## Lice, Dust Mite & Bed Bug Multi-Purpose Insect Spray

CLOBBER is an EPA registered, water-based, multi-purpose insect killer. It contains the synthetic pyrethroid permethrin for quick knockdown and up to four weeks residual control of crawling and flying insects. Non-staining, odorless formula controls lice, dust mites, bed bugs and many other crawling insects. Kills clothes moths, mosquitoes, fruit flies and many other flying insects. For use on dogs and on premises to control fleas and ticks. For use on livestock to control flies, fleas and gnats. Controls garden insects on ornamentals and plants. Authorized for use in animal quarters and milk houses.
