*BD-20 is a heavy-duty butyl-based foaming degreaser. An excellent product to remove dirt & soil and cut through grease & oil. Stable foam clings to permit long lasting contact with irregular and vertical surfaces. Can be used in many different areas ranging from kitchens to auto repair shops. Ideally suited for use in a variety of areas including industrial shops, kitchens, bathrooms, locker rooms, offices, schools, hotels and motels. Excellent for brick, porcelain, plastics, steel and formica. Also great for removing burnt rubber particles and light asphalt residue from auto body surfaces.*

**DIRECTIONS FOR USE:** Shake well. Spray evenly over surface in a fan motion. Wipe clean. For heavily soiled surfaces, allow foam to remain up to a minute before wiping.

**MODO DE EMPLEO:** Agítese bien. Rocíe en forma uniforme sobre la superficie. Limpie. Para superficies muy sucias, permita que la espuma actúe hasta un minuto antes de limpiar.

**WARNING:** Flammable aerosol. Pressurized container: may burst if heated. Causes skin and serious eye irritation. May cause damage to respiratory tract through prolonged or repeated exposure if inhaled. Keep away from heat, hot surfaces, sparks, open flames, and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Do not breathe the mist, vapors or spray. Wash hands thoroughly after handling. Wear protective gloves and eye protection. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs: Get medical advice or attention. Take off contaminated clothing and wash it before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention. Store in a well-ventilated place. Dispose of contents and container in accordance with local, state and federal regulations.

**ADVERTENCIA:** Aerosol inflamable. Recipiente a presión: puede reventar si se calienta. Provoca irritación cutánea y ocular grave. Puede causar daños en las vías respiratorias por exposición prolongada o repetida si se inhala. Mantener alejado del calor, superficies calientes, chispas, llamas abiertas y otras fuentes de ignición. No fumar. No pulverizar sobre una llama abierta u otra fuente de ignición. No perforar ni quemar, incluso después de su uso. Proteger de la luz solar. No exponer a temperaturas superiores a 50°C/122°F. No respirar la niebla, los vapores ni el aerosol. Lavarse bien las manos después de manipularlo. Usar guantes y protección ocular. **EN CASO DE CONTACTO CON LA PIEL:** Lavar con abundante agua. En caso de irritación cutánea: Consultar a un médico. Quitarse la ropa contaminada y lavarla antes de volver a usarla. **EN CASO DE CONTACTO CON LOS OJOS:** Enjuagar con agua cuidadosamente durante varios minutos. Quitar las lentes de contacto, si lleva y resulta fácil. Seguir enjuagando. Si persiste la irritación ocular: Consultar a un médico. Almacenar en un lugar bien ventilado. Eliminar el contenido y el recipiente de acuerdo con las normativas locales, estatales y federales.

**CONTAINS (CAS#):** Water (7732-18-5), Butoxyethanol (111-76-2), Butane (106-97-8), Nonoxynol-10 (127087-87-0), EDTA (60-00-4), Propane (74-98-6), Potassium hydroxide (1310-58-3), d-Limonene. For more ingredient information visit [www.questspecialty.com](http://www.questspecialty.com)
