# COPPERHEAD

## Foaming Coil Cleaner

COPPERHEAD is a powerful, thick clinging foam which removes dirt, debris, lint, grease and odor from air conditioner and heater coil fins. Portable aerosol features a strong directional spray which helps force foam into coil air spaces. Water-based foam creates no harsh vapors and leaves a fresh citrus scent. No rinsing required on evaporator coils or any other surface where condensation causes a rinsing action.

- ❖ **5430 Copperhead**  
12–16 oz. cans per case, 15 oz. net weight.

### *Applications:*

*Air Conditioners, Heater Pumps, Refrigerators, Ventilators,  
Ice Machines, Commercial Hand Dryers*

### *Areas of Use:*
