Corporation

# Fogasol II

## Total Release Fogger

FOGASOL II is an EPA registered, USDA authorized, water based total release fogger. This product contains permethrin, pyrethrin and MGK® 264. Designed with a special lock down valve for total release of product. The fogging mist penetrates to all areas for thorough insecticidal action. Formulated to kill cockroaches, crickets, ants, mosquitoes, fleas, rice weevils, saw-toothed grain beetles, ticks, flies, and small flying moths.
