

APPLAUSE

GEL ANTISEPTIC HANDWASH

DESCRIPTION

APPLAUSE skin sanitizer is a refreshing alcohol-based sanitizer that kills 99.9% of most illness-causing germs. Germs transferred by hands are the #1 reason people become ill. Applause is safe on hands, and you may reapply as often as needed. It does not replace handwashing to remove heavy soils, but it is an important step in keeping hands germ-free. Reduces workplace and school absenteeism by as much as 20%. Leaves skin smooth and conditioned without a medicinal smell.

APPLICATIONS

Excellent for use by teachers, students, doctors, nurses and dental personnel, money handlers, office workers, child care providers, emergency response technicians, flight attendants and more. Areas of use include bathrooms, kitchens, automobiles, areas without running water, day care centers, churches, hospitals, offices, campsites, sports arenas, school campuses, floral shops and retail checkout lines.

FEATURES & BENEFITS

- Concentrated and economical
- Easy to apply—simply squirt into hands and massage into skin
- Leaves hands clean and soft.

LABEL INFORMATION

APPLAUSE GEL ANTISEPTIC HANDWASH

INDICATIONS: For handwashing to decrease bacteria on the skin. Recommended for repeated use.

This product instantly sanitizes hands without water or towels. The special blend of emollients and ethyl alcohol leaves hands sanitized, smooth and conditioned without an antiseptic smell. Excellent for use by hospitals, dental personnel, child care services, nursing homes, veterinarians, labs, emergency response teams, police and fire personnel, correctional facilities, money handling and food service workers. Not a substitute for washing hands from heavy soil. Important to use regular hand hygiene methods.

DIRECTIONS FOR USE: Place a 'palmful' (5 grams) of product in one hand. Spread on both hands and rub into the skin until dry (approximately 1 to 2 minutes). Place a smaller amount (2.5 grams) into one hand, spread over both hands to wrist, and rub into the skin until dry (approximately 30 seconds). Will air dry in 15 seconds leaving hands with a clean, fresh citrus fragrance.

WARNING: FLAMMABLE. KEEP AWAY FROM FIRE OR FLAME. For external use only. Do not use in or near the eyes. In case of eye contact, flush with water for 15 minutes. Consult physician if irritation persists. In case of ingestion, seek medical assistance or consult a poison control center immediately. Keep out of reach of children. Close spout after use to avoid evaporation. Store below 95°F.

ACTIVE INGREDIENT: 60% Ethyl Alcohol.

OTHER INGREDIENTS: Water, Triethanolamine, Fragrance, Acrylic Polymer.
