUIK SOLV provides industry an alternative to products containing chlorinated solvents. Dries quickly, leaving no residue. The low-odor, non-flammable, non-conductive formula cleans and degreases electric motors, power tools, printing presses, refrigeration and air conditioning equipment, generators and starters, office machines, most metals including steel, nickel, zinc, titanium, galvanized steel, copper, magnesium, brass and tin plate. Also safe for use on some plastics, including those used in contact and circuit board construction. May affect certain types of plastics, such as PVC, ABS, acrylic styrenes, and polycarbonates. If unsure of compatibility, test in an inconspicuous area prior to use.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Gallons are private label only.

6110 - QUIKLEEN II Solvent Cleaner

QUIKLEEN II is a non-flammable solvent cleaner. Has no flash point at any temperature. Medium evaporation—leaves no residue. Quickly dissolves grease, oils, soil and dirt. Areas of use include industrial plants, machine shops, institutions, automotive industries and hospitals. Specially formulated for use on electric motors even while running, gas engines, machinery, circuit boards, ignition systems, generators, power tools and electronic equipment. Has a dielectric strength of 29,000 volts. Contains no Carbon Tetrachloride or 1,1,1 Trichloroethane.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Gallons are private label only.

CLEANING AIDS

2800 - GLEAM Non-Ammoniated Glass Cleaner

GLEAM cleans glass, porcelain, tile and vinyl. Dries quickly, leaving no residue behind to streak cleaned surfaces. Leaves glass sparkling. Removes oil, greasy fingerprints, bugs, lipstick and other soils found on glass surfaces. Combines emulsifiers, surfactants and solvents to give rapid cleaning action. Spray on and wipe off.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

2830 - TUFSTUFF Oven and Grill Cleaner

TUFSTUFF is a caustic-based oven and grill cleaner. Extra thick liquid adheres to all surfaces without running to insure complete penetration and cleaning of cooking surfaces. Restores cooking surfaces to original shine. Removes even the most stubborn cooked-on food, grease and baked-on carbon. Works by saponification of baked-on fats and oils and the dissolution of carbon. Works on stoves, ovens, rotisseries, drip pans, hoods, barbecue grills, pots and pans and cooking utensils. Areas of use include restaurants, schools, cafeterias and lunchrooms. NOTE: Do not use on aluminum, galvanize, copper, painted surfaces, continuous or self cleaning ovens. Wear safety glasses and gloves during use.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

2950 - PINK DISHWASH Concentrated Dishwashing Detergent

PINK DISHWASH is specially formulated for sparkling clean dishes and spot

free glasses. This product is lotionized with delicate skin conditioners to prevent skin dryness and cracking. No harsh alkalis to irritate skin. Provides a controlled pH. Performs well in hard water. Leaves no scum or film on utensils when rinsed well. May also be used on fine fabrics such as lingerie, nylons and woolens. Excellent for use in restaurants, hotels/motels, hospitals, institutions, schools and homes. Works great on dishes, cooking utensils, pots, pans, sinks, counter tops, stove tops and food preparation areas.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

3000 - OPEN UP Alkaline Drain Opener

OPEN UP is a powerful ready to use caustic drain opener and maintainer. This product will clear clogged drains of hair, paper, grease, oil and other organic matter. Works within minutes. Keeps drain lines open and thus reduces mal-odors generated by rancid material. The caustic chemicals convert grease-like matter from hard, insoluble material to soapy, water soluble material. May be used on vitreous china or porcelain. No fumes or offensive odor. For unclogging drains and pipes in restaurants, apartment buildings, water treatment plants, factories, hotels/motels, schools and offices.

Available in 12 x 1 quarts, 5 or 6 gal. pails and 55 gal. drums.

3010 - TACKLE Rust, Calcium & Lime Deposit Remover & Grout Cleaner

TACKLE removes iron, calcium and surface rust stains from glass, chrome, fiberglass, stainless steel, porcelain, cement, brick, stucco, tile, and much more. Removes rust discoloration stains from fabric and carpeting. Removes water deposits in coffee makers. Excellent grout and tile cleaner. Note: Test product for colorfastness in an inconspicuous area prior to using on fabric or carpet. Avoid prolonged contact on any surface (2 minutes maximum). Neutral odor. Excellent for use on glass, chrome, fiberglass, stainless steel, porcelain, cement, brick, stucco, tile, toilet bowls, sinks, counter tops, bathtubs, shower walls and doors, coffee makers, fabric and carpet. For use in bathrooms, kitchens, schools, restaurants, industrial facilities, public venues, and many more.

Available in 12 x 1 pints, 5 or 6 gal. pails and 55 gal. drums.

3500 - SKIDEW Mildew Stain Remover

SKIDEW is designed to quickly remove mold and mildew stains on contact without scrubbing. No dilution required, eliminating mess and waste. Contains sodium hypochlorite to work where conventional cleaners won't. Also contains a fresh pine fragrance. Use regularly to prevent stains from coming back. For use on bathroom tiles, grout, painted surfaces, brick, concrete, shower curtains, stalls, mats, awnings and vinyl canopies, auto and boat vinyl tops, tents, equipment, outdoor furniture, ceilings, walls and pool side areas. See label for detailed precautions. Areas of use include homes, offices, factories, sports and recreation facilities, pool service companies and hotels/motels.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Gallons are private label only.

BACTERIA PRODUCTS

EARTH SCENTS Enzyme Treatment for Organic Waste

EARTH SCENTS contains powerful waste digesting enzyme-producing bacteria to break down organic material into water soluble nutrients. The bacteria digest the released nutrients, multiply and continue producing enzymes to continually clean and deodorize areas where organic waste is present. May be used to remove pet stain odors and other organic based odors from carpeting, upholstery and other fabrics. Digests and liquefies organic waste, grease and food. Areas of use include wastewater treatment plants, septic tanks, portable toilets, RV holding tanks, restaurant grease traps, kennels, hospitals, homes, offices, hotels/motels, prisons, funeral homes and apartments. Will not harm carpeting, upholstery or other textiles. Safe for all types of plumbing. Non-toxic. Non-alkaline. Non-pathogenic. Non-polluting. Reduces suspended solids.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

2850 Berry Scent

2860 Cherry Scent

2760 Linen Scent (Private Label Only)

2840 Citrus Scent

2920 Neutral Scent (Private Label Only)

2900 - DRAIN DEMON Thickened Enzyme Treatment

Unique thickened formula clings to sides of pipes and drain lines, increasing contact for more effective treatment. Digests and liquefies organic waste, grease and food by-products in hospitals, nursing homes, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets, marinas, recreational vehicles, and septic tanks. Also great for deodorizing carpet. Pleasant fragrance. Non-toxic, non-acid, non-alkaline, non-polluting, non-pathogenic, biodegradable. Contains seven strains of non-toxic bacteria. Note: This product performs best within a pH range of 5.5–8.5. Optimal temperature range for maximum effectiveness is 54°–113°F; effective up to 212°F. Extremes of pH and temperature, as well as wide

shifts in either parameter over a short period of time should be avoided. Cold temperatures reduce the effectiveness of the product and no bacteria activity can be expected below 40°F.

Available in 12 x 1 quarts

2960 - DIGEST PLUS

Enzyme Producing Non-Pathogenic Bacteria

DIGEST PLUS is a concentrated blend of living aerobic and anaerobic bacteria specially selected and adapted for their ability to produce large amounts of amylase, protease, cellulase and lipase enzymes which are important in degrading common sanitary wastes. The bacteria are considered “new generation” and are impervious to bleach, disinfectants and acids. Use in drains, grease traps and septic tanks to quickly degrade wastes and reduce odors. Non-acid, non-alkaline, non-corrosive. Will not harm plumbing fixtures or garbage disposals. Note: Product performs best within a pH range of 5.5–8.5 and a temperature range of 50–100°F. Extremes of pH and temperature, as well as wide shifts in either parameter over a short period of time should be avoided. Cold reduces the effectiveness of the product and no bacteria activity can be expected below 40°F.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

DISINFECTANTS/DEODORANTS

2930 - GERM AWAY

Foaming Germicidal Cleaner II

GERM AWAY is designed for general cleaning and disinfecting. When used as directed, this EPA registered product is formulated to disinfect inanimate hard surfaces. Germ Away demonstrates effective disinfection against staphylococcus aureus, salmonella enterica and pseudomonas aeruginosa, thus meeting requirements for hospital use. Efficacy tests have demonstrated that it is an effective one-step cleaner-disinfectant in the presence of organic soil (5% blood serum). This broad spectrum germicide is an excellent convenience product for a variety of cleaning tasks. Ready to use. Provides convenience to the end user with a one-step formulation. Clinging foam allows prolonged contact time on any surface. Quart-size containers enable end users to comply with OSHA end use labeling requirements. Formulated for use in hospitals, nursing homes, schools, hotels/motels, office buildings, child care centers, food establishments and many other areas. Cleans and disinfects walls, sink tops, bathtubs, shower stalls, floors, toilets, drinking fountains and other inanimate hard surfaces. Leaves pleasant floral fragrance.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

QD-64

One-Step Germicidal Cleaner and Deodorant

QD-64 disinfectant multi-purpose germicidal cleans, deodorizes and disinfects in one step. This concentrated dual-quat based formula is effective for general purpose cleaning and disinfecting. Contains synthetic detergents, emulsifiers,

water softening agents, builders, corrosion inhibitors and two quaternary ammonium germicides. EPA registered. Kills Staphylococcus aureus, Staphylococcus aureus-Methicillin-Resistant (MRSA), Trichophyton interdigitale, Adenovirus Type 3, Vaccinia, Influenza A/Texas, Herpes simplex Type 1 and HIV-1 (AIDS virus). Kills Pandemic 2009 H1N1 influenza A virus. Dilute 2 ounces of germicidal cleaner per gallon of water for effective disinfecting. Controls mold and mildew growth. For use on bathroom tiles, grout, painted surfaces, brick, concrete, shower curtains, stalls, mats, awnings, vinyl canopies, auto and boat vinyl tops, tents, equipment, outdoor furniture, ceilings and walls and poolside areas. See label for detailed precautions. Areas of use include homes, offices, factories, sports and recreation facilities, pool service companies and hotels/motels.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

3530 QD-64 Lemon

3550 QD-64 Pine

3540 QD-64 Mint

3560 QD-64 Fresh

3570 - ENCORE PLUS One-Step Disinfectant

EFFECTIVE AGAINST
COVID-19

ENCORE PLUS cleans, disinfects and deodorizes in one labor saving step. Kills odor causing bacteria. Use this product in hotels, motels, exercise facilities, restaurants, bars, homes, schools, convenience stores. This product is a one-step disinfectant, Bactericidal according to the current AOAC Use-Dilution Test Method, Fungicidal according to the AOAC Fungicidal Test and Virucidal* according to the virucidal qualification modified in the presence of 5% organic serum against: Staphylococcus aureus, Staphylococcus aureus - Methicillin Resistant (MRSA), Salmonella enterica, Pseudomonas aeruginosa, Escherichia coli, *Hepatitis B Virus (HBV), *Hepatitis C Virus (HCV), *Herpes Simplex Virus Type 1, *Herpes Simplex Virus Type 2, *HIV-1 (AIDS Virus), *Influenza Virus Type A/Brazil (Influenza), *Respiratory Syncytial Virus (RSV), *Vaccinia (Pox Virus), *Norwalk Virus (Norovirus), *Human Coronavirus, *SARS Associated Coronavirus.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

3580 - FINAL QUAT

Disinfectant, Sanitizer, Germicide and Deodorant

FINAL QUAT is a concentrated, multi-purpose, disinfectant, sanitizer and deodorant. It is designed primarily for markets requiring a no-rinse sanitizer in food contact application. For use in hospitals, nursing homes, schools, colleges, veterinary clinics, equine farms, pet shops, airports, hotels and dairy farms. Approved for use in federally inspected meat and poultry establishments, agricultural facilities, beverage plants and food processing plants. Final Quat is a 150 ppm quat sanitizer. No rinsing is required when used as a sanitizer. This non-acid formula is phosphate free.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

3600 - GERM ASIDE

One Step Cleaner, Disinfectant and Deodorant

GERM ASIDE is a one step, ready to use disinfectant, virucidal, germicidal, mildewstat, deodorizer, fungicidal product for cleaning, sanitizing and deodorizing hard, non-porous surfaces. EPA registered. For use on formica, plastic, stainless steel, fiberglass, porcelain and other hard surfaces not harmed by water. Areas of use include hospitals, nursing homes, day care centers, physicians' offices, schools, sports and recreational facilities, offices, airports, beauty shops, janitorial services, retail areas, convenience stores, public areas and many others. Fresh floral fragrance.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

3620 - SPRING MIST

Counteractant

SPRING MIST Counteractant chemically neutralizes odors at their source and in the air. It contains a powerful deodorant to eliminate odors caused by animals, mildew, dirty laundry, smoke, tobacco, sewage, food-related odors, oil and gas. Especially effective in eliminating odors caused by decomposing organic matter. Strong enough to eliminate odors in stock-yards and sewage plants, yet gentle enough for use in institutional and housekeeping applications. May be used as a space spray or a surface spray. May also be added to mop water and in conjunction with hot water extraction carpet cleaning machines. Non-flammable, non-staining and biodegradable. Use as a space spray to eliminate odors in the air. Use as a surface spray to eliminate odors on tile, concrete, brick,

porcelain, formica and other washable surfaces. Areas of use include sewage plants, janitor carts, homes, offices, apartment make-ready services, kennels, garbage trucks, dumpsters, closets, basements, locker rooms, attics, hospitals, restaurants, mortuaries and funeral homes and many more. Minty-floral fragrance.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Private Label Only.

THRIFT-O

One-Step Quaternary Cleaner,
Deodorant and Disinfectant

THRIFT-O is an EPA registered concentrated, multi-purpose product designed to effectively clean, deodorize and disinfect in one economical step. It combines two active quaternary ammonium compounds in a water base. Effective against a wide variety of pathogens including HIV-1 (AIDS Virus) and Herpes simplex Type 1. Dilutes 4 ounces per gallon for general disinfecting. Can be used on waxed floors without affecting the finish. Regular use will control the growth of mold and mildew and eliminate odors that are bacterial in origin. Use as a general cleaner/disinfectant/deodorant on floors, walls, fixtures, metal surfaces, toilet bowls, shower stalls, sinks, barber tools and many other surfaces. Areas of use include prisoner holding areas, airports, child care centers, beauty salons, schools/colleges, veterinary hospitals, nursing homes, medical and dental offices and meat and poultry plants.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

3730 Thrift-O-Fresh
3740 Thrift-O-Mint

3750 Thrift-O-Pine
3760 Thrift-O-Lemon*

INSECTICIDES/HERBICIDES

4640 - DOUBLE TROUBLE
RTU Insecticide

DOUBLE TROUBLE is a semi-gelled, ready to use insecticide for indoor and outdoor use. Kills on contact and keeps killing for up to 16 weeks. Non-staining formula leaves no greasy or oily residue and requires no shaking. To be used in and around horse stables, on house plants and ornamental plants. Not for use on plants grown for sale or other commercial use. For use by pest control applicators, landscapers, lawn maintenance workers, homeowners and maintenance personnel to control fleas and ticks, home invading pests such as ants and cockroaches, spiders, centipedes, scorpions, pantry pests, plant pests, aphids, mealy bugs, lace bugs, thrips, leafminers and mites. Kills Japanese beetles and spider mites. Intended for use in and around homes, apartments, recreational vehicles, industrial plants and other areas. Do not use in commercial food handling establishments, restaurants or other places where food is commercially prepared, processed or served.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

4650 - LIGHTS OUT
Bed Bug Killer

LIGHTS OUT is a water-based pesticide developed especially to control bed bugs. When applied as directed on the labeling, Lights Out will kill bed bugs on contact. 100% mortality occurs within 5-10 minutes of application, depending on life stage. Lights Out is also effective on other insects, cockroaches, ants, millipedes, carpet beetles, and fleas. Any of the listed insects coming into contact with a surface treated with Lights Out will be killed for up to 30 days after application. Lights Out Bed Bug Killer is made only with ingredients which qualify for the 25(b) exemption in the EPA Pesticide Regulations. The US EPA has identified a group of naturally derived chemicals as having pesticidal qualities which exhibit very low if any toxicity. These chemicals are identified in a special section of the EPA pesticide regulations known as section 25(b). In addition, the US EPA has identified a list of inert ingredients, again those which are generally considered to have very low to no toxicity,

which can be used to formulate a pesticide with the 25(b) active ingredients. These products are not required to be registered as a pesticide by the EPA.

Available in 6 x 1 and 12 x 1 quarts, 12 x 1 pistol grip quarts and 4 x 1 gals.

4670 - ADIOS
Drain Fly Repellent

ADIOS drain fly repellent is a thick gel that clings to pipes and drains to rid them of drain fly infestations. Repels annoying and unsanitary drain flies with Citronella, a natural fly repellent. ADIOS is biodegradable, non-toxic and non-caustic, made only with ingredients which qualify for the 25(b) exemption in EPA pesticide regulations. This product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) and is in accord with USDA 21 CFR 178.3400 and/or found on GRAS list. Use in grease traps, garbage disposals, dumpsters, sewer lines, drain lines, down pipes, and septic tanks. Great for nursing homes, schools, prisons, funeral homes, apartments, kennels, clinics, porta-toilets and marinas.

Available in 12 x 1 quarts, 4 x 1 gals (Private Label Only).

HAND CLEANERS/SOAPS

5890 - BARRICADE
Protective Hand Barrier Cream

BARRICADE is a water-based, ready to use protective skin coating in convenient aerosol form. Protects exposed areas of skin from irritation when working with acids, alkalis, solvents, gasoline, chemicals and corrosive salts. Forms a barrier to prevent grease, soil and ink from penetrating the skin's pores and creases. Keeps skin cleaner, minimizing cleanup time. Easy to apply. Washes off with soap and water. Contains emollients and lubricants to leave skin soft after work is finished. For use by silkscreen operators, printers, laboratory personnel, warehouse personnel, construction workers, landscapers and heavy machinery operators. Areas of use include printing plants, chemical plants, railroad yards, oil rigs, air and truck transportation terminals, industrial plants and shipyards. NOTE: Contains silicone. Use care in paint and body shops.

12-20 oz. cans/case. 18 oz. net wt.

6780 - THICK N' SUDSY
Pink Lotion Hand Soap

THICK N' SUDSY is a coconut oil-based hand and body soap. Ready to use. Pleasant sweet almond fragrance. Produces a rich foamy lather when applied to the hands and skin. Quickly removes grease, grime and soils. Fortified with humectants, emollients and other skin conditioners. For use in industrial plants, oil fields, office buildings, machine shops, auto shops and equipment dealers.

Available in 4 x 1 gals., 5 and 6 gal. pails and 55 gal. drums.

6930 - APPLAUSE
Gel Antiseptic Hand Wash

APPLAUSE is a refreshing alcohol-based sanitizer that kills 99.9% of illness-causing germs. May be reapplied as often as needed. It does not replace hand washing to remove heavy soils, but it is an important step in keeping hands germ-free. Reduces workplace and school absenteeism by as much as 20%. Reduces transfer of infection in healthcare facilities. Leaves skin smooth and conditioned without a medicinal smell. Excellent for use by teachers, students, doctors, nurses and dental personnel, money handlers, office workers, child care providers, emergency response technicians, flight attendants and more. Areas of use include bathrooms, kitchens, automobiles, areas without running water, day care centers, churches, hospitals, offices, campsites, sports arenas, school campuses, floral shops and retail checkout lines.

Available in 24 x 4 oz. bottles, 12 x 8 oz. pump spray, 4 x 1 gals, 6 x 1 quart pump bottles, 5 gal pails, 55 gal drums.

CARPET & FLOOR CARE

2990 - GONE

Carpet Stain Remover

GONE carpet stain remover is a water-based spot and stain remover. Contains degreasers and surfactants which rapidly clean all types of stains without damaging fabrics. Use on carpets and upholstery. Contains an odor modifier to destroy noxious odors, leaving a pleasant fragrance. This excellent spot remover is formulated for use in hotels/motels, homes, offices, hospitals, automobiles, institutions, restaurants, schools and trucks. Removes blood, catsup, ink, soft drinks, alcoholic beverages, milk, ice cream, dirt, mud, urine, coffee, tea, grease, oil and vomit. Not for use on white or light colored carpets. Test in an inconspicuous area prior to application. Controlled pH.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

7000 - LIGHTNING

Non-Ammoniated Wax Stripper

LIGHTNING is a highly concentrated non-ammoniated wax stripper. Removes all types of floor waxes, synthetic finishes, acrylics and latex finishes. Safe for use on most floors. Not for use on wood or laminate floors. Contains strong wetting agents which penetrate to strip floors quickly and safely. Low sudsing and odorless. Non-flammable. Removes dirt, grease, rubber marks and scuff marks. Use in office buildings, hospitals, child care centers, nursing homes, schools, bank buildings and supermarkets. NOTE: Resilient tile floors can be damaged by prolonged flooding with stripper. Do not flood tile floors. Dilute between 1:20 for lighter jobs and 1:4 for hard wax coats. Fast drying and easy to apply. Does not contain ammonia, to irritate eyes and skin. Rinses easily with a wet vac or mop.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Private Label Only.

7110 - EXTRACTO

Concentrated Steam Extraction Fluid

EXTRACTO has been formulated to be used with all types of extraction carpet cleaning equipment. It revives the color and enlivens the fibers of carpet piles so they actually rise with life. This product contains special cleaning solvents which thoroughly clean all types of carpets. Leaves no sticky residue to quickly resoil carpet. Low foaming formula eliminates the need for defoamer. Safe to use on any material water will not harm. Equally effective in hard or soft water. This product is also recommended for use as an upholstery maintenance shampoo. For use on carpets, rugs, fabrics, automobiles and upholstery. Areas of use include cleaning services, hotels/motels, restaurants, office buildings, schools, homes, apartments, shopping malls and department stores.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Private Label Only.

7120 - NO FOAM

Defoamer Solution

NO FOAM defoamer concentrate, when added to a carpet cleaner recovery tank, quickly kills foam caused by detergents or other chemicals. Excellent for water towers, cooling systems, boilers, recycling fountains, or anywhere detergent, soap, or surfactants cause foaming. For use by carpet cleaning professionals and in industry to kill foam. Non-corrosive. Non-oxidizing. Non-polluting.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

7130 - PRO-KOTE - 25% Solids Super High Gloss Floor Polish

PRO-KOTE is an extra high solids floor polish for use in heavy traffic areas. Designed for use in all types of maintenance programs. Non-yellowing, black mark resistant, fast drying, long wearing. For use on vinyl, terrazzo, stone and vinyl composition. Excellent gloss and shine. Superior durability.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Private Label Only.

7180 - DEEP GLOSS 18 - 18% Solids

7200 - QUIK KOTE - 22% Solids

Floor Finishes

DEEP GLOSS 18 and QUIK KOTE are high solids formulas that can be scrubbed daily with high speed automatic floor maintenance equipment without damage or dulling. These long-lasting floor finishes resist black marks, are extremely bright and level well. Applications of 2,000 square feet per gallon in even thin coats show the best results. Consist of metal cross linked acrylic polymers and polyethylene. For use on vinyl tile, rubber, cork, sealed wood, marble, concrete, terrazzo, brick and all resilient floors. Areas of use include hotels/motels, office buildings, homes, schools, stores, restaurants, banks, shopping malls, warehouses and factories. Level with no streaks or mop trails.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Private label only.

AUTOMOTIVE

8520 - FLEETMASTER

Heavy-Duty Car Wash

FLEETMASTER is a heavy-duty vehicle detergent. Removes road film when used through a pressure washer with 600 psi. A unique combination of emulsifiers, wetting agents and soil suspension agents. Very effective in hard or cold water. Biodegradable. Use on equipment, tractors, automobiles, trucks and trailers by auto dealers, make-ready and repair shops, car washes, freight companies.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Private Label Only.

8540 - PROTEK

Vinyl and Rubber Protectant

PROTEK cleans, restores and protects any vinyl or rubber surface. Prevents cracking, drying, fading and hardening from sun and other harmful elements. Use on car interiors, tires, bumpers, rubber seals, chrome, stainless steel, acrylic and brass. Water-based formula.

Available in 12 x 1 quarts and 55 gal. drums.

8560 - NO CHLOR

Non-Chlorinated Brake Parts Cleaner

The powerful flushing action and a high solvency formulation make cleaning brake linings, drums, disc pads and most other metal parts faster and easier. Removes brake fluid, oil, grease and other contaminants instantly. Evaporates quickly leaving no residue. Contains no ozone depleting solvents.

Available in 55 gal. drums.

GREASES

L102 - MOLY TUFF

Calcium Sulfonate-Based, Multi-Purpose Moly Grease

MOLY TUFF contains moly, high viscosity base oil and calcium sulfonate thickener system for hundreds of automotive, marine, industrial and agricultural applications. Extreme pressure additives provide resistance to shock. Forms a protective film, resisting rust and corrosion. Resists chemical breakdown and oxidation. Water resistant—will not wash out and resistant to corrosive salt water environments. Exceeds the demanding automotive and industrial testing requirements of ASTM D 4950, earning it the GC-LB classification by the National Lubricating Grease Institute. Also meets Caterpillar CAT 5% moly requirements. Recommended for the most severe applications in off-highway construction, mining equipment, earth moving machines, Caterpillar equipment, as well as other heavy-duty construction and mining equipment moving at slow to medium speed. NLGI Grade 2, Temperature Range -20°F – 500°F.

Available in 10 x 14 oz. cartridges, 35 lb. pails and 120 and 400 lb. drums.

L103 - BIG RED

Bentone-Based, Non-Melt Multi-Purpose Grease

A multi-use grease for hundreds of automotive, marine and agricultural applications. Extreme pressure additives give resistance to shock impact. Bentone based formula does not liquefy at high temperatures like soap based greases, yet remains pumpable at low temperatures. Forms a protective film, resists rust and corrosion. Resists chemical break down and oxidation. This waterproof lubricant will not wash out even by boiling water and steam. NLGI Grade 3, Temperature Range 0°F – 300°F.

Available in 10 x 14 oz. cartridges, 35 lb. pails and 120 and 400 lb. drums.

L104 - MR. GREEN

Calcium Sulfonate-Based, Extreme Condition Grease

MR. GREEN is recommended for severe applications in many industries. It is particularly suitable for high speed bearings and centralized lubrication systems. Mr. Green is recommended for use in automotive as well as extreme pressure applications. Suitable anyplace where shear stable, high load carrying, corrosion resistant grease is required. Forms protective film, resisting rust and corrosion. Resists chemical breakdown and oxidation. This waterproof lubricant will not wash out. Resistant to corrosive salt water environments. NLGI Grade 2, Temperature Range -20°F – 500°F.

Available in 10 x 14 oz. cartridges, 35 lb. pails and 120 and 400 lb. drums.

L106 - BIG GREEN

Bentone-Based, Super Impact Non-Melt Grease

A multi-use grease for hundreds of automotive, marine and agricultural applications. Extreme pressure additives give resistance to shock impact. Bentone based formula does not liquefy at high temperatures like soap based greases, yet remains pumpable at low temperatures. Forms a protective film, resists rust and corrosion. Resists chemical break down and oxidation. Waterproof—will not wash out even by boiling water and steam. NLGI Grade 3, Temperature Range 0°F – 300°F.

Available in 10 x 14 oz. cartridges, 35 lb. pails and 120 and 400 lb. drums.

L107 - MR. JOE

Premium, Lithium Complex, Amber Grease

A multi-use lithium-complex grease for hundreds of automotive, marine, industrial and agricultural applications. Does not dry out after use as some clay based greases do. Remains pumpable at low temperatures. Forms protective film, resisting rust and corrosion. Resists chemical breakdown and oxidation. This waterproof lubricant will not wash out. NLGI Grade 2, Temperature Range 0°F – 350°F.

Available in 10 x 14 oz. cartridges, 35 lb. pails and 120 and 400 lb. drums.

L108 - EZ LUBE

Calcium Sulfonate-Based, Food Grade White Grease

A multi-purpose, high purity food grade lubricant that provides long lasting grease protection. Withstands heat to 500°F. Temperatures above 400°F may require periodic reapplication. For use by: bakeries, bottlers, breweries, canneries, dairies, egg processors, meat and poultry processors, pharmaceutical manufacturers and food processing and packaging plants. NLGI Grade 2, Temperature Range -40°F – 500°F. **NSF Approved H1.**

Available in 10 x 14 oz. cartridges, 35 lb. pails and 120 and 400 lb. drums.

L639 - SURRENDER

Lithium Complex, Hi-Temp, Anti-Seize

SURRENDER Anti-Seize is a gray/black non-melt lubricant formulated to withstand high temperatures and extreme pressures. Resistance to decomposition and oxidation under extreme temperature conditions. It is fortified with anti-wear, extreme pressure and anti-oxidant additives to provide a multi-purpose application for the product. Prevents friction wear and reduce galling and seizing of metal contact. For use on flanges, nuts, valves, fuel injectors, pins, transmission shafts, brake anchor pins, marine engines, valves, stationary engines, turbines, piping, compressors and cylinder heads. Areas

of use include factories, industrial plants, workshops and warehouses. NLGI Grade 2, Temperature range -30°F – 2200°F.

Available in 12 x 16 oz. brush top cans and 12 x 8 oz. brush top cans. 8 oz. brush top cans are private label only.

L660 - KOPPER LUBE

Copper-Based Anti-Seize

KOPPER LUBE is a copper-moly combo anti-seize lubricant formulated to withstand high temperatures and extreme pressures. Continues ground conductivity better than ordinary lubricants. Seals out moisture, gases and corrosive fluids from threaded connections. Contains rust and corrosion inhibitors to assure long life of connectors. NLGI Grade 2.

Available in 8 oz. brush top cans.

EXPRESS WIPES

6420 - EXPRESS WIPES MULTI-PURPOSE HAND CLEANER

MULTI-PURPOSE HAND CLEANER wipes are industrial strength, yet gentle on skin. The fabric is 200 times stronger than other wipes on the market for outstanding cleaning performance. This material aggressively removes soils, yet will not harm skin or surfaces. This versatile wipe may be used for many tough cleaning jobs. Use anywhere soap and water are not readily available. The citrus scented formulation contains emollients and natural oils to prevent cracking and drying of hands. Leaves no residue. No rinsing or drying required. Removes tar, grease, wax, ink, paint, lubricants and adhesives from skin, tools, work surfaces and more. Areas of use include industrial shops, warehouse operations, machine shops, mechanics, welders, municipal workers, offices, airports, oil rigs and more.

72 premoistened towels per container, 6 containers per case.

6430 - EXPRESS WIPES GRAFFITI REMOVER

GRAFFITI REMOVER wipes remove paint and graffiti in one easy step. The biodegradable formula contains powerful cleaners to quickly attack all forms of graffiti. Scrubbing action is built into the fabric to complement the effective formula. Use to remove all types of graffiti on bathroom stalls, phone booths, street light posts, bus stops and seats, desks, wall tile, trains, aluminum siding, road signs, stainless steel, billboards, lockers and more—almost any hard surface. Removes most paints including tough enamels. Does not contain methylene chloride or other harsh chemicals, leaving wipe safer to handle. Towels remain moist in container until ready for use. NOTE: When using on pre-painted surface, initially test on an inconspicuous area to make sure paint is not removed along with the graffiti. The formula may attack certain plastics. Convenient, pop-top dispenser eliminates waste.

40 premoistened towels per container, 6 containers per case.

6441 - EXPRESS WIPES GERM AWAY

- Bactericidal
- Tuberculocidal
- Pseudomonicidal
- Virucidal*
- Fungicidal
- For Use on Environmental Surfaces

GERM AWAY wipes are non-woven disposable cloths containing a stable, low pH formulated disinfectant and deodorant for use on hard, non-porous surfaces where control of cross-contamination is required. *Note: May be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection. Not to be used on food contact surfaces. Effective against the following pathogens in 5 minutes at 20°C/68°F on hard, non-porous surfaces when used as directed: Staphylococcus aureus, Pseudomonas aeruginosa, Salmonella enterica, Escherichia coli O157:H7, *Herpes simplex virus 2 (genital herpes virus), *HIV-1 (AIDS virus)**(at an exposure time of 1 min.), Trichophyton mentagrophytes (Athlete's foot fungus), Mycobacterium tuberculosis, Methicillin Resistant Staphylococcus aureus (MRSA), Vancomycin Resistant Enterococcus faecalis (VRE), *Influenza A.

50 premoistened towels per container, 6 containers per case.

6450 - EXPRESS WIPES HAND SANITIZER

HAND SANITIZER wipes are premoistened disposable wipes formulated to kill 99.9% of bacteria while cleaning skin. Perfect in areas where water and soap are not available. Emollients leave skin soft and moisturized. Non-abrasive fabric is gentle on skin. Dries quickly. Enriched formula leaves hands clean, soft and smooth. Areas of use include medical offices, schools, child care centers, hotels, dental offices, nursing homes, restaurants, correctional facilities and areas where crowds gather such as county fairs and sports arenas.

70 premoistened towels per container, 6 containers per case.

6490 - EXPRESS WIPES SHEEN GLASS CLEANER

SHEEN GLASS CLEANER premoistened wipes clean in one easy step. Lint-free, ammonia-free formula removes dirt, smudges and water spots without streaking. Removes grease, oil, fingerprints, smoke film and other soils from all glass surfaces. Leaves a dazzling shine without residue. Safe for use on almost all surfaces including tinted and colored windows. For use on windows, mirrors, glass counter tops, windshields, shower doors, glass tabletops and computer screens, including flat panel and laptop screens. Areas of use include homes, offices, schools, hotels, day care centers, medical facilities, department stores, restaurants, airports, car detailers, etc. No ammonia. Fresh scent.

35 premoistened towels per container, 6 containers per case.

6510 - EXPRESS WIPES VINYL & RUBBER PROTECTANT

VINYL & RUBBER PROTECTANT wipes condition, beautify and protect vinyl, rubber, leather and plastic. Premoistened with an advanced water-based silicone formula to clean and restore the surface's original shine quickly and safely. Contains an anti-static ingredient that repels dust and keeps surfaces looking new long after they have been cleaned. Clean and polish side moldings, rubber bumpers, cup holders, door and window seals and even plastic hub caps. Use to clean vinyl, rubber, leather and plastic in homes, offices, furniture stores, hotels, vehicles and more. Simply use and discard.

40 premoistened towels per container, 6 containers per case.

6520 - EXPRESS WIPES INDUSTRIAL GRADE HAND CLEANER

INDUSTRIAL GRADE HAND CLEANER wipes are industrial strength, yet gentle on skin. The soft strong fabric aggressively removes soils, but won't harm skin or surfaces. This versatile wipe may be used for many tough cleaning jobs. Use anywhere soap and water are not readily available. Contains emollients and natural oils to prevent cracking and drying of hands. Leaves no residue. Removes tar, grease, wax, ink, paint, lubricants and adhesives from skin, tools, work surfaces and more. Areas of use include industrial shops, warehouse operations, machine shops, mechanics, welders, municipal workers, offices, airports, oil rigs, and more.

90 premoistened towels per container,
6 containers per case. Private label only.

6530 - EXPRESS WIPES STAINLESS STEEL POLISH & CLEANER

STAINLESS STEEL POLISH & CLEANER is especially formulated to quickly clean and polish all stainless steel surfaces. Contains a unique citrus-based formula that reduces oxidation and corrosion. Pleasant citrus fragrance. Removes hard water stains and deposits, grease smudges, food residue and fingerprint smudges from virtually any stainless steel surface. While cleaning, this formula also brightens, polishes and protects the surface with a clear coating that acts as a protective shield. Also for use on wood, formica, ceramic and porcelain. The new generation towel is 200% stronger than other towels. Abrasive surface cleans without harming finishes. Flip towel over for softer polishing surface. Areas of use include schools, hotels/motels, office buildings, detail shops, day care centers, department stores and more. No messy liquids to clean up.

40 premoistened towels per container, 6 containers per case.

6570 - EXPRESS WIPES BEAT-IT INSECT REPELLENT

BEAT-IT INSECT REPELLENT wipes provide the great 25% DEET formula, with the convenience of a disposable wipe. These wipes repel mosquitoes, black flies, stable flies, sand flies, gnats, chiggers, fleas and ticks.

40 premoistened towels per container, 6 containers per case.

GREENSCAPES

2650 - GREENSCAPES CLEANER & DEGREASER

GREENSCAPES CLEANER & DEGREASER is a heavy-duty cleaner and degreaser. Use as is for tough cleaning or may be diluted up to 1:64 for light duty cleaning. Follow dilution instructions for specific cleaning jobs. Contains biodegradable surfactants and degreasers. Complies with the EPA Safer Choice program. For use on walls, floors, tile, vinyl upholstery, metal, porcelain, concrete, and counter tops. Removes grease, oil, grime, soap scum, lipstick, wax, food stains and dirt. Use on whitewalls to restore original color. Safe on most surfaces. Made from environmentally preferred ingredients. No fumes or offensive smells.

Available in 12 x 1 quarts, 4 x 1 gals, 5 or 6 gal. pails and 55 gal. drums.

2700 - GREENSCAPES HEAVY-DUTY GLASS & MULTI-SURFACE CLEANER CONCENTRATE

GREENSCAPES HEAVY-DUTY GLASS & MULTI-SURFACE CLEANER CONCENTRATE is a powerful, concentrated cleaner for spray and wipe applications. May be diluted up to 1:128 in water. Contains no harsh solvents, alcohol or ammonia. Saves energy by using cold water for dilution. Won't streak or leave a film. Biodegradable. Complies with the EPA Safer Choice program. Cleans glass, mirrors, formica, plastic, stainless steel, fiberglass, vinyl, ceramic tile, porcelain, and chrome and many other hard surfaces.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

2720 - GREENSCAPES CONCENTRATED NEUTRAL CLEANER

GREENSCAPES CONCENTRATED NEUTRAL CLEANER is a concentrated neutral cleaner and degreaser. Favorable environmental profile. Complies with the EPA Safer Choice program. Use as directed for tough cleaning jobs and also for general purpose cleaning. Biodegradable in hard or soft water. Dilution with cold water conserves energy. Designed for use on floors, walls, tile, terrazzo, concrete, woodwork, enamel, porcelain, windows, metal surfaces, and HVAC evaporator and condenser coils. Removes grease, grime, oil, food stains, dirt, lipstick, black heel marks, carbon, soot and soap scum.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

2980 - GREENSCAPES OXYGENATED CLEANER & DEGREASER

GREENSCAPES OXYGENATED CLEANER & DEGREASER is a concentrated heavy-duty cleaner, degreaser, deodorizer and stain remover. Complies with the EPA Safer Choice program. Contains hydrogen peroxide, biodegradable surfactants and degreasers. Follow dilution chart for specific cleaning jobs. Leaves no residue, rinses freely with water. Contains no caustic or harmful solvents. Produces no fumes or offensive smells. For use on walls, floors, tile, vinyl upholstery, metal, porcelain, concrete, and counter tops. Removes grease, oil, grime, soap scum, lipstick, wax, food stains and dirt. Excellent for use as general purpose carpet spotter. Can also be used as a pre-spotter on soiled clothing prior to laundering.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

INDUSTRIAL MAINTENANCE LIQUIDS

LUBRICANTS

6000 - MR. MECHANIC

Lubricant

MR. MECHANIC is a general purpose lubricant that provides four way action - Cleans, lubricates, penetrates and prevents rust. Will loosen dirt and scale from painted and plated surfaces. Forms a powerful, multiple-action protective shield against the harmful effects of moisture and corrosion. Protects electrici-

cal gear, metal and other surfaces from deterioration by displacing water and moisture. Seals all surfaces with a complete molecular film. Preserves equipment, thus reducing repair and maintenance costs. Never becomes dry, brittle or hard. Protects the properties of insulating substances and does away with wicking. The conductivity of commutators and contacts is protected by the formula. Can be used on either dry or wet surfaces. To insure adequate protection, periodic checks should be made to determine the need for reapplication.

Available in 4 x 1 gal., 5 or 6 gal. pails and 55 gal. drums.
Private Label Only.

6002 - MOLI-GUARD

Dry Film Lubricant

MOLI-GUARD is a molybdenum disulfide dry film lubricant that withstands high pressures and temperatures. Lubricates moving parts of all kinds. Fast drying with minimal transfer. Protects from rusting and corrosion by displacing moisture. Reduces metal to metal contact on treated surfaces. Service temperatures range from -40°F to 600°F. Adheres to metal, glass, rubber and most plastics. Resists pressures up to 250,000 psi.

Available in 5 or 6 gal. pails.
Private Label Only.

6004 - PIERCE

Penetrating Oil, Moisture Remover, Rust Dissolver

PIERCE will loosen dirt and scale from corroded painted and plated surfaces. Remove scale and debris and spray again. Liberal application of Pierce will loosen frozen and corroded nuts, bolts, flanges, hinges, pins, sliding and rotating parts, tightly fitted parts etc. Its "wicking" action crawls up threads for immediate penetration. It lubricates, displaces moisture, and protects electrical gear, metal surfaces, machinery and hundreds of other uses your imagination can find. It is a must for protecting various metals from atmospheric deposits and rust. Lubricates all metal to metal parts and places protective barrier on them. The conductivity of communicators and contacts is protected by this formula. Can be used on wet or dry surfaces and will readily displace the water. This product is the Ultimate for protection, moisture displacing, penetrating and lubricating. Pierce is a powerful-multi-action protective shield against the harmful effects of moisture and corrosion! Dielectric strength 29,000 volts. Not for sale in CA or UT.

Available in 5 or 6 gal. pails. and 55 gal. drums.

6005 - MC-FREE

Dry Moly Methylene Chloride-Free Dry Film Lubricant

MC-FREE is a methylene chloride free dry film lubricant offering superior, long-lasting performance. Molybdenum graphite anti-seize dry coating resists dust and abrasive particles. Withstands water, oil, alkalis and most acids. Forms a strong bond to metal—will not wipe off easily. May be used at higher temperatures—will not carbonize. Formula is more readily accepted by safety directors. May be used as a release agent. Temp range -40°F to 662°F. Resists pressures up to 250,000 psi.

Available in 5 or 6 gal. pails. Private Label Only.

6007 - LOOSE SCREW

4-in-1 Lubricant & Penetrant with PTFE

LOOSE SCREW is a non-flammable formula that penetrates, lubricates, displaces moisture and resists corrosion. Used by factories, truck lines, delivery services, transit systems, schools, machine shops, service stations, airlines, air maintenance shops & general industries. Contains no ozone depleters. Not for sale in CA.

LOOSE SCREW excels as a:

- **Lubricant:** Superior, long-lasting lubricant made specifically to hold contact with metal, rubber, metal to rubber, or rubber to rubber contact. Fortified with ultra-slick PTFE which lowers inter-surface friction and increases lubricity.
- **Penetrant:** Penetrates frozen or rusted-on nuts, bolts, joints, couplings, pipe threads, or other parts and frees them for use.
- **Water Displacer:** Displaces water and moisture from electric contacts, mechanical controllers, machinery parts, equipment and many other water sensitive surfaces, keeping them functioning to peak efficiency.

- **Corrosion Inhibitor:** Adds a protective layer onto the surface to provide a physical barrier to water & oxygen to control corrosion on a variety of surfaces.

Available in 5 or 6 gal. pails and 55 gal. drums. Private label only.

COIL CLEANERS

6601 - COBRA

Foaming Alkaline Condenser Coil Cleaner

QuestSpecialty's flagship alkaline condenser coil cleaner. COBRA's unique formula penetrates deeply into the thickest coils while creating a dense, heavy foam that pushes the contaminants and oxides to the surface, so they can be easily rinsed away. Cobra dissolves and disperses grease like no other. Provides more safety for service personnel during application. No burning sensation during application. One gallon makes 4 ready to use gallons of coil cleaner. No VOC's.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

6606 - RATTLER

Evaporator Coil Cleaner

This low cost, high performance evaporator coil cleaner also works exceptionally well on electronic air cleaners and filters. New technology allows this cleaner to dissolve grease and grime completely, leaving no residue. Dilute with 3 to 6 gallons of water, depending on application. No VOC's.

Available in 4 x 1 gals. and 5 or 6 gal. pails.

METAL TREATMENT

6001 - DEFENSE

Metal Parts Protector

DEFENSE forms a flexible, weldable metal parts protector. When applied, it will prevent rust and corrosion on all metal parts. Affords long term protection for indoor or outdoor storage. Excellent for protecting materials while in transit. A 2 or 3 mil coating will provide indefinite protection for indoor storage, and 6 months to 1 year protection for outdoor storage. A 5 or 6 mil coating will protect materials for up to 2 years in outdoor storage. Film is a transparent amber, easy to see through. Can be removed by washing with kerosene or mineral spirits. Once removed, parts can be painted.

Available in 5 or 6 gal. pails & 55 gal. drums.

6120 - HD-50

Synthetic Cutting Fluid, Rust Preventative, Coolant

HD-50 is a totally synthetic (oil free) cutting and metal working fluid. It provides the lubricity and film strength of oils plus the cooling ability and cleanliness of water. Can be used for virtually all metal working applications, will not rust parts or equipment. Water miscible—dilutable with water in all proportions—forms clear solutions. Powerful lubricating qualities—multiple lubricants work together to meet the most demanding metal working operations. No messy oils to clean up. Synthetic cutting fluid is a cleaner itself. It may be used to clean your equipment less expensively than many degreasers. Biodegradable and does not pollute. Reduces tool burning, increases tool life and is an excellent rust preventative. Areas of use include oil tool manufacturers, machine shops, steel fabricators, metal working shops, automotive repair shops, and industrial plants. Can be used for lathe work, grinding, sawing, milling, drilling and tapping.

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.
Gallons are private label only.

6410 - RESTORE

Rust Converter and Protective Coating

RESTORE stops further erosion and rusting of machinery, tools, vehicles, equipment, boats, metal buildings and more. When painted on, it chemically converts rust into a black organic complex. Oxidizes corrosion and scale. Brightens surfaces. A clear acrylic coating is formed. The coating is sufficient to last for years without painting, or it can be painted over using latex, oil based or epoxy paint. Extends the life of anything made of metal. Highly concentrated and powerful. For use by industrial plants, schools, institutions, office buildings, homes, farms & shipyards.

Available in 12 x 1 quarts, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

6090 - MISTER BLISTER

Methylene Chloride Free Paint Remover

MISTER BLISTER is a gel-based paint remover that quickly removes paint, lacquer, shellac, enamel, varnish, labels, carbon deposits, silicone, simulated wood paneling and similar materials. Product will not run. The methylene chloride free formula is a safer alternative. FOR USE BY: Auto dealers, paint shops, maintenance departments, engine rebuilders, factories, furniture refinishers, painters, sign builders, schools, motels, hotels, hospitals and offices. FOR USE ON: Metal parts, plaster, concrete, tile, glass, ceramic, engine parts, valve seals, paint guns, paper, wood, stone, masonry and cylinders.

Available in 4 x 1 gals, 5 or 6 gal. pails and 55 gal. drums.

6200 - 99% ISOPROPYL ALCOHOL

99% ISOPROPYL ALCOHOL is a general all-purpose industrial cleaner and degreaser. Removes dirt and grime quickly and efficiently. Dries quickly, leaving no residue. For use on PC boards, connectors and contacts, fiber optics, semi-conductors, printed circuit boards, tape heads, light oils, office and medical equipment, relays and flux. Due to VOC regulations, not available for sale in CA, CO, CT, DC, DE, IL, IN, MA, MD, ME, MI, NH, NJ, NY, OH, PA, RI, UT, VA.

Available in 12 x 1 quarts, 4 x 1 gals, 5 or 6 gal. pails and 55 gal. drums.

SPECIALTY

6020 - UP AND AWAY

Solvent Lift Station Degreaser

UP AND AWAY quickly dissolves heavy grease and fat accumulations in a lift station. Powerful solvent formula dissolves tough buildups on the walls of the lift station and keeps future buildup to a minimum. Removes most sewer odors and gases caused by vertical buildup of grease, fat, sewage and magnesium soap. Industrial municipal detergent formula. For use in wet wells, grease traps, sewage treatment plants, vault toilets and sanitary and storm sewers.

Available in 5 or 6 gal. pails and 55 gal. drums.

6040 - DEFLECT

All Season Surface Repellent

Specially formulated wax to keep snow, slush and ice from sticking to snow removal equipment, plows, snowmobiles, snowblowers, ski equipment, snow shovels and more. Can also be used on the underside of lawn mowers, weed eaters, hedge trimmers, rototillers and other lawn maintenance equipment to prevent grass clipping and dirt build-up, clogging and wear-and-tear. Helps blades stay sharper longer, making equipment last longer. Creates a barrier to protect metal, fiberglass, plastic and painted surfaces from build-up and damage. The protective wax barrier resists graffiti and other stains. Prevents staining and corrosion from urine on bathroom stalls. Keeps food from staining smooth restaurant surfaces* such as vinyl booths and plastic or varnished partitions. It may be applied to metal, vinyl, formica, enamel and linoleum.

*Non-food contact surfaces only

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

Private Label Only.

6050 - BUOY

Lift Station Cleaner and Degreaser

BUOY is a d-limonene based lift station degreaser. It floats on top of the water and cleans and degreases as the water level rises and falls in the lift station. Pleasant citrus fragrance deodorizes while it cleans. Bright orange color easily indicates when product needs to be replaced.

Available in 5 or 6 gal. pails and 55 gal. drums.

6070 - PAVE THE WAY

Road Hardener and Packing Agent

PAVE THE WAY is a road hardener and stabilizer that helps control erosion and dust in parking areas, equipment yards and other unpaved areas. It helps to eliminate potholes and keeps work areas dust free. Its silicate-based formula ensures the stability of roads. Great for use on unpaved roads - gravel and dirt, work areas, construction sites, parking lots, trails and pathways, new or renovated roads, bus routes, main thoroughfares and campsite access roads.

Available in 5 or 6 gal. pails and 55 gal drums

6220 - PURITY

Food Grade Lubricant and Protectant

PURITY cleans and protects metal, stainless steel, soapstone and brass surfaces. Industrial strength, easy to apply, safe to use. A small amount of the oil removes smudges and fingerprints, leaving a shining protected surface. Note: Do not allow product to drip on floors. Slick floors can pose a hazard. Areas of use include homes, offices, department stores, factories, hotels/motels, restaurant kitchens with stainless steel appliances, soapstone counter tops and surfaces, brass fixtures, elevator doors, etc. **NSF APPROVED H1.**

Available in 12 x 1 pints, 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

6660 - CLEAN ICE

Ice Machine Cleaner

• Non-fuming • Non-foaming • USDA rated
CLEAN ICE is a stainless steel safe cleaner that quickly removes lime scale from ice-making equipment. Concentrated liquid cleaner acts fast to increase ice quality and capacity when scale deposits are a problem. It may also be used to clean vending machines, soft drink dispensers, coffee urns and humidifiers. Made from food grade materials.

Available in 24 x 8 oz. bottle.

6662 - SHINY NICKEL

Nickel Safe Ice Machine Cleaner

A non-foaming, non-fuming cleaner that quickly removes scale from stainless steel and nickel-plated steel. Contains a blend of organic and inorganic acids that remove lime scale. Special inhibitors are used to minimize corrosion. For use in all makes of ice machines. USDA rated. **NSF APPROVED A3.**

Available in 24 x 8 oz. bottles and 4 x 1 gals.

6664 - GLACIER CLEAN

Heavy Duty Freezer Cleaner

GLACIER CLEAN is a strong solvent and detergent blend formulated to effectively clean and de-ice all cold storage and freezer areas. Quickly penetrates ice for easy removal of dirt, grease and grime. Eliminates the need for defrosting. No mixing or dilution required. Biodegradable formula is VOC compliant, has no unpleasant odors. May be used with auto scrubbers, rider scrubbers or manual cleaning. Contains no methanol. Leaves no slippery residue, so rinsing is not required. Safe for use on plastic, concrete and most metal surfaces. **NSF APPROVED A5.**

Available in 4 x 1 gals., 5 or 6 gal. pails and 55 gal. drums.

AEROSOLS

GENERAL PURPOSE CLEANERS

2070 - WHAM

Foaming Citrus Cleaner and Degreaser

WHAM is a heavy-duty, citrus-based, foaming all-purpose cleaner. Combines emulsifiers, surfactants and a citrus cleaner to give superior cleaning action on most surfaces. High density, clinging foam allows use on vertical and irregular areas as well as horizontal surfaces. Great on metal, porcelain, tile, glass, wood, brick and grout. Actually cleans and deodorizes grease, dirt, soap scum, oil and bloodstains. Simply spray and wipe off. Sprays from any angle.

12-20 oz. cans/case. 18 oz. net wt.

2090 - RESCUE

Foaming Soy/d-Limonene Degreaser

RESCUE foaming degreaser is a natural soy and d-Limonene based formula designed for professional applications. The emulsifying, foaming action allows for greater surface coverage making it an economical choice. Removes and dissolves: grease, ink, dyes, glue, oils, grime, labels, latex, asphalt, wax, tar, scuff marks. For use on: formica, porcelain, rollers, quarry and ceramic tile, enamel, stainless steel, aluminum, metals, marble, tools, finished woods, linoleum, printing presses. Sprays from any angle.

12-20 oz. cans/case. 17 oz. net wt.

2100 - DAZZLE

All-Surface Cleaner, Degreaser & Deodorizer

DAZZLE cleans, degreases and deodorizes just about all surfaces. The water-based foam clings to vertical surfaces. Leaves **LONG LASTING PLUMERIA SCENT!** Removes grease, dirt, grime, smudges and other soils leaving no residue. This water-based, non-toxic formula is safe for use... anywhere! CLEANS: Metal, Porcelain, Tile, Glass, Wood, Plastic and Other Hard Surfaces. WORKS GREAT IN: Kitchens, Bathrooms, Floors, Walls, Locker Rooms, Offices, Schools and Homes. GIVE ANY SURFACE THE OL' RAZZLE DAZZLE!

12-20 oz. cans/case. 18 oz. net wt.

2110 - KLEEN ALL

All-Purpose Cleaner

KLEEN ALL is a heavy-duty, butyl-based foaming cleaner. Combines emulsifiers, surfactants and a butyl cleaner for superior action on most surfaces. High density clinging foam permits use on vertical and irregular areas as well as horizontal surfaces. Great on metal, porcelain, tile, glass, wood, brick and grout. Gentle enough for everyday cleaning, yet tough on grease, dirt, soap scum, oil and bloodstains, lipstick, smoke film, coffee, cola and stains.

12-20 oz. cans/case. 18 oz. net wt.

2130 - SHEEN

Glass Cleaner

SHEEN is a foaming, alcohol-based cleaner. Its superior combination of emulsifiers and surfactants gives quick, one step cleaning on all glass surfaces. Non-ammoniated formula contains no abrasives. Cleans without streaking. Dissolves smoke and grease; wipes away smudges and dirt. Non-static formulation keeps surfaces clean longer. Formulated with rapid wetting agents and surfactants. Eliminates cold weather streaking problems. Pleasant fragrance. Excellent for windows, mirrors, windshields, glass shower doors, glass tables, glass stove tops, glass frames and decor, glass microwave doors. May also be used on plexiglass. Sprays from any angle.

12-20 oz. QS brand, DS litho cans/case. 19 oz. net wt, and 3-piece can. Private Label Only.

2150 - NO MISCHIEF

Graffiti Barrier

When applied to hard, non-porous surfaces, NO MISCHIEF forms a protective wax barrier that resists graffiti and other stains. It may be applied to metal, vinyl, formica, enamel and linoleum. Prevents staining and corrosion from urine on bathroom stalls. Keeps food from staining smooth restaurant surfaces such as vinyl booths and plastic or varnished partitions. Works great on vinyl bus seats, school desks, counters, washroom partitions, lockers, panels, refrigerators, table tops, golf carts, boats, etc. Non-chlorinated.

12-16 oz. cans/case. 11 oz. net wt.

2210 - GRAFFITI GONE

Vandalism Mark Remover

GRAFFITI GONE is an extra heavy-duty cleaner which will remove all types of ink without damaging surfaces. Unique gel base stays in place to clean vertical and irregular shapes. Leaves pleasant lemon fragrance. Works great on wood, porcelain, concrete, steel, aluminum, brass, cement and tile. This versatile product removes lipstick, ink, paints, crayon, wax, pencil marks and scotch tape marks.

12-20 oz. cans/case. 15 oz. net wt.

2219 - TAG BREAKER

Graffiti Remover

TAG BREAKER is extremely effective in removing ink, marker, spray paint, tar and other types of graffiti from all hard surfaces, specifically brick, cinder block, glass, vinyl upholstery, brass, chrome, ceramic tile, marble, etc. Safe on many plastics. Low odor. May also be used to remove scuff and heel marks from floors and walls. Use on buses, trains, bridges, road signs, walls, etc.

12-16 oz. cans/case. 10 oz. net wt.

Private label only.

2230 - TOP

Chalkboard Cleaner

TOP is specially formulated for all types of chalkboards, including dry erase boards and plastic marking boards. Its clinging foam makes cleaning vertical surfaces a breeze. Excellent formula—Leaves no film. A combination of solvents, surfactants and emulsifiers in a water base. Sprays from any angle.

12-20 oz. cans/case. 19 oz. net wt.

2350 - TUFSTUFF

Oven & Grill Cleaner

TUFSTUFF is a water-based cleaner using potassium hydroxide. Clinging gel adheres to all surfaces without running, insuring complete penetration and cleaning. Removes even the most stubborn cooked on food, grease, oil or stains. Restores surfaces to original shine. Do not use on aluminum, copper, galvanized metals, plastics, composition tile or painted surfaces.

12-20 oz. cans/case. 18 oz. net wt.

2500 - DUST B GONE

Duster

DUST B GONE is a blend of environmentally safe ingredients packaged at high pressure to quickly remove dust, paper chips, staples, paper clips and other foreign material. Use wherever screen cleaner or body cleaner cannot be applied, especially recessed areas. Can also be used as a film duster. Will not harm circuitry or electronic components. For use in offices, homes, darkrooms, schools, restaurants, laboratories and industrial plants. Great for use on monitors, keyboards, office equipment, computers, printers and photographic equipment. Due to VOC regulations, not available for sale in CA and UT.

12-12 oz. cans/case. 7 oz. net wt.

2540 - KLEEN SCREEN

Special CRT Screen Cleaner

KLEEN SCREEN is a water-based aerosol designed to clean, polish and protect computer monitor screens. An effective product that also cleans all glass surfaces, plastic, chrome, porcelain and painted surfaces. Contains no abrasives. Reduces static electricity. Removes and repels dust, fingerprints, oil and other marks on CRT screens. Sprays from any angle.

12–16 oz. cans/case. 15 oz. net wt.

POLISHES

2140 - LEMON LUSTER

Furniture Polish

LEMON LUSTER is a concentrated carnauba, beeswax and silicone-based cleaner and polish for all types of furniture. Restores original luster while cleaning. Contains an emulsifier and silicone in a water base for effective cleaning and polishing. Quickly cleans dust, dirt, wax buildup, oil, fingerprints, grease and smudges. Excellent for use on wood, plastic, vinyl, metal, ceramic, porcelain, formica and leather. For use on appliances, filing cabinets, furniture, paneling and woodwork trim. Natural lemon fragrance.

12–20 oz. cans/case. 18 oz. net wt.

2160 - SLEEK

Beeswax Furniture Polish

SLEEK cleans away dust, dirt, fingerprints and smudges from all types of wood surfaces. Restores color and high luster to fine woods without the rubbing required with paste wax. Eliminates scratches and blemishes. Replaces essential oils to any natural or treated wood surface. Excellent for use on furniture, fine woodwork, cabinets, porcelain, paneling and wood trim. Pleasant lemon scent. **NSF APPROVED C1.**

12–20 oz. cans/case. 17 oz. net wt.

2220 - SPARKLE

Water-Based Stainless Steel Cleaner

SPARKLE is a non-abrasive metal surface cleaner. Using emulsifiers and surfactants in a foaming cleaner, this product cleans, shines and polishes in one step. Leaves a long lasting protective coating. Will not scratch or score metal surfaces. Effective for stainless steel, porcelain, aluminum, metal surfaces and tile. Removes grease, oil, grime, stains, water spots and other oily residues.

12–20 oz. cans/case. 18 oz. net wt.

2260 - SHIMMER

Citrus Duster & Polish

SHIMMER no wax formula blocks dust from settling on treated surfaces. Apply with cloth or mitt or spray directly on surface. Easy one-step dusting, shining and polishing action. Excellent for use on wood, laminate, formica, marble, plastic, stainless steel, aluminum, porcelain and tile. Sprays from any angle.

12–20 oz. cans/case. 18 oz. net wt.

2490 - BRILLIANCE

Stainless Steel Cleaner

BRILLIANCE is an excellent non-abrasive cleaner formulated for hospitals, offices, hotels, restaurants, lockers and institutions. It cleans, brightens, polishes and protects stainless steel. Can be equally effective for use on aluminum, chrome and brass. Minimum effort is required to remove smudges, soil and stains quickly. Forms a shield that resists water marks and rusting. Use to clean fingerprints, smudges, grease and stains from all metal surfaces, paneling, wood and plastics. Bright, lemon scent, **NSF APPROVED C1.**

12–20 oz. QS brand, DS litho cans/case. 14.5 oz. net wt, and 3-piece can. Private Label Only.

CARPET/UPHOLSTERY/FLOOR CARE

2250 - VELVA-SHEEN

Dust Mop Treatment

VELVA-SHEEN acts like a magnet to attract lint and dust to dust mops. Quickly saturates treated surfaces but evaporates slowly. Prevents scattering. Use as a dust cloth treatment for small jobs. Leaves surfaces completely free of dust, lint and hair. Restores wood surfaces and leaves all surfaces shining. Formulated to be used in homes, hotels/motels, industrial plants, hospitals, offices, warehouses and institutions. When replacing filters on heating and air conditioning systems, spray the filter to reduce the amount of dust which again becomes airborne. Lemon fragrance.

12–16 oz. cans/case. 14 oz. net wt.

2280 - FREZE-IT

Chewing Gum Remover

FREZE-IT offers an environmentally friendly alternative in gum and wax removal. A frosty blast of air freezes gum and wax instantly, allowing easy removal from many surfaces. Ideal for cooling circuit board components, soldering applications and shrink-fitting small parts. Non-corrosive. Excellent for use in schools, homes and welding shops. Works great on furniture, carpet, circuit boards, sidewalks, pins, bushings and bearings for easy removal of gum & wax.

12–12 oz. cans/case. 7 oz. net wt.

2290 - BREAKDOWN

Active Bacteria and Odor Eliminator

BREAKDOWN is an active bacteria especially designed for easy application on carpets and upholstery to eliminate organic odors, especially pet and body odors. Great in kennels, veterinary clinics, kitchens, bathrooms, hotels/motels, trash receptacles, schools and daycares. Also a laundry pre-spotter to remove organically based odors. Unique inverted valve provides easy application.

12–20 oz. cans/case. 18 oz. net wt.

2300 - ENZO MAGIC

Enzyme Active Stain and Odor Eliminator

ENZO MAGIC is a concentrated blend of enzymes and d-Limonene designed to break down organic stains and odors caused by blood, urine, feces, vomit, milk, ketchup, baby food and most other foods. The bio-enzyme formula penetrates, breaks up and removes stains quickly and effectively. Works great in animal shelters, apartments, athletic facilities, nursing homes, hospitals, hotels/motels and schools. Excellent for carpet and upholstery/fabric cleaning. Use alone or in conjunction with other cleaners.

12–16 oz. cans/case. 15 oz. net wt.

2380 - STRIP-EZE

Heavy-Duty Cleaner

STRIP-EZE is a gel-based strong cleaner for quick removal of soil and wax on floors, baseboards and wall tiles. Thick gel stays where sprayed. White foam shows where applied, eliminating running and guesswork. Upside-down-only spray valve allows easy application. Excellent in industrial plants, hotels/motels, warehouses, hospitals, schools, offices and institutions. NOTE: Test painted surfaces prior to use.

12–20 oz. cans/case. 18 oz. net wt.

2460 - GONE

Carpet Stain Remover

GONE Carpet Stain Remover is a water-based spot and stain remover. Contains degreasers and surfactants which rapidly clean without damaging carpet fabrics. An odor modifier destroys malodors, leaving a pleasant fragrance. Upside-down valve provides ease of use while standing up. Great in homes, autos, offices, schools, hospitals, restaurants and hotels/motels. Effective on

blood, urine, catsup, ink, soft drinks, alcoholic beverages, grease, oil, dirt, mud, vomit, coffee, tea, milk and ice cream.

12–16 oz. cans/case. 15 oz. net wt.

2470 — 12–20 oz. cans/case. 18 oz. net wt. Private label only.

DISINFECTANTS

2170 - GERM AWAY

Foaming Germicidal Cleaner

GERM AWAY is an EPA registered foaming cleaner and germicide. This water-based aerosol combines butyl cleaners, surfactants and emulsifiers with a quaternary germicide to give heavy-duty cleaning of all surfaces. Safe for use on all bathroom surfaces. Will not harm chrome or metal surfaces. Kills Staphylococcus aureus, Influenza A H1N1, Pseudomonas aeruginosa, Salmonella enterica, Herpes simplex type 1 and Herpes simplex type 2; controls mold, mildew and fungus. Kills MRSA on treated surfaces. Excellent for use on tile, chrome, plastic, wood, porcelain, formica and metal surfaces. Areas of use include bathrooms, bathtubs, floors, hospitals, nursing homes, shower stalls, medical facilities and locker rooms. Sprays from any angle.

12–20 oz. cans/case. 18 oz. net wt.

PHENOMENAL

Hospital Sanitizer, Disinfectant and Deodorant

PHENOMENAL is a hospital grade disinfectant and deodorant that kills Mycobacterium tuberculosis bovis BCG (Tubercule bacilli), E. Coli, Herpes simplex Types 1 and 2 viruses, Salmonella enterica, Staphylococcus and more. Inactivates HIV (AIDS virus) on precleaned environmental surfaces/objects previously soiled with bloody/body fluids. Kills MRSA and Avian Influenza A Virus H5N1. Contains a blend of powerful phenolic germicides. Controls mildew. Deodorizes areas where foul odors are present. Disinfects toilets, urinals, bathtubs, shower stalls, seats, benches, lockers, partitions, counters, fixtures, knobs, handles, railings, telephones, furniture, equipment and surfaces which could harbor hazardous microorganisms. Sanitizes: Controls Staphylococcus aureus and Klebsiella pneumoniae on porous fabric and leather surfaces, such as on shoes, athletic mats, athletic shoes and other athletic equipment. For use in hospitals; ambulances; nursing homes; medical and dental offices and clinics; veterinary offices and animal areas; schools; laboratories; hotels and motels; restaurants and cafeterias; food storage, processing, packaging, handling, and serving establishments and equipment; offices; stores; factories and manufacturing plants; and apartment buildings and homes.

12–20 oz. cans/case. 16.5 oz. net wt.

3110 Phenomenal – Country Garden

3120 Phenomenal – Citrus

3290 - STAF

Air Sanitizer

STAF is an EPA registered disinfectant, deodorant and air sanitizer, with a quaternary disinfectant for quick effective germicidal action. Glycolized for effective air sanitization. Pleasantly scented. Kills Staphylococcus aureus, Staphylococcus aureus-MRSA, Pseudomonas aeruginosa, Salmonella enterica. Controls mold, mildew and fungus. Virucidal against HIV-1 (AIDS virus). Disinfects telephones, bed springs, door knobs, linen carts, wheelchairs, light switches, garbage pails and clean, hard, non-porous inanimate surfaces. Designed specifically for homes, hospitals, nursing homes, institutions, offices, schools, motels and hotels. In addition, this product deodorizes those areas which generally are hard to keep fresh smelling (such as garbage storage areas, empty garbage bins and cans, restrooms, and shower stalls). It will also remove foul musty odors from automobile air conditioning systems caused by mildew and odor producing organisms.

12–20 oz. cans/case. 16.5 oz. net wt.

AIR FRESHENERS & DEODORIZERS

DRY DEODORIZERS

Dry mist counteractants quickly freshen entire areas such as laundry hampers, garbage pails, auto interiors, offices, gym lockers, closets and more. This specially formulated malodor counteractant eliminates the toughest odors such as tobacco smoke, vomit or urine that linger even after the source has been removed. The light formulation travels with air flow and destroys the odors where they hang. Special two-way valve allows spraying both right side up or upside down. Non-staining, leaves no wet fallout on floors or furniture. Meets all current VOC standards.

12–20 oz. cans/case. 10 oz. net wt.

4390 - STOMP

Wasp and Hornet Spray

STOMP is an EPA registered, high dielectric, non-chlorinated wasp and hornet spray. This product sprays 15 to 20 feet and can be used indoors in attics and other places where nests are built or outdoors on hornet, wasp and yellow jacket nests. Can also be used to quickly knock down flying pests outdoors. Nests should be treated in the evening when insects have returned to the nest. Dielectric strength of 40,100 volts by ASTM test method D-877. For use in and around schools, hospitals, industrial plants, tank farms, warehouses, attics, basements and patios.

12–20 oz. cans/case. 12 oz. net wt.

4400 - SHOOTER

Water-Based Fogger

SHOOTER is an EPA registered fogger for use in rooms, apartments, homes, attics, basements, campers, boats, household storage areas, garages, pet sleeping areas and cabins. One 6 ounce canister of fogger treats a room up to 27 ft. x 27 ft. with an 8 ft. ceiling or 6,000 cubic feet of unobstructed space. Kills ants, cockroaches, fleas, spiders, mosquitoes, houseflies and others listed.

12–8 oz. cans/case. 6 oz. net wt.

4410 - SMOKE 'EM

Dry Fog Flying and Crawling Insect Killer

SMOKE 'EM is an EPA registered, water-based insecticide created with the latest scientific technology to be among the most powerful insecticides on the market. Kills flying insects on contact. May be used in food processing areas. Use to control flies, mosquitoes, gnats, midges, wasps, hornets, and flying moths (millers).

12–20 oz. cans/case. 14 oz. net wt.

4420 - DYNAMO

Wasp and Hornet Killer

DYNAMO is an EPA registered, non-conductive, non-chlorinated wasp and hornet killer. The jet spray will reach nests up to 20 feet above ground. This product has a high dielectric strength of 47,300 volts. Can be used where nests are built on hornets, wasps, bees and yellow jackets. Kills with residual action as wasps & hornets return to the nest. Acts as a barrier that prevents insects from entering the home. Nests should be treated in the evening when insects have returned to the nest. For use in and around schools, hospitals, industrial plants, tank farms, warehouses, attics, basements and patios.

12–20 oz. cans/case. 12 oz. net wt.

4520 - DOOM

2,4-D Solvent-Based Weed Killer

DOOM is an EPA registered solvent-based weed killer. It is a combination of 2,4-D and Bromacil. This combination insures rapid top kill of all weeds and will also prevent future growth up to one year. Upside down valve allows ease of use. Can sprays upside down only. An excellent product for use on johnson grass, crabgrass, foxtail, barnyard grass, dandelions, weeds, lambs quarter and broomsedge. For industrial plants, loading docks, parking lots, fence rows, storage yards, tank farms, railroad sidings, homes and buildings.

12–20 oz. cans/case. 16.5 oz. net wt.

4540 - ERADICATOR

Multi-Purpose Insect Spray

- Kills and controls bedbugs
- Up to four weeks residual killing action
- Broad spectrum spray kills a wide range of pests
- Kills on contact
- No fragrance

ERADICATOR is an EPA registered water based aerosol true multi-purpose insect killer. Contains the synthetic pyrethroid permethrin for quick knockdown and up to four weeks residual control of crawling and flying insects. Non-staining formula controls bedbugs and many other crawling insects. Controls houseflies, mosquitoes and many other flying insects. For use on dogs and on

premises to control fleas and ticks. For use on livestock to control flies, fleas and gnats. Controls garden insects on ornamentals and plants. Authorized for use in animal quarters and milk houses. Kills and controls bedbugs, cockroaches, mosquitoes, crickets, spiders, scorpions, fleas and ticks, houseflies, mosquitoes, gnats, fruit flies, black flies, carpet beetles, clothes moths, palmetto bugs, silverfish, centipedes, garden insects and more. For use in homes, hotels/motels, airports, barns and livestock areas, kennels, and more.

12–20 oz. cans/case, 16 oz. net wt.

4570 - CLOBBER

Lice, Dust Mite & Bed Bug Multi-Purpose Insect Spray

CLOBBER is an EPA registered, water-based, multi-purpose insect killer. Contains the synthetic pyrethroid permethrin for quick knockdown and up to four weeks residual control of crawling and flying insects. Non-staining, odorless formula controls lice, dust mites, bed bugs and many other crawling insects. Kills bed bugs and fruit flies. Kills dust mites in carpets, curtains and on upholstery and mattresses. Kills and controls lice, dust mites, bed bugs, fruit flies, cockroaches, mosquitoes, crickets, spiders, scorpions, fleas and ticks, houseflies, gnats, black flies, carpet beetles, clothes moths, palmetto bugs, silverfish, centipedes, garden insects and more. For use in homes, hotels/motels, airports, barns and livestock areas, kennels, and more.

12–20 oz. cans/case, 16 oz. net wt.

INDUSTRIAL MAINTENANCE AEROSOLS DEGREASERS

5000 - d-GREAZ

Organic Solvent Degreaser

d-GREAZ was developed to provide a safer way to clean grease, tar, oil and grime from electrical and mechanical equipment. Concentrated formula contains no chlorinated or fluorinated solvents, making it ideal for use in environmentally conscious situations or where highly toxic products are not suitable. For electrical motors, machinery, tools, molds, dies, and engines. Areas of use include machine shops, aircraft equipment, drilling rigs, industrial plants, office equipment, automotive shops, cleaning and maintenance services, schools and educational services, health service maintenance, and restaurants. Pleasant citrus fragrance.

12–16 oz. cans/case. 12 oz. net wt.

5010 - HEAVY METAL

Heavy Duty Metal Degreaser

HEAVY METAL provides industry an alternative to products containing health hazard solvents. Dries quickly, leaving no residue. Also removes contaminants from high voltage cables. Recommended for the removal of dirt, adhesives, silicones, anti-oxidation compounds & other contaminants from metal surfaces. The low-odor, non-flammable, non-conductive, non-corrosive and non-staining formula cleans and degreases electric motors, power tools, printing presses, refrigeration and air conditioning equipment, generators and starters, office machines, most metals including steel, nickel, zinc, titanium, galvanized steel, copper, magnesium, brass and tin plate.

12–20 oz. cans/case. 18 oz. net wt.

5030 - QUIK SOLV

Solvent Degreaser

QUIK SOLV replaces chlorinated solvent degreasers, providing industry with an excellent solvent on oils, greases, waxes, resins, epoxies, polymers, and more. Non-flammable, fast drying, non-conductive and leaves no residue. Cleans most metals including aluminum, magnesium, copper, brass, tin plate,

and more without dulling, corroding, oxidizing or staining. Safe on most plastics used in contact and circuit board construction. If unsure of compatibility, test in an inconspicuous area prior to use. For use on electric motors, power tools, printing presses, refrigeration and air conditioning equipment, generators and starters, office machines, ultrasonic cleaners, film cleaning equipment and other machinery. Areas of use include auto repair shops, factories, print shops, machine shops, aircraft services, HVAC services, and electrical maintenance services. Due to VOC's, not available for sale in CA, CT, DC, DE, MA, MD, ME, MI, NH, NJ, NY, OH, PA, UT, VA.

12-20 oz. cans/case. 18 oz. net wt.

5050 - A.F.D.

Citrus Based Water Soluble Degreaser

A.F.D., a high pressure, water soluble degreaser, flushes away grease, tar and asphalt from hard surfaces. Contains no petroleum distillates. Degreases trucks, removes printer's ink, tire marks, soap scum, decals and adhesives, cleans motors and equipment, de-tars vehicles, loosens chewing gum and candle wax from hard surfaces, cleans fuel oil deposits from metal surfaces. Areas of use include: Petroleum industry areas, sewage plants, service stations, garbage trucks, auto detailers, schools, restaurants, offices, apartments. Due to VOC's, not for sale in CA, CO, CT, DC, DE, IL, IN, MA, MD, ME, MI, NH, NJ, NY, OH, PA, RI, UT, VA.

12-20 oz. cans/case. 16 oz. net wt.

5060 - BIG ORANGE

Oil, Tar and Asphalt Remover

BIG ORANGE contains a natural orange oil solvent to quickly cut through tar, asphalt, gum, ink, crayon, tough soils, paint overspray and more. No chlorinated solvents or other ozone depleting chemicals. No harmful or unpleasant fumes. Will soften some surfaces, including some plastics; use with care. Test in an inconspicuous area prior to use. Areas of use include homes, schools, detail services, offices, factories, convenience stores, hotels and motels. Pleasant orange fragrance.

12-16 oz. cans/case. 12 oz. net wt.

5080 - TAR BLITZ

Soy Solvent Degreaser

TAR BLITZ quickly removes grease, tar, asphalt, oil, glue, ink, labels and scuff marks. Environmentally friendly formula makes it the ideal product for use where highly toxic products are not suitable. The highly effective solvent is derived from natural soybeans and citrus. Non-flammable formula is **VOC COMPLIANT IN ALL 50 STATES**. Rinses clean with water. Sprays from any angle.

12-20 oz. cans/case. 15 oz. net wt.

5120 - QUIKLEEN II

Solvent Cleaner

QUIKLEEN II is a non-flammable and non-conductive parts cleaner. Safe for use on metal parts, electric motors and electronic subassemblies. Quickly cleans oil, grease and dirt from parts without leaving residue. Dries quickly. Displaces moisture from electric motors. Can be used while equipment is operating. Dielectric strength of 29,000 volts. Test before use on any plastic. For electrical motors, ignition systems, electronic parts, and refrigeration equipment. Areas of use: machine shops, factories, offices, automotive repair shops, printing industry, electrical maintenance services, marine sales & repair. Due to VOC's not for sale in CA, CO, CT, DC, DE, IL, MA, MD, ME, MI, NJ, NY, RI, UT.

12-16 oz. cans/case. 16 oz. net wt.

5130 — 12-20 oz. cans/case. 18 oz. net wt. Private label only.

5160 - ELECTRO-CLEAN

Energized Electrical Equipment Cleaner

ELECTRO-CLEAN is USDA authorized, non-flammable and non-conductive. Safe for use on metal parts, electric motors and electronic subassemblies. Quickly cleans oil, grease and dirt from energized electrical equipment without leaving res-

idue. Can be used while equipment is operating. Dielectric strength of 29,000 volts. Product must be tested prior to using on any plastic. For energized electrical equipment such as electric motors, armatures, relays, electric panels, generators and similar equipment. Areas of use include machine shops, factories, industrial plants, offices, automotive and bus repair shops, printing industry, electrical maintenance services, marine sales and repair. **VOC COMPLIANT IN ALL 50 STATES**.

12-16 oz. cans/case. 16 oz. net wt.

5170 — 12-20 oz. cans/case. 18 oz. net wt. Private label only.

5180 - KICK OFF

Safety Solvent

KICK OFF is a high powered, non-flammable, non-conductive solvent that dissolves grease and rinses away dirt and grime from hard surfaces without injury to working parts. Contains an acceptable replacement for 1,1,1 trichloroethane under the EPA SNAP program. Contains no CFC's. Featuring a 30,000 volt dielectric strength combined with non-flammability makes this an exceptional degreaser safe for use on electric motors, generators, relays and control panels while equipment is in operation. Dries fast and residue free. No flash point. Cleaning is quick and simple with the powerful flushing action.

12-20 oz. cans/case. 19 oz. net wt.

5200 - CRASH

Heavy-Duty Foam Degreaser

CRASH is an ultra dense foam which allows for extended degreasing time to clean deep down into the microscopic pores of the surface. It deodorizes while degreasing and leaves a citrus scent. Combines nature's unique cleaning capabilities with a powerful mega force spray foam to create the ultimate biodegradable cleaning product.

12-20 oz. cans/case. 16 oz. net wt.

5230 - TOUGH GUY

Super Concentrated Degreaser & Tar Remover

TOUGH GUY's gel formula degreases motors on automobiles, trucks, tractors, lawn mowers, boats, etc. Excellent for degreasing industrial machinery, lawn and turf equipment, municipal equipment, concrete floors and driveways, boat bilges, vertical surfaces, ceilings, engines, tools and hard-to-reach areas. Removes tar, asphalt and grease from all types of vehicles, equipment and masonry surfaces such as brick, stone, concrete, metals, ceramic tile, quarry tile, etc. Emulsifies tar, asphalt, bitumen and asphalt base plastic cements and mono-form roofing compounds used by roofers.

12-20 oz. cans/case. 17 oz. net wt.

8075 - POWER TRIP

Spray Degreaser Solvent

A fast acting, quick drying, chlorinated hydrocarbon solvent. Will not short motors or electrical equipment. High dielectric, non-explosive, non-flammable, non-corrosive and dries clean. Aerosol sprays solvent into hard-to-reach areas and instantly dissolves grease, grime, oils, waxes, gums, tars and is excellent for adhesive cleanup. Due to VOC's, unavailable for sale in CA, CT, DE, IL, IN, MA, MD, ME, MI, NJ, NY, RI.

12-20 oz. cans/case. 18 oz. net wt.

8095 - FIFTY NIFTY

Spray Degreaser Solvent

An ultra-fast drying, no residue, cleaning solvent intended to degrease any non-painted metal surface. This heavy duty cleaning agent instantly removes oil, dirt build-up, varnish, sludge, grease and brake fluid. Contains no chlorinated solvents and is **50 STATE COMPLIANT**. The powerful spray breaks through even the toughest deposits!

12-20 oz. cans/case. 14 oz. net wt.

LUBRICANTS

5210 - MC-FREE

Dry Moly Methylene Chloride-Free Dry Film Lubricant

- Temperature range -40°F to +662°F
- Resists pressures up to 250,000 psi
- Adheres to metal, glass, rubber & most plastics
- Non-chlorinated, non-corrosive & non-conductive

MC-FREE is a methylene chloride free dry film lubricant offering superior long-lasting performance. Molybdenum and graphite anti-seize dry coating resists dust and abrasive particles. Withstands water, oil, alkalis and most acids. Forms a strong bond to metal—will not wipe off easily. May be used at higher temperatures—will not carbonize. Formula is more readily accepted by safety directors. May be used as a release agent.

12–16 oz. cans/case. 11 oz. net wt.

5270 - LINK WISE

Food Grade Semi-Synthetic Chain Lube

LINK WISE combines synthetic lubricants and mineral oil into a formula that penetrates, lubricates and protects roller drive and conveyor chains. Deep penetrating foam reduces friction and wear on all types of chains and conveyors operating in food processing areas. **NSF APPROVED H1.**

12–16 oz. cans/case. 12 oz. net wt.

5310 - KOPPER LUBE

Copper-Based Anti-Seize

KOPPER LUBE is a copper-based anti-seize lubricant formulated to withstand high temperatures and extreme pressures. Synthetic oil-based formula. Continues ground conductivity better than ordinary lubricants. Imbedded with copper to improve conductivity. Seals out moisture, gases and corrosive fluids from threaded connections. Contains rust and corrosion inhibitors to assure long life of connectors. Temperature Range -60°F to +1800°F.

50 STATE VOC COMPLIANT.

12–16 oz. cans/case. 12 oz. net wt.

5360 - AQUA-LUB

Non-Flammable Lubricant

AQUA-LUB is specially formulated to give excellent lubrication, corrosion prevention and cleaning of all metal parts. Quickly penetrates corrosion, rust and moisture to free and loosen stuck parts and provide lubrication. Formula is non-flammable and non-conductive to 29,000 volts. Cleans, lubricates, penetrates and prevents rust for true four-way action. Areas of use include industrial machinery, machine shops, homes, cars, trucks, oil rigs, machine parts, hotels and motels. Due to VOC regulations, not available for sale in CA.

12–16 oz. cans/case. 16 oz. net wt.

5370 - SILI LUBE

Heavy-Duty Silicone Spray

SILI LUBE is a multi-purpose silicone spray. Non-flammable formula is safe to use in plant areas. Contains a high viscosity silicone for long lasting lubrication and protection. Non-conductive to 28,000 volts. Stable in temperatures up to 400°F. Waterproof and rustproof. Cleans, shines and leaves a protective film on rusted parts, wire cable, door hinges, chains, hoists, pulleys, cranes, fork lifts, sprockets, gears, blocks and tackle, conveyors, construction machinery, industrial parts and locks. Areas of use include farms, oil rigs and refineries, bottling plants, dairies, paper mills, cotton gins, air conditioning, industrial plants, and automotive/motorcycle/marine repair. Not for sale in CA.

12–16 oz. cans/case. 15 oz. net wt.

5380 - SLIDE OUT

Dry Silicone Spray—Food Grade

SLIDE OUT Dry Silicone Spray—Food Grade is designed to lubricate equipment used in the packaging and processing industry. Leaves a non-staining dry

pure silicone film to lubricate moving parts, reducing friction and wear. Heat stable from -450°F to 450°F. Also formulated as a release agent on seals and gaskets of tank closures. Lubricates all sliding surfaces except those you wish to paint. Excellent on RV slide outs. Use on sticking metal, wood, rubber and plastic. Apply to cutting tables, conveyors, heat sealing equipment and slicing equipment. Waterproofs leather, canvas, rubber and chrome surfaces. Safe on all plastics. Contains no methylene chloride. Will not melt, freeze, gum or become rancid. Concentrated—a little goes a long way. An excellent product for food processing plants, restaurants, apparel and accessory manufacturing, RV dealers, hotels, machine shops, homes, auto/RV repair shops and institutions. **NSF APPROVED H1.**

12–20 oz. cans/case. 11.5 oz. net wt.

5400 - PURITY

Food Grade Lubricant & Protectant

- Non-toxic, odorless and tasteless
- Contains no silicone

PURITY is a lubricant made up of USP liquid petrolatum and propellant, providing a sanitary means of lubricating dairy and food processing equipment. Complies with FDA regulations, CFR Title 21, paragraphs 172.878 and 173.3620. An excellent product for use on slides, bearings, pistons and rings, seals and pump parts, pans, containers, belts, etc. Great for use in fast service food preparation, cut meat cold room packaging in supermarkets, packaged meat units for franchise outlets, ice cream filling equipment, milk bottle equipment. **NSF APPROVED H1.**

12–20 oz. cans/case. 16 oz. net wt.

5420 - GEAR LUBE EF

Open Gear Lubricant

GEAR LUBE is a multi-purpose, heavy-duty tar-based open gear lubricant in a convenient aerosol. USDA authorized. This thick tacky fluid sticks to the surface where applied. Temperature stable to 175°F+. Special formula allows material to stretch, insuring contact with all gear surfaces. Use on gears, steel cables, gear boxes, winches, air conditioners, foundries, cranes, pumps, plows, dozers, loaders, graders, scrapers, motors, press fittings and compressors. Industries include: automobile manufacturers, farm and machinery operators, highway paving contractors, automobile and motorcycle repair, amusement park maintenance, industrial machinery operators, metal manufacturers, airport terminals and HVAC maintenance and repair.

12–16 oz. cans/case. 12 oz. net wt.

5440 - MOLI-GUARD

Dry Moly Lubricant

MOLI-GUARD is a molybdenum disulfide dry film lubricant that withstands high pressures and temperatures. Prevents rust and corrosion by displacing moisture. Reduces metal to metal contact on treated surfaces. Quick drying, non-tacky finish adheres well to all metals, most plastics, glass and rubber. Service temperatures range from -40°F to 600°F. Molybdenum disulfide replaces graphite to free frozen surfaces, stop galling and seizing of metals and prevent chattering, extending the life of machinery and equipment. Provides a protective barrier that resists dust and abrasive particles and withstands water, oils, alkalis and most acids. Ideal for lubricating surfaces where a liquid lubricant is not practical. Use on high speed gears, machine tools, pump assemblies, conveyors, bearings, wire cable, pipe, engines, heavy equipment. Areas of use include industrial plants, oil rigs, pipe yards, construction areas, machine shops, farm equipment, repair services, office machines, aircraft manufacturers and suppliers and commercial printers.

12–16 oz. cans/case. 12 oz. net wt.

5460 - SURRENDER

Anti-Seize

SURRENDER Anti-Seize contains molybdenum disulfide, graphite and aluminum in a thick grease base. Helps eliminate seizing of threaded parts. Temperature service ranges from -35°F to 2200°F. Helps cool hot bearings. Does not contain any chlorinated or fluorinated solvents. For engine parts, threaded fittings, nuts and bearings. Areas of use include machine shops, industrial plants, construction companies and automotive shops.

12–16 oz. cans/case. 13 oz. net wt.

5650 - GRAPH-GUARD

Dry Film Graphite Lubricant

- Temperature Range -100°F to +850°F
- Resists Pressures Up To 18,000 psi
- Adheres to Metal, Glass, Rubber and Most Plastics
- Resists Water Wash-out, Oils, Alkalies and Most Acids
- Dries to a Black, Tack-Free Film
- Extends Metal Life

GRAPH-GUARD dry film graphite lubricant offers superior, long-lasting performance where petroleum products must be avoided. Graphite anti-seize dry coating resists dust and abrasive particles. Withstands water, oil, alkalies and most acids. Forms a strong bond to metal—will not wipe off easily. May be used at higher temperatures than molybdenum disulfide based dry film lubricants. Formula is more readily accepted by safety directors. May be used as a release agent.

12–16 oz. cans/case. 12 oz. net wt.

5660 - MICRO-DRY

PTFE Dry Lubricant

- No Hexane
- Oil free
- Colorless, low odor

MICRO-DRY is a no mess, non-staining dry lubricant. The low odor, colorless formula is non-oily but slicker than silicone and graphite. Excellent anti-stick properties for an effective release on die casts and injection molds. Contains an extremely fine polytetrafluoroethylene powder, creating a lubricant film effective over a wide temperature range (-100°F to 500°F). Excellent for use on hinges, gears, metal extrusions, axles, pulleys, bushings, munitions, locks and catches, synthetic filters, machine parts, cord, twine or rope, chains, paper, glass, leather and elastomers. Use as a release agent on conveyor belts, chutes and skids, industrial blenders, bins and spray booths.

12–16 oz. cans/case. 10 oz. net wt.

5760 - NUCHAIN

Chain and Cable Lubricant with Moly

NUCHAIN Chain and Cable Lubricant with Moly is specially designed to provide maximum protection to wire ropes and chains of all types. Completely penetrates into the strands of wire ropes, providing the ultimate in lubrication. Does not build up on chains to attract dust or dirt. Continued use reduces chain whip, vibration and noise, also protects against galling, seizing and wear, thus adds life to chain cable and sprockets. Loosens rusted parts and lubricates wire cable, door hinges, chains, hoists, rollers, pins, bushings, pulleys, cranes, fork lifts, sprockets, gears, blocks and tackle, conveyors, construction machinery, industrial parts and locks. Areas of use include farms, oil rigs and refineries, bottling plants, dairies, paper mills, cotton gins, air conditioning, industrial plants, textile plants, lumber mills, cement plants and automotive/motorcycle/marine repair.

12–16 oz. cans/case. 12.5 oz. net wt.

PENETRANTS

5280 - PEN EASE

Food Grade Penetrating Oil

- Light, clean, quick penetrant
- Excellent rust preventative
- Speeds up disassembly and retooling
- Food-processing friendly
- Loosens corroded parts
- Gives long-lasting lubrication

PEN EASE Food Grade Penetrating Oil is designed for use as a penetrating oil for applications. It is used to loosen and free hard to remove nuts, bolts, screws, etc. This formulation is also an excellent rust inhibitor. It meets the requirements for incidental food contact and is safe for all metal surfaces and most plastics. Comes with a pinpoint spray extension applicator to reach the most difficult areas and to extend the distance it can be sprayed. Provides high-performance penetrating lubrication while maintaining food-grade integrity. A high percentage of rust inhibitors also makes this an excellent spray-down oil to help eliminate rust after pressure washing or steam cleaning of equipment. **NSF APPROVED H1.**

12–20 oz. cans/case. 15 oz. net wt.

5300 - LOOSE SCREW

4-in-1 PTFE Lubricant

LOOSE SCREW is a non-flammable, 4-in-1 formula that penetrates, lubricates, displaces moisture and resists corrosion. Displaces water and moisture from electrical equipment such as contact points and automotive distributors, machinery parts, guns and equipment. Fortified with PTFE. Contains no ozone depleters. Conforms to Military Specifications MIL-C-23411 for corrosion prevention. Great for use on motors, wire cable, rusted parts, ignition systems, machine parts, door hinges, locks, nuts and bolts and refrigeration equipment. Used by factories, truck lines, delivery services, transit systems, schools, machine shops, hotels/stations, airlines, air maintenance shops, industrial plants, oil rigs, hotels/motels and general industries. Due to VOC's, not available for sale in CA.

12–20 oz. cans/case. 19 oz. net wt.

5330 - GENESIS

Penetrating Lubricant

GENESIS penetrating lubricant will loosen dirt and scale from painted and plated surfaces. Remove loosened scale and spray again to cover surface. Liberal application will loosen threads, tightly fitted parts, sliding and rotating parts, bolts, hinges and pins which have been “frozen” by corrosion. It protects electrical gear, metal and other surfaces from deterioration by displacing water and moisture and sealing all surfaces with a complete molecular film. It preserves equipment, thus reducing repair and maintenance costs. Never becomes dry, brittle or hard. Protects the properties of insulating substances and does away with wicking. The conductivity of commutators and contacts is protected by the formula. Can be used on either dry or wet surfaces. To ensure adequate protection, periodic checks should be made to determine the need for reapplication. Sprays from any angle.

12–20 oz. cans/case. 15 oz. net wt.

5340 - MR. MECHANIC

Penetrating Lubricant

MR. MECHANIC is a greaseless light-duty penetrating lubricant for general use. Contains a light mineral oil in a petroleum distillate base with a corrosion preventative for long lasting protection. Lubricates, penetrates and prevents rust, giving four-way protection to nuts, bolts, corroded parts, door hinges, locks, machine parts, gears, slides, wire cable and other turning and sliding parts. Aerosol packaging allows convenient use on small parts and for spot applications, eliminates waste due to drips and spills. Flammable. Do not apply in the presence of possible sources of ignition. For use around garages, oil rigs, homes, machine shops, assembly plants, electronics repair shops, service stations, locksmiths, industrial shops, factories and air conditioner repair shops. Sprays from any angle.

12–16 oz. cans/case. 12 oz. net wt.

5350 — 12–20 oz. cans/case. 15 oz. net wt. Private label only.

BREACH

Super Penetrant

- Breaks up rust
- Displaces moisture
- Quickly loosens frozen bolts
- Lubricating Action

BREACH is a penetrating lubricant that loosens fasteners or bolts that are stuck or frozen in place so they can be removed or separated. BREACH seeps into crevices or small spaces between threaded parts to release them. BREACH can displace moisture and prevent corrosion between fasteners. For use in machine shops, factories, assembly plants, electronics repair shops, air conditioning repair, auto body shops, locksmiths, auto mechanic shops, oil rigs.

5451 Breach — 12–20 oz. cans/case, 11 oz. net wt.

6011 Breach — 5 or 6 gal., and 55 gal. drums

5500 - PIERCE

Penetrating Lubricant

PIERCE Penetrating Lubricant provides four-way action to clean, lubricate, prevent rust and penetrate. Non-flammable and non-conductive to 30,000 volts. Silicone-free formula will not interfere with subsequent painting. Meets MIL Spec C-2344. For use on motors, wire cable, rusted parts, ignition

systems, machine parts, door hinges, locks, nuts and bolts and refrigeration equipment. Areas of use include homes, hotels/motels, airplanes, cars and trucks, machine shops, oil rigs, manufacturing facilities, industrial plants and factories. Due to VOC's, not available for sale in CA.

12-16 oz. cans/case. 16 oz. net wt.

5090 — 12-20 oz. cans/case. 18 oz. net wt. Private label only.

5510 - OUTBREAK

Cherry Penetrating Oil

OUTBREAK penetrating oil is a premium formula that displaces moisture and rapidly breaks down rust. Excellent for removing parts, fasteners and mating connections, as well as protecting metal from further corrosion. Non-flammable.

12-20 oz. cans/case. 18 oz. net wt.

5690 - RUST RELEASE

Lubricant, Foaming, Penetrating and Cutting Oil

RUST RELEASE provides effective lubrication in a variety of metalworking applications including cutting or machining carbon alloys, stainless steel, chrome steel, copper, aluminum, magnesium and bronze. The anti-friction properties prolong tool life. This fast penetrating product lubricates, displaces moisture, frees sticking parts, stops squeaks, rust and corrosion and provides long lasting protection. Loosens rusted parts. Lubricates door hinges, chains, hoists, pulleys, cranes, fork lifts, sprockets, gears, blocks and tackle, conveyors, construction machinery, industrial parts and locks. Areas of use include farms, oil rigs and refineries, bottling plants, dairies, paper mills, cotton gins, air conditioning, industrial plants, textile plants, lumber mills, cement plants and automotive/motorcycle/marine repair.

12-20 oz. cans/case. 16 oz. net wt.

5740 - SLICK

PTFE and Moly Penetrating Lubricant

SLICK frees frozen parts, penetrates, prevents rusting, lubricates. PTFE continues to lubricate after application. Contains a corrosion preventative to protect metal parts. Use on wire cable, door hinges, chains, hoists, pulleys, cranes, fork lifts, sprockets, gears, blocks and tackle, conveyors, construction machinery, industrial parts and locks. Areas of use include farms, oil rigs and refineries, bottling plants, dairies, paper mills, cotton gins, air conditioning, industrial plants, textile plants, lumber mills, cement plants and automotive/motorcycle/marine repair. Sprays from any angle.

12-16 oz. cans/case. 12 oz. net wt.

5810 - ULTRA TAC

High Pressure Penetrating Lubricant

ULTRA TAC is especially formulated to dispense as an oil-like lubricant designed to penetrate and lubricate. Sets up as a viscous, high impact grease, adding protection and heavy lubrication to the treated area. The unique formula contains PTFE which remains on surface, leaving a protective coating between lubrication periods. For use in garages, machine shops, industrial plants, construction sites, oil rigs, electronic repair shops, and marinas.

12-20 oz. cans/case. 14 oz. net wt.

5970 - CHILL OUT

Freezing Penetrating Oil

CHILL OUT combines rapid freezing and a special penetrating lubricant to easily loosen bound parts. Sprayed areas shrink and create openings to allow the lubricant to penetrate and open up the toughest bonds. Liberal application will loosen threads, tightened fitted parts, sliding and rotating parts, bolts, hinges and pins which have been "frozen" by corrosion. The formula will protect against renewed corrosion. Non-conductive, non-chlorinated, low VOC content. Sprays from any angle.

12-16 oz. cans per case. 9 oz. net wt.

METAL TREATMENT

5540 - DEFENSE EF

Metal Parts Protector

DEFENSE EF is a metal parts protector. Quickly coats metal parts, castings, cables, winches, pulleys, tools, dies, pipe threads, hoists, jigs and riggings. Gives indefinite indoor protection and long-lasting outdoor protection. Transparent amber color is easy to see through. Sets up to a hard yet flexible coating in 2 hours. To remove, use kerosene or mineral spirits. Weldable and paintable. Contains no chlorinated or fluorinated solvents. Great for use by industrial plants, oil rigs, pipe yards, heavy equipment, construction vehicles, boats, ships, trucks and cars. There are hundreds of applications for this product. Meets Mil Spec C-16173D, Grade 4 and C83933A.

12-16 oz. cans/cs. 12.5 oz. net wt.

5611 - AVERT

Corrosion Inhibitor

- Non Drying Formula
- Long Term Rust Preventative Lubricant

AVERT will prevent rust and corrosion on all metal parts. Affords long term protection for indoor storage. Excellent for protecting materials while in transit. A 2 or 3 mil coating will provide protection for indoor storage for up to 2 years. Film is transparent, easy to see through. Can be removed by washing with kerosene or mineral spirits. Once removed, parts can be painted. Apply to machine parts, dies, pipe threads, casting, tools, jigs and stamped metal parts. Prevents corrosion due to salt spray on cables, hoists, pulleys, winches and riggings.

12-16 oz. cans/cs. 11 oz. net wt.

5700 - QUIK-ZINC

Galvanize Coating

QUIK-ZINC is a high quality, high solids, heavy-duty zinc coating designed to give superior corrosion protection. 93% pure zinc after drying. Protects ferrous metal from oxidation by bonding with it electrochemically. Prevents rust by galvanic action, dries to a flexible coating that bends without chipping. Can be used as a protective final coating or primer wherever iron or steel will be exposed to atmospheric or corrosive conditions. Areas of use include bus barns, refineries, pipe yards, oil rigs and industrial plants. For iron and steel surfaces, air conditioners, truck and auto fleets, automotive bodies, agriculture equipment, fences, metal roofs, metal buildings, metal fabricators, railroad equipment and marine equipment.

12-16 oz. cans/case. 14 oz. net wt.

5710 - BLING IT ZINC

Shiny Galvanize Coating

- Will not crack, peel, or yellow even under extreme conditions
- Dries to a flexible, paintable coating
- Coverage of 30 to 40 square feet per can at 1 mil thickness
- Provides excellent adhesion to all metal surfaces
- 93% pure zinc after drying

BLING IT ZINC is designed to protect iron and steel surfaces from rust and corrosion. Its high zinc content assures maximum protection on metal surfaces. Dries quickly to a hard film containing 93% zinc dust. Provides two way protection, first with the high zinc content protective coating, secondly with true galvanic action. Galvanic action is effective when surface is scratched, broken or dissipated and moisture is present. Easy to apply. Compares to a hot dip galvanize when applied as a 3 mil thickness. Formulated for use in presence of moisture, salts and acids. Meets ASTM A780. Areas of use include bus barns, refineries, pipe yards, oil rigs and industrial plants. For iron and steel surfaces, air conditioners, truck and auto fleets, automotive bodies, agriculture equipment, fences, metal roofs, metal buildings, metal fabricators, railroad equipment and marine equipment.

12-16 oz. cans/case. 14 oz. net wt.

5960 - REVIVE

Rust Converter

REVIVE is the quick and mess-free way to treat rusted surfaces. Chemically converts rust to an inert black polymer based coating that prevents future rust from forming. Eliminates the need for brushing, sand-blasting or scraping before painting rusted surfaces. Once treated, surface may be left unpainted or may be painted for improved appearance and protection. Use on all rusted surfaces. Convenient spray can combines a unique fast drying carrier with special rust converting agents and a strong polymeric coating. Areas of use: machinery, industrial and farm equipment, marinas, tank yards, manufacturing plants, fencing, shipyards, metal buildings, tools, railroads and more.

12–20 oz. cans/case. 13 oz. net wt.

COIL CLEANERS

5390 - SIDEWINDER

Foaming Evaporator/Condenser Coil Cleaner

SIDEWINDER is formulated to penetrate and remove dirt and matted material quickly and easily from air conditioner coils and fins. No rinsing is required if applied in place to a functioning unit that produces moisture. The condensation produced will wash soil away from contacted surfaces, leaving the unit clean and deodorized. Rinsing is required on units that have been removed for repair or do not produce moisture during operation. An excellent product for air conditioners, central cooling systems, and auto air conditioners. For use in hotels/motels, homes, office buildings, air conditioner services and auto repair services. Sprays from any angle.

12–20 oz. cans/case. 18 oz. net wt.

5410 - COBRA

Evaporator/Condenser Coil & Fin Cleaner

COBRA is formulated to penetrate air-conditioner coils and fins to remove all types of soils. Upon contact with the surface of the coil, it acts to flush soil to the surface. Rinsing is unnecessary if applied in place to a functional unit that produces moisture. The moisture produced will rinse product from contacted surfaces. Rinsing is required on units that have been removed for repair or do not produce moisture during operation. An excellent product for air conditioners, central cooling systems, and auto air conditioners. For use in hotels/motels, homes, office buildings, air conditioner services, and auto repair services.

12–20 oz. cans/case. 15 oz. net wt.

5430 - COPPERHEAD

Foaming Coil Cleaner

COPPERHEAD is a powerful, thick clinging foam which removes dirt, lint and grease from air conditioner and heater coil fins. Portable aerosol features a strong directional spray which helps force foam into coil air spaces. Water-based foam creates no harsh vapors and leaves a fresh citrus scent. No rinsing required on evaporator coils or any other surface where condensation causes a rinsing action.

12–16 oz. cans/case. 15 oz. net wt.

5470 - PYTHON EZ A/C CARE

EPA Evaporator Coil Cleaner & Disinfectant

PYTHONEZA/CCARE is a non-abrasive, one-step disinfectant cleaner for evaporator coils in small air conditioners, commercial air handling equipment, HVAC cooling coils and refrigeration equipment. Virucide, Mildewstat (on hard inanimate surfaces), Fungicide (against pathogenic fungi). Kills Legionella pneumophila. Effective against a wide variety of organisms. EPA registered for HVAC applications. Cleans and deodorizes. Cuts grease and grime without scrubbing. No rinsing required. For use in hotels/motels, homes, commercial buildings, air conditioner services and auto and RV repair services. Sprays from any angle.

12–20 oz. cans/case. 18 oz. net wt.

GREASE

5720 - BODACIOUS

High Pressure, Non-Melt Red Grease

BODACIOUS is a high temperature, non-melting, inorganic red grease which withstands temperatures up to 375°F. Sprays out as a thick liquid which transforms into a grease in minutes. Penetrates, lubricates and prevents rust on all metal parts. A high pressure additive reduces wear and extends operating life of all parts and machinery. It prevents seizing and loosens frozen parts.

Contains no fluorinated solvents, thus is more environmentally friendly than its traditional counterparts. Areas of use include farms, oil rigs and refineries, bottling plants, dairies, paper mills, cotton gins, air conditioning, industrial plants, textile plants, lumber mills, cement plants and automotive/motorcycle/marine repair. Due to VOC's, not for sale in CA and UT.

12–16 oz. cans/case. 12 oz. net wt.

5770 - EZ LUBE

Food Grade White Grease

EZ LUBE is a multi-purpose, high purity food grade lubricant that provides long lasting grease protection. Cured lubricant withstands heat to 550°F. Temperatures above 400°F may require periodic reapplication. For use on: chains, winches, conveyors, gears, cables, hinges, pins, levers, rollers, ovens, dryers, threads, bearings, O-rings, linkages, pumps and valves. For use by: Bakeries, bottlers, breweries, canneries, dairies, egg processors, meat and poultry processors, pharmaceutical manufacturers and food processing and packaging plants. **NSF APPROVED H1.**

12–16 oz. cans/case. 10 oz. net wt.

5790 - BIG RED

VOC Compliant Non-Melt Spray Grease

BIG RED is a cured lubricant that withstands heat to 350°F, moisture, acids, high pressure and is highly rust resistant. This **50 STATE VOC COMPLIANT** formula provides superior lubrication while forming a thick, long-lasting film to prevent future corrosion. A high pressure additive reduces wear and prolongs operational life of all machinery. Temperatures above 350°F may require periodic reapplication. Red color provides easy visual inspection. This lubricant is great for use on chains, winches, conveyors, gears, cables, tools, hinges, bushings, pins, levers and rollers. For use in all areas of industrial maintenance.

12–20 oz. cans/case. 14 oz. net wt.

5830 - SAFE BET

Multi-Purpose, Penetrating Lithium Spray Lubricant

SAFE BET is a multi-purpose lubricant, penetrant and rust preventative that changes from a fluid to become a tough, protective grease in minutes. Ideal for hard to reach areas on all door hardware and operator drive mechanisms. Once grease has set up it will outlast any regular oil or silicone. Areas of use include hinges, operators, rollers, open gears, track, roller chain drives, springs, tools, cable and screw type drives. **50 STATE VOC COMPLIANT.**

12–20 oz. cans/case. 13.5 oz. net wt.

CONTACT CLEANERS

5140 - UNPLUG

Contact and Circuit Board Cleaner

UNPLUG is a highly effective blend of fast drying, non-conductive solvents and is safe to use on plastics, rubber and metal. Quickly removes oil, grease, dirt and grime from circuit boards, computers, magnetic tapes, gauges, switches, relays, electronic motors and parts, metal surfaces, TV tuners, typewriters. Does not contain CFC's or HCFC's and is ozone safe. This product is extremely

flammable and must only be used on equipment that has been de-energized. It also must be allowed to dry and fumes evacuated from equipment before re-energizing. Can be used by offices, factories, machine shops, industrial plants, schools and hospitals. Sprays from any angle. Due to VOC's, not for sale in CA, CO, CT, MA, MD, ME, MI, NJ, OH, PA, UT.

12–16 oz. cans/cs. 11 oz. net wt.

5150 — 12–20 oz. cans/case. 14 oz. net wt. Private label only.

5149 - UNPLUG II

Contact and Circuit Board Cleaner

UNPLUG II has the same properties and applications as UNPLUG, but is **VOC COMPLIANT IN ALL 50 STATES**.

12–16 oz. cans/case. 11 oz. net wt. Private label only.

5240 - UPPER CUT

Electrical and Electronic Contact Cleaner & Degreaser

UPPER CUT is a high purity, high dielectric, rapidly evaporating, non-flammable aerosol spray contact and circuit board cleaner. Specially formulated for removing condensation, dust and other particulate matter from sensitive electronic parts. Quick drying formula will not harm most plastics, paints or rubbers. This solvent system has tested safe on Neoprene, Buna, Silicone, Butyl and Natural Rubber, Nylon, Hypalon®, PTFE, PVC, Polyurethane, Polyethylene, Polypropylene, Epoxy and ABS.

12–16 oz. cans/case. 14 oz. net wt.

5250 - LEFT HOOK

Electronic Cleaner

LEFT HOOK is a high purity, high dielectric, rapidly evaporating, non-flammable spray specially formulated for removing oil, grease, condensation and other contaminants from sophisticated electronic parts. Ideal for removing grease and dirt from sensitive electronics, televisions and telephone equipment. Contains no citrus oil. Low odor. Quick drying formula will not harm Neoprene, Buna, Silicone, Butyl, Natural Rubber, Hypalon, PTFE, Styrene, Polystyrene, Polyethylene, Polypropylene, Epoxy, ABS, Nylon, PVC and Polyurethane.

12–16 oz. cans/case. 10 oz. net wt.

5489 - PCA II

Precision Electronic Cleaning Agent

PCA II removes dirt, oil, grease, moisture and flux from circuit boards, motors, ignition switches, film, relays, control panels and other precision electronics. Safe on most plastics, such as polypropylene, Neoprene W, nylon, PTFE, silicone rubber and polyurethane. Evaporates quickly, leaving no residue. Excellent replacement for chlorinated or HCFC solvents. **50 STATE VOC COMPLIANT**.

12–16 oz. cans/case. 12 oz. net wt.

SPECIALTY

2040 - DIGEST PLUS

Foaming Drain Cleaner & Odor Eliminator

DIGEST PLUS contains non-pathogenic bacteria that produce enzymes necessary for degradation of fats, oils, greases and food by-products. Thick, rich foam expands into areas otherwise impossible to reach. 24" tube allows user to apply deep into drains and pipes where build-up occurs. Reduces odors and organic material. Contains no acid or caustics and is non-polluting. This product can also be used after treatment with drain openers to prevent future clogging and residual odors. Eliminates fats, oils, grease and odors in disposals, grease traps, septic tanks, downpipes and drain lines. For use in restaurants, kitchens, bathrooms and recreational vehicles.

12–20 oz. cans/case. 18 oz. net wt.

2050 - CHARGE

Condensate Drain Cleaner

CHARGE is a natural solvent-based product designed to clear clogged drains and condensate drain lines. The high pressure spray through the 18" tube permits quick penetration directly to the source of the problem. Begins working immediately to flush algae, slime, hair and organic matter. Non-acid, non-caustic and contains no chlorinated solvents. Lessens need for expensive service calls to unclog drains. Harmless to plumbing and disposals. Leaves a pleasant citrus fragrance. Works great in showers, bathtubs, drain lines, grease traps and drains. Excellent for use in industrial plants, schools, hotels/motels, restaurants & janitorial services.

12–20 oz. cans/case. 16 oz. net wt.

2155 - BACK DOWN

Protective Barrier

BACK DOWN is a specially formulated wax to keep snow, slush and ice from sticking to snow removal equipment, plows, snowmobiles, snowblowers, ski equipment, snow shovels and more. Can also be used on the underside of lawn mowers, weed eaters, hedge trimmers, rototillers and other lawn maintenance equipment to prevent grass clipping and dirt build-up, clogging and wear-and-tear. Helps blades stay sharper longer, making equipment last longer. Creates a barrier to protect metal, fiberglass, plastic and painted surfaces from build-up and damage.

12–16 oz. cans/case. 11 oz. net wt.

5015 - HIGH VOLT

High Voltage Cable Cleaner & Electric Motor Degreaser

- Non Conductive
- Non Flammable
- Fast Dry
- No Residue
- Removes Grease & Oil

HIGH VOLT provides industry an alternative to products containing health hazard solvents. Dries quickly, leaving no residue. High Volt also helps prevent leakage, excessive resistance, reduced performance & arcing by quickly removing contaminants. Recommended for cable cleaning: Semi-conductive of high voltage cables when splicing & terminating cables. The low-odor, non-flammable, non-conductive formula cleans and degreases electric motors, power tools, printing presses, refrigeration and air conditioning equipment, generators and starters, office machines, most metals including steel, nickel, zinc, titanium, galvanized steel, copper, magnesium, brass and tin plate.

12–20 oz. cans/case. 18 oz. net wt.

5520 - SLIP-NOT

Belt Dressing

SLIP-NOT Belt Dressing is a resin based spray. Designed specifically to reduce slippage of all types of power belts whether round, flat or V. Compatible with fabric, leather or rubber belts. Also helps clean and prolong belt life. Areas of use include construction areas, industrial plants, factories and homes. Sprays from any angle.

12–16 oz. cans/case. 12 oz. net wt.

5570 - MISTER BLISTER

Methylene Chloride Free Paint Remover

MISTER BLISTER is a gel-based paint remover that quickly removes paint, lacquer, shellac, enamel, varnish, labels, carbon deposits, silicone, simulated wood paneling and similar materials. Product will not run. The methylene chloride free formula is a safer alternative to paint removal. FOR USE BY: Auto dealers, paint shops, maintenance departments, engine rebuilders, factories, furniture refinishers, painters, sign builders, schools, motels, hotels, hospitals and offices. FOR USE ON: Metal parts, plaster, concrete, tile, glass, ceramic, engine parts, valve seals, paint guns, paper, wood, stone, masonry and cylinders.

12–16 oz. cans/case. 11 oz. net wt.

5780 - NO SPAT

Anti-Spatter

NO SPAT is designed to be used on MIG gun nozzles, contact tips, welded parts and fixtures. Prolongs life of welding parts and equipment. Prevents sticking of slag & spatter on metal surfaces. Provides cleaner welds on fixtures and parts by reducing spatter. This product contains no silicone and is paintable after rinsing.

12–16 oz. cans/case. 16 oz. net wt.

5880 - SURROUND

Cold Pipe Insulation Spray

SURROUND is a convenient, ready to use spray-on pipe insulator. Dries to a hard, white, durable, stipple-effect coating that can be painted or primed when dry. Prevents sweating and dripping on pipes and other cold surfaces. Insulates water tanks, gutters, toilet tanks, etc. Repairs wrap-around style insulation. Use on cold water pipes, valves and fittings, metal gutters, refrigeration lines, condenser lines and water tanks. Adheres to galvanized, black iron, steel, brass, copper and PVC piping. Non-flammable when dry. Suggested temperature range is 32°–130°F. Areas of use include air conditioning maintenance, aircraft maintenance, industrial operations, food plants, refrigeration trucks, cold storage lockers, shipping operations, kitchens and indoor ice rinks.

12–20 oz. cans/case. 18 oz. net wt.

5910 - WONDER

Acoustical Ceiling Tile Restorer (White)

WONDER is a unique clay-based restoring system for acoustic ceiling tiles. Permanently bonds to surface without compromising acoustical sound absorption or fire retardant value. Covers water stains, smoke and fire damage, graffiti, paint, ball point ink, permanent marker and rusting nail heads, avoiding the need for costly replacement. Leaves a clean, white coating that adds years to tile life. Also works as a non-bleeding primer/sealer for sign painters, a non-grain-raising primer for new wood, a base coat for wallpaper or vinyl wall coverings and as a base coat for galvanized metal. Economical—one can covers 12 to 15 (2'x4') tiles or 120 square feet. Areas of use include sign shops, fire and water damage restoration services, make-ready companies, office maintenance personnel, metal workers and woodworkers.

12–16 oz. cans/case. 12 oz. net wt.

5990 - ARCTIC GEL

Heat Dissipating Spray

ARCTIC GEL is a heat sink especially designed for brazing. Protects valves, controls and surrounding areas from heat damage. Simply spray on surrounding areas or completely encircle copper tubing to prevent heat transfer.

12–20 oz. cans/case. 16 oz. net wt.

AUTOMOTIVE

2510 - OUT OF SIGHT

Foaming Carpet Spot & Stain Remover

OUT OF SIGHT dissolves grease, dirt and oil-based stains. Actually digests protein and organic soils and stains such as blood, cosmetics, urine, fecal matter, coffee, Kool-Aid®, ink, wine, iodine, spoiled foods, vomit, pet stains, mildew, etc. Recommended for spot cleaning carpets, upholstery, textiles, vinyl, leather and synthetics. Heavy-duty foam penetrates deep into surface and lifts out grease, dirt and debris.

12–20 oz. cans/case. 18 oz. net wt.

2620 - SHOWTIME

Invisible Coating & Bug Shield

SHOWTIME cleans, shines and protects plastic, leather, acrylic, plexiglas, lexan, chrome, fiberglass and paint. Dries quickly and buffs to a streak free finish. Invisible protec-

tive coating protects surfaces and repels dirt, dust, fingerprints, smudges and bugs. Resists scratching and marring of surfaces. Repels water, is odorless, prevents fogging and is non-abrasive.

12–16 oz. cans/case. 14 oz. net wt.

3295 - RE-FRESH

Auto Air Conditioner Freshener

RE-FRESH quickly and effectively removes foul, musty odors from automobile air conditioning systems by killing odor-producing organisms. Powerful deodorizers keep automobile interiors smelling fresh and clean. EPA registered. Use in cars, trucks, buses, RV's, boats, planes and more. For use by car dealerships, car rental businesses, auto repair shops.

12–20 oz. cans/case. 16.5 oz. net wt.

8000 - DE-ICE

Frost and Ice Remover

DE-ICE quickly melts ice, frost and snow from windshields, windows, steps, door locks, ignition locks, trunk locks, headlights, tires and sidewalks. Helps prevent ice and frost formation on windows and windshields when sprayed prior to freeze. Will not harm paint, cloth, metal, rubber, glass and plastic. No residue to impair visibility.

12–16 oz. cans/case. 12 oz. net wt.

8020 - OFF

Carburetor and Choke Cleaner

OFF is a product formulated for use on all types of carburetion and PCV systems in automobiles, buses, trucks and industrial equipment. Cleans and frees choke linkages, moving parts on carburetors and PCV valves. Removes grease, carbon deposits, oil, gumming and other materials. Fast drying. Leaves no film. Safe on oxygen sensors and catalytic converters.

12–16 oz. cans/case. 13 oz. net wt.

8040 - FINISHING TOUCH

Foaming Tire Shine

FINISHING TOUCH cleans, protects and leaves a wet looking shine—all in one easy step. Clinging foam dissolves dirt and road grime and floats it away, leaving a beautiful, wet looking, long lasting shine. No wiping or scrubbing is needed. Can sprays upside down and right side up for ease of use at any angle. Will not harm wheels or wheel covers. Note: Excessive soil buildup should be removed by rinsing or brushing tire prior to use. For use on trucks, buses, automobiles, motor homes and motorcycles. Areas of use include automobile dealers, detail shops, car washes, repair shops and recreational vehicle dealers. Sprays from any angle.

12–20 oz. cans/case. 15 oz. net wt.

8050 - SHINE ON

Tire Shine

SHINE ON gives dull, dry-looking tires new life. Leaves an invisible, wet-looking shine that lasts through multiple washes. Keeps new tires looking their best and rejuvenates older tires to a like-new, deep, wet-looking shine. So easy to apply, just spray on and walk away—no buffing required. Can sprays from any angle—even upside down. Keeps tires looking blacker longer while preventing cracking, browning and premature aging.

12–20 oz. cans/case. 12 oz. net wt.

8070 - PAD KLEEN

Brake Cleaner

PAD-KLEEN removes grease and tough grime from brake parts, linings and pads. Dries extremely fast and clean without residue. Nonflammable formula. Formulated to quickly and effectively remove grease, brake dust, brake fluids, oils and other contaminants. Cleans your brakes of build-up helping extend the life of your vehicle, while improving performance and keeping drivers safe.

12–20 oz. cans/case. 18 oz. net wt.

8090 - NOCHLOR

Non-Chlorinated Brake Parts Cleaner

NOCHLOR combines powerful flushing action and a high solvency formulation to make cleaning brake linings, drums, disc pads and most other metal parts faster and easier. Removes brake fluid, oil, grease and other contaminants instantly. Evaporates quickly, leaving no residue. Contains no ozone depleting solvents. For use on automobiles, trucks, buses, disc rotors, brake linings, fork lifts, motorcycles, brake parts, brake drums, brake pads and other heavy equipment.

12–20 oz. cans/case. 14 oz. net wt.

8100 - COMMAND

Auto Polish

COMMAND is a unique aerosol polish for truck, automobile and marine finishes. This polish produces a deep, high-gloss finish and will not harm even the finest automobile finishes. Protects with carnauba wax and PTFE. Makes waxing fast and easy. Simply spray on, allow product to haze and buff to a high-gloss durable finish. One can polishes up to three automobiles or one bus. For use on trucks, buses, automobiles, boats, motor homes, jet skis, snowmobiles and motorcycles. Also use to polish elevator doors, aluminum, stainless steel and chrome. Areas of use include automobile dealers, make-ready shops, auto repair shops and recreational vehicle dealers.

12–16 oz. cans/case. 11 oz. net wt.

8110 - CLEAN BRAKE

Non-Chlorinated Brake Parts Cleaner

CLEAN BRAKE is a powerful, non-chlorinated, low odor formula to safely and efficiently clean all brake parts. Removes oil, grease, brake fluid, contaminants and brake dust to help stop brake squeaking and improve braking performance. Dries fast and leaves no residue. Also an excellent degreaser for metal parts. Great for brake shoes, drums, cylinders, rotors, disc brakes & parts.

12–20 oz. cans/case. 14 oz. net wt.

8130 - TWO-FER

Leather & Vinyl Cleaner & Conditioner

TWO-FER cleans, maintains and renews the look and feel of leather and vinyl! Restores color, beauty, glow and suppleness, whether old or new. It's a tight, dry foam that does not soak into surfaces. The light spray provides protection against moisture and other environmental hazards. Won't rub off on clothing or other surfaces. Won't leave a sticky, slick or waxy residue. Prevents drying & cracking due to sunlight & extreme weather.

12–20 oz. cans/case. 18 oz. net wt.

8220 - CLINCH

Battery Protectant

CLINCH is a light misting, red coating designed to prevent rust, corrosion and battery failure. Provides a long-term protection when applied to battery terminals, cable ends, wires, bolts, brackets, clamps and other metal components. One application is effective for up to 6 months. Proper use keeps batteries clean, prolongs life and helps prevent terminal contact failures. Every new battery installation and service should be completed with an application of CLINCH. Also, great for rust prevention on a variety of other metal surfaces. The distinctive color shows where protection is working. Use on all batteries whether in or out of storage.

12–16 oz. cans/case. 12 oz. net wt.

8230 - DETECT

Battery and Terminal Cleaner

DETECT Battery and Terminal Cleaner cleans and neutralizes acid on terminals and cables of batteries. A color indicator is provided with the product to detect acid leaks. Product turns red on contact with battery acid. Detect eliminates corrosion buildup, prolonging battery life and effectiveness. Severe corrosion may require light brushing.

12–20 oz. cans/case. 18 oz. net wt.

8250 - CRUNCH

Engine Degreaser

CRUNCH is a concentrated blend of organic solvents in a gel base which allows it to cling to vertical surfaces. Works quickly to penetrate and emulsify tar, asphalt, grease and oil. Safe, easy to use, just spray on and wash off with water. Does not contain petroleum distillates. Areas of use include automobile dealers, machine shops, industrial manufacturing, factories, fleet maintenance shops and marine equipment.

12–20 oz. cans/case. 16 oz. net wt.

8260 - VROOM

Starting Fluid

VROOM is designed to aid gasoline and diesel engines with quick and easy starting power in cold, wet or freezing weather. Prevents excessive battery drain. Functions after use as a corrosion inhibitor and upper cylinder lubricant. Note: Do not use this product on glow plugs. For use on all automobiles, trucks, lawn mowers, boats, chainsaws, tractors and other motors. Areas of use include machine shops, auto repair shops, truck stops, marinas, lawn mower repair shops and company fleet shops.

12–16 oz. cans/case. 10.7 oz. net wt.

FOODSERVICE

20301 - NU-VIEW

Concession and Food Equipment Cleaner

NU-VIEW removes cooking oils, grease, sugar, starch and protein residues. Unique formula eliminates oxidation odors and cleans all types of food equipment, including popcorn poppers, hot dog boilers, nacho chip warmers, slicing machines, soft servers and stoves. Powerful degreasers cling to vertical surfaces, making clean-up fast and efficient. Safe on plexiglas, formica, aluminum, stainless steel, painted metals and plastics. Great in convenience stores, carnivals, stadiums and arenas. **NSF APPROVED A1.**

6–20 oz. cans/case. 18 oz. net wt.

2030 — 12–20 oz. cans/case. 18 oz. net wt. Private label only.

5260 - MAIN EVENT

Food Surface Cleaner/Degreaser

MAIN EVENT is a water-based foaming degreaser that is safe for use on food contact surfaces and suitable for use in food handling and processing areas. Removes fats, oils, cooking grease, and protein residues from all washable surfaces in kitchens and food processing areas. Great for cleaning ceramic tile, concrete, terrazzo, tables, equipment, walls and more. The unique formula eliminates oxidation odors and clings to vertical surfaces, making clean-up fast and efficient. Safe on plexiglas, formica, aluminum, stainless steel, painted metals, glass and plastics. Removes heavy accumulations of grease from chains & cables, industrial parts and manufacturing equipment. **NSF APPROVED A1.**

12–20 oz. cans/case. 18 oz. net wt.

264802 - KETTLE TABS™

Popcorn Kettle Boil-Out Cleaner

KETTLE TABS™ are a concentrated popcorn kettle cleaner with no chlorinated solvents, toxic fumes or odors. No messy powders to measure and handle. Makes boil-outs quick, accurate and easy. They are pre-portioned to assure cost-effective and perfect results each and every time. Specially formulated, heavy-duty, low foaming agent designed to meet the toughest cleaning conditions in any popcorn kettle. Using Kettle Tabs™ will enhance the taste and quality of your popcorn.

48-2 oz. tablets (6 boxes of 8 ea.)

CARBON-OFF!®

Heavy-Duty Carbon Remover

CARBON-OFF!® is a powerful gel that dissolves carbon buildup from metal surfaces. Spray or brush on, let set 15 minutes to overnight, depending on the amount of buildup to be removed, then rinse under cold water with a brush or scrubbing pad. Also available in a dip tank solution for repeated treatment of multiple utensils. Works quickly and easily saving time and labor. SAFE ON ALUMINUM. Due to VOC's, not available for sale in CA and UT.

Removes baked on carbon from:

- Metal Surfaces
- Stainless Steel
- Chinese Woks
- Broilers
- Deep Fryers
- Brass
- Waffle Bakers
- Popcorn Kettles
- Rotisseries
- Roasting & Sheet Pans
- Barbecue Grills
- Pots & Pans
- Stove Parts
- Nickel Steel

Available in: Pint, quart and gallon cans and 20 oz. aerosol cans. 19 oz. net wt.

BRITE SHINE™

Stainless Steel Cleaner & Polish

BRITE SHINE™ is a unique, mineral oil-based cleaning and polishing formulation in which every ingredient is of food grade or other high quality. It has less than 15% VOC's. Quickly cleans, restores and prolongs luster of metal surfaces. Easy to use. Contains no acids, alkalis, abrasives or heavy creams. Leaves behind a protective coating which resists finger marking and smudges. Contains no CFC's, chlorinated solvents, 1,1,1-Trichloroethane or Hexane.

Available in quarts, gallons, 6/40 wipes and 16 oz. aerosol cans. 11 oz. net wt.

FOAM PLUS™

Super Cling Oven, Grill, Fryer & Rotisserie Cleaner

FOAM PLUS™ is highly concentrated to remove carbon grease from ovens, grills and rotisseries. Clings to vertical surfaces. For use on range tops, pizza ovens, steam jacket kettles and conveyor ovens. FOAM PLUS™ does not generate the airborne caustics found in ordinary aerosol oven cleaners. Safe for use on stainless steel, porcelain, mild steel, ceramic, glass and brick.

Available in quarts, gallons and 20 oz. cans. 19 oz. net wt.

206190001-20AR	Foam Plus	6-20 oz. cans per case

3015 - GROUNDS KEEPER

Coffee Urn & Pot Cleaner

This liquid coffee pot cleaner effectively eliminates unsightly mineral buildup and oil deposits, so they don't affect the flavor of your coffee. A quick and easy way to keep coffee pots fresh and odor free. **NSF APPROVED A3.**

12-16 oz. pint bottles

40104 - FRYER BOIL-OUT™

Deep Fryer Cleaner Liquid

FRYER BOIL-OUT™ is a heavy-duty high alkaline detergent formulated to meet the toughest cleaning tasks. Fryer Boil-Out™ has excellent cleaning capacity and high soil, fat and grease tolerance. Fryer Boil-Out™ increases food quality and taste. Is non-flammable, has no chlorinated solvents and leaves no toxic fumes or odors.

Available in 4 x 1 gals.

FRYER PUCK®

Fryer Boil-Out Deep Fryer Cleaner Tablets

FRYER PUCK® concentrated cleaner tablets are a low foaming, heavy-duty detergent formulated to meet the toughest cleaning jobs. Pre-measured tablets help reduce foam and boil over, avoiding a mess to clean up. They have excellent cleaning capacity and high soil, fat and grease tolerance. FRYER PUCK® tablets increase food quality and taste. Specifically formulated to clean french fryers, gas fryers, tortilla chip fryers, electric fryers, deep fryers, donut fryers, counter top fryers and pressure cookers.

4 oz. tablets

POWDER

P303 - INFERNO

Municipal Sewer Compound

INFERNO is a powerful chemical compound made for MUNICIPALITIES. When activated by water this product will generate heat, generate agitation, emulsify grease, emulsify oil, attack roots and digest paper. This highly effective compound provides deep penetration, is non-corroding, will attack hardened detergents and contains a highly visible tracing color. Excellent for use in drain pipes and sewage lines. For use in schools, institutions, restaurants, factories, hotels/motels and municipalities.

Available in 50 lb. pails.

EQUIPMENT

925011001-30PK	The Magician - Two layers of Melamine separated by a durability strip
925015001-12PK	The Sorcerer - Two layers of Melamine, a durability strip layer, w/velcro backing
E93700001-MDSP	Deluxe Metered Aerosol Dispenser Fully programmable
E93800001-MDSP	Basic Metered Aerosol Dispenser Dispenses every 15 minutes
