UNPLUG II CONTACT & CIRCUIT BOARD CLEANER

A highly effective blend of solvents that are fast drying, non-conductive and safe to use on metal. Does not contain CFC's or HCFC's and is ozone safe. Use to remove dirt, grease, oil, and grime from circuit boards, computers, magnetic tapes, printed circuits, gauges, switches and relays.

DIRECTIONS

This product is extremely flammable and equipment **MUST** be de-energized before using. Shake well and point spray nozzle toward surface to be cleaned. Spray until saturated using a cloth or brush to loosen soil. Reapply if necessary. Allow product to dry and fumes to be completely evacuated before equipment is re-energized.

MODO DE EMPLEO

Este producto es extremadamente inflamable y el equipo debe ser desenergizado antes de usar. Agite bien y apunte hacia la superficie que se va a limpiar. Rocíe hasta que este saturada y límpie con un trapo o cepillo para soltar el sedimento. Vuelva a aplicar si es necesario. Permita que el producto se sequen los vapores se disipen antes de re energizar el equipo.

DANGER: Extremely Flammable Aerosol. Contains gas under pressure; may explode if heated. Causes skin and serious eye irritation. May cause drowsiness or dizziness. May be fatal if swallowed and enters airways.

Keep away from heat, sparks, open flames, and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves and eye protection. If on skin: Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Avoid breathing fumes, mist, vapors, and spray. Use only

outdoors or in a well-ventilated area. If inhaled: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell. If swallowed: Immediately call a poison center or doctor. Do NOT induce vomiting. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations.

PELIGRO: Aerosol Extremadamente Inflamable. Contiene gas a presión; Puede explotar si se calienta. Causa irritación de la piel y ocular grave. Puede causar somnolencia o mareos. Puede ser fatal en caso de ingestión y entra por las vías respiratorias.
