Stomp

Wasp & Hornet Spray

STOMP is an EPA registered, high dielectric, non-chlorinated wasp and hornet spray. This product sprays 15 to 20 feet and can be used indoors in attics and other places where nests are built or outdoors on hornet, wasp and yellow jacket nests. Can also be used to quickly knock down hornets, wasps and yellow jackets outdoors. Nests should be treated in the evening when insects have returned to the nest. Stomp has a dielectric strength of 40,100 volts by ASTM test method D-877.

- ❖ **439000001-20AR Stomp**
12–20 oz. cans/case, 12 oz. net wt.
