AEROSOLS:

5000 - D-GREAZ Organic Solvent Cleaner

- Comparable Solvency with Petroleum Distillates & Chlorinated Solvents
- Safely Cleans Away Tar, Grease, Gum, Adhesives, Graffiti & Other Soils from Metal, Dies, Molds, Brick & Most Plastics
- Pleasant Citrus Fragrance

5030 - QUIK SOLV Solvent Degreaser

- High Solvent Power
- Non-Flammable, Non-Conductive & Non-Chlorinated

5050 - AFD Citrus-Based Water Soluble Degreaser

- Pleasant Citrus Odor
- No Petroleum Distillates
- Removes Grease, Tar and Asphalt

5060 - BIG ORANGE Tar & Asphalt Remover

- Cuts Through a Wide Range of Sticky Soils
- Fresh Orange Scent
- Non-Chlorinated Formula Contains No Ozone Depleting Chemicals

5080 - TAR BLITZ Soy Solvent Degreaser

- Pleasant Citrus Fragrance
- Non-flammable
- Plant Derived Formula is 50 State VOC Compliant Degreaser
- Readily Biodegradable & Contains No Chlorinated or Petroleum Solvents

5120/*5130 - QUIKLEEN II Solvent Cleaner

- Contains No Oil, Leaves No Residue
- Fast Drying
- Non-Flammable, Non-Conductive & Non-Ozone Depleting

5140/*5150 - UNPLUG Contact & Circuit Board Cleaner

- Safe on Plastics; Will Not Harm the Ozone
- Non-Conductive
- No CFC's or HCFC's
- Dries Quickly—Leaves No Residue

5149 - UNPLUG II Electrical Cleaner

- Safe on Plastics; Will Not Harm the Ozone Layer
- Non-Conductive
- No CFC's or HCFC's
- Dries Quickly—Leaves No Residue
- VOC Compliant in All States as an Electrical Cleaner

5160 - ELECTRO-CLEAN

Energized Electrical Equipment Cleaner

- Non-Flammable, Non-Conductive & Non-Ozone Depleting
- Contains No Oil, Leaves No Residue
- Fast Drying

5180 - KICK OFF Safety Solvent

- Non-Flammable & Non-Conductive
- 30,000 Volt Dielectric Strength
- Non-Corrosive, Fast Drying & Residue Free

5200 - CRASH Heavy Duty Foam Degreaser

- Mega Force Spray Power
- Fresh Citrus Scent
- Thick Clinging Foam Clings to Vertical Surfaces for Longer Contact Time
- Extended Dwell Time for Faster Cleaning

5230 - TOUGH GUY Super Concentrated Degreaser & Tar Remover

- Jelled Formulation – Will Not Run
- Pleasant Citrus Fragrance
- No Acids, Alkalis, Chlorinated or Fluorinated Solvents

5240 - UPPER CUT Electrical & Electronic Contact Cleaner

- Evaporates Quickly Leaving No Residue
- Non-Flammable & Non-Corrosive
- 30,000 Volt Dielectric Strength
- Safe on Most Plastics
- EPA SNAP Approved

5250 - LEFT HOOK Electronic Cleaner

- No Citrus Oil
- Low Odor & Non-Flammable Formula
- Fast Drying & Residue Free
- Safe on Most Plastics*, Paints, Rubber & Electronic Insulation

5489 - PCA II Electronic Cleaning Agent

- Evaporates Quickly, Leaving No Residue
- 14,000 Volt Dielectric
- Excellent Replacement for Chlorinated or Fluorinated Solvents
- VOC Compliant in All 50 States

5520 - SLIP-NOT Belt Dressing

- Increases Power and Performance
- Extends Belt & Bearing Life
- Cleans Away Dust, Dirt and Other Elements that Gum Up Machinery

5540 - DEFENSE EF Metal Parts Protector

- Prevents Rust and Corrosion
- Weldable – Paintable
- Meets Mil Spec C-16173D, Grade 4 and C83933A
- Contains No Chlorinated or Fluorinated Solvents

5700 - QUIK-ZINC Galvanize Coating

- Will Not Crack, Peel, or Yellow Even Under Extreme Conditions
- Provides Excellent Adhesion to All Metal Surfaces
- Coverage of 30-40 Sq. Ft. per Can at 1 Mil. Thickness
- Dries to a Flexible, Paintable Coating
- 93% Pure Zinc After Drying

5910 - WONDER Acoustical Ceiling Tile Restorer

- Covers a Variety of Stains & Damage, Eliminating Costly Tile Replacement
- Safely Restores the Appearance of Tiles Without Compromising Fire Retardant Value or Sound Absorption Properties
- Economical—One Can Covers 12 to 15 (2'x4') Tiles or 120 Square Feet

5960 - REVIVE Rust Converter

- Ease of Use Eliminates the Need for Sanding, Brushing and Scraping
- Allows Treated Surface to Be Painted
- Prevents Rust from Forming

* Private Label Only

LIQUIDS:

3780 ORANGE SOLV PLUS

- Less Hazardous than Petroleum Distillates & Chlorinated Solvent Degreasers
- Versatile—Hundreds of Uses
 - Biodegradable
 - Fresh, Citrus Fragrance

6001 - DEFENSE Metal Parts Protector

- Prevents Rust & Corrosion Prolonging Equipment Life
 - Will Not Crack, Peel or Flake
 - Weldable

6005 - MC-FREE Methylene Chloride Free Dry Film Lubricant

- Temperature Range -40°F to +662°F
 - Non-Chlorinated
- Adheres to Metal, Glass, Rubber and Most Plastics
 - Resists Pressures Up To 250,000 psi
- Resists Water Wash-out, Oils, Alkalies and Most Acids

6008 - HI POINT Industrial Degreaser

- Long dwell time
- High flash point
- Non-flammable
- Biodegradable
- No VOC's (based on CARB rules and methods)

6020 - UP AND AWAY Lift Station Degreaser

- Rapid Emulsification Properties
- No Brush or Scrub Concentrate
- Removes the Source of Foul Odors
- Municipal Detergent Formula

6050 - BUOY Lift Station Cleaner & Degreaser

- Natural d-Limonene Degreases Quickly
 - Pleasant Scent
- Removes Grease, Oil, Grime, Dirt

6060 - QUIK SOLV Solvent Degreaser

- Long dwell time
- High solvent power
- Non-flammable
- Evaporates quickly
- Non-chlorinated

6070 - PAVE THE WAY Road Hardener & Packing Agent

- Multi-Surface Product Removes a Wide Range of Paints & Sealers from Metal, Concrete & Wood
 - Thick Formula Will Not Run
- Safer Alternative to Paint Removal

6090 - MISTER BLISTER Methylene Chloride Free Paint Remover

- Multi-Surface Product Removes a Wide Range of Paints & Sealers from Metal, Concrete & Wood
 - Thick Formula Will Not Run
- Safer Alternative to Paint Removal

6110 - QUIKLEEN II Solvent Cleaner

- Non-Flammable & Non-Conductive
- 29,000 Volt Dielectric Strength
- Contains No Oil—Leaves No Film
- No Carbon Tetrachloride or 1,1,1 Trichloroethane

6120 - HD-50 Synthetic Cutting Fluid

- Reduces Tool Burning—Increases Tool Life
- Excellent Rust Preventative

6130 - TAR AWAY Tar, Grease & Oil Remover

- Excellent Degreasing Agent
- Fast Acting
- Easy to Apply

6200 - ISOPROPYL ALCOHOL Cleaner & Degreaser

- Many Electronic Equipment Applications
 - Evaporates Fast
- Economical Cleaner and Degreaser for Electronic Equipment

6410 - RESTORE Rust Converter & Protective Coating

- Oxidizes Corrosion and Scale
 - Brightens Surfaces
- Highly Concentrated and Powerful

POWDERS:

P303 - INFERNO Municipal Sewer Compound

- Contains Highly Visible Tracer
- Powerful Compound
- Attacks Roots, Oil, Paper and Grease
