# Sidewinder

## Foaming Cooling Coil Cleaner

SIDEWINDER is formulated to penetrate and remove dirt and matted material from evaporator coils and fins, eliminating the need for high pressure sprayers and bulky tank sprayers. Upon contact with the surface of the coil, the foaming action of the product begins to remove the soil from the surface. Rinsing is not required. Dirt and lint are washed away with condensation, leaving unit cleaned and deodorized.

❖ **539000001-20AR Sidewinder**  
12 - 20 oz. cans/case, 18 oz. net weight.
