LABEL INFORMATION

KETTLE TABS™ POPCORN KETTLE BOIL-OUT CLEANER

KETTLE TABS™ are a concentrated popcorn kettle cleaner with no chlorinated solvents, toxic fumes or odors. No messy powders to measure and handle. Makes boil-outs quick, accurate and easy. They are pre-portioned to assure cost-effective and perfect results each and every time. **KETTLE TABS™** are a specially formulated, heavy duty, low foaming agent designed to meet the toughest cleaning conditions in any popcorn kettle. Using **KETTLE TABS™** will enhance the taste and quality of your popcorn.

DIRECTIONS:

Kettles up to 32 oz.:

FOR NORMAL DAILY USE: Fill kettle with water 1" from the top of kettle. Add one 2 oz. tablet. Heat to 160°F and allow to soak for 10 minutes. Turn off heat, let cool for 30 minutes. Dump solution carefully into a basin or a pail. Rinse kettle thoroughly and wipe dry.

FOR HEAVY DUTY CARBON BUILD-UP: Use 2 tablets and repeat above directions.

Kettles above 32 oz.:

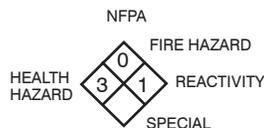

FOR NORMAL DAILY USE: Follow same above directions with 2 tablets.

FOR HEAVY DUTY CARBON BUILD-UP: Use 4 tablets and repeat above directions.

CAUTION: Eye protection and gloves should be used with all cleaning compounds. Since Kettle Tabs contain no caustics, first aid procedures are not usually necessary, unless it gets in your eyes. With eye contact, flush eyes with water for 15 minutes and get medical attention promptly. May cause skin irritation to individuals with sensitive skin. Gloves are not necessary for most people, but desirable. Do not mix with other cleaning agents or chemicals. Keep out of reach of children.

CONTAINS (CAS#): Sodium Metacilicate (6834-92-0), Trisodium Phosphate (10101-89-0), Sulfamic Acid (5329-14-6), Sodium Carbonate (497-19-8), Polyethylene Glycol (25322-68-3).
